The White Dragon Anne McCaffrey,1997-09-01 Never had there been as close a

bonding as the one that existed between the daring and adventurous young Lord Jaxom and his extraordinary white dragon, Ruth. Pure white and incredibly agile, Ruth was a dragon of many talents, though almost everyone on Pern thought he was a runt that would never amount to anything. But Jaxom knew better, knew he could teach his dragon to fly and to destroy the deadly silver Threads that fell from the sky. Disobeying all rules, Jaxom and Ruth trained in secret. Their illicit flights seemed but a minor disobedience - until they found themselves in the path of danger and in a position to prevent the biggest disaster of all.

Furthermore, you will learn about the elves, and discover a whole world that you didn't know existed right under your nose. In her search for material for an upcoming book, Luzi stumbles upon many secrets and old wisdom, signs of seemingly lost, ancient knowledge. When searching for truth, one may find love and friendship that one has been looking for, even in places abandoned many years ago, or in realms not of this world. The Soul of the White Dragon, the first book in the Luzi Cane series, gives you a unique opportunity to enjoy an incredible adventure. At the same time, you gain so-called lost or hidden knowledge, in a world that desperately

tries to wake up from its long slumber but is distracted by the 'noise' from the same world. The dragons are awakening, not to destroy us, but to guide us in our quest for a deeper understanding of our place in creation. Even though the book is a part of a series, it contains a complete story in its own right.

swept through the world of Pern, there are no longer enough dragons to fight off the current onslaught of Thread, the deadly spore that falls like rain from the skies and devours everything organic in its path. Pern's last best chance to rebuild the decimated dragon population lies with a group of young dragonriders and their dragons left stranded on an unexplored island. Leadership of these dragons and riders falls to Xhinna, female rider of a blue dragon, who, as the most experienced dragonrider in the new Weyr, must earn the respect of all who follow her, as not everyone is ready to accept a female wingleader. She must solve the problem of how to get sufficient numbers of dragon eggs, although her newfangled ideas, like letting green dragons mate and lay eggs to hatch new dragons, cause uproar. All the while she must protect her people and baby dragons from the predators and, worse, traitors or all hope for Pern will be lost!
