Dragon and Mr. Sneeze Blue Skeleton, 2021-04-20

On this very day in Texas, live three little witches: one is a diamond waiting to be discovered, the other an innocent babe full of life, and the last one, despite her charms, is a ruthless killer. Famka and Ophelia live in the Horseshoe, and all they've ever known is their miserable lives in a rundown trailer park. Milly can't stand another day with her high society parents. The three witches have never flown through the Hallowed Halls, talked to a talking book, or worn Ghost Armor to transform into other people, but then, none of them have been to the Sky Builders' Guild, either. But all that is going to change when a deadly ghost comes looking for the Kitab'i'Mordanee, the book that began all Tuning. Will betrayal unravel their unexpected coven? Will they leave Texas, join the Guild and become great Sky Builders? If you want to find out, then read the first in a southern coming of age series - Dragon and Mr. Sneeze: Witches of the Horseshoe.

**The Old Dragon's Head** Justin Newland, 2018-10-02  
Constructed of stone and packed earth, the Great Wall of 10,000 li protects China's northern borders from the threat of Mongol incursion. The wall is also home to a supernatural beast: the Old Dragon. The Old Dragon's Head is the most easterly point of the wall, where it finally meets the sea. In every era, a Dragon Master is born. Endowed with the powers of Heaven, only he can summon the Old Dragon so long as he possess the dragon pearl. It's the year 1400, and neither the Old Dragon, the dragon pearl, nor the Dragon Master, has been seen for twenty years. Bolin, a young man working on the Old Dragon's Head, suffers visions of ghosts. Folk believe he has yin-yang eyes and other paranormal gifts. When Bolin's fief lord, the Prince of Yan, rebels against his nephew, the Jianwen Emperor, a bitter war of succession ensues in which the Mongols hold the balance of power. While the victor might win the battle on earth, China's Dragon Throne can only be earned with a Mandate from Heaven – and the support of the Old Dragon. Bolin embarks on a journey of self-discovery, mirroring Old China's endeavour to come of age. When Bolin accepts his destiny as the

Dragon Master, Heaven sends a third coming of age – for humanity itself. But are any of them ready for what is rising in the east?

**Crystal Skulls** Judy Hall,2016-01-01 Crystal skulls are human-skull hardstone carvings often made of clear or milky white quartz known as rock crystal. They are allegedly pre-Columbian Mesoamerican artifacts and can be found in the permanent collections of a number of world-class museums, including the Smithsonian and the British

Museum. In occult and metaphysical circles, the skulls have magical and healing qualities: Anna Mitchell-Hedges (owner of a particularly famous skull) claimed that the skull could cause visions and cure cancer and that its magical properties could be used to kill. Drunvalo Melchizedek claims in *Serpent of Light* that he stumbled upon descendants of the ancient Mayans who possess crystal skulls for use in religious ceremonies in Yucatan temples. Jamie Sams writes of the skulls' association with Native American mythology. In this book, best-selling occultist and crystal expert Judy Hall provides a basic primer on crystal skulls: What they are Where they are found Their role in legend and lore around the world Their uses for physical and psychic healing Also included here in this stunning introductory text is an examination of the prominent skull keepers of the past 100 years and examination of how to use and communicate with a crystal skull. This is a terrific introductory text for those interested in occult and ancient mysteries and/or the power of gems and crystals.
