In the Belly of the Dragon John-James Farquharson,2015-11-25 The People's Republic of China have hired several hundred so-called foreign experts and assigned them to specific state-owned enterprises (SOEs) to help transform these into modern world-class companies. As far as I know, I was the first and only foreigner heading up the human resources in such an enterprise. The purpose of this short book is to provide a snapshot of what really happens inside: how the party functions in the company; how people issues are addressed, including industrial and social unrest; the problems around petty irregularities and resistance to change; the daily challenges facing non-Chinese nationals; and finally, how companies outside the People's Republic are bought and integrated.

Here Be Dragons Susannah Lloyd,2024-02-06 Children will love this funny, witty and hugely enjoyable book about a very silly knight who goes in search of a dragon! This book is about a knight on a mission: to find and slay a dragon. The other knights have told him that there's no such thing as dragons, but he doesn't care. For he has a map, and the map says: HERE BE DRAGONS! He travels

right to the spot marked X ... past treasure, suspicious bones, and many signs telling him to turn back. He wanders up and down a huge, spiky hill (the dragon's back) shouts into a burrow (the dragon's nose) and eventually walks into a cave (the dragon's mouth)... Will the hapless knight see the dragon before it's too late?! Young readers will love spotting the dragon in the background in this laugh-out-loud story. Beautiful and comedic illustrations with hidden clues hinting at the dragon's whereabouts accompany funny and lively text, which young readers and their parents alike will love to read aloud!

Me and My Dragon David Biedrzycki, 2020-12-15 Dragon lovers will jump at the chance to see what raising a friendly dragon just might look like in this hilarious read aloud about a boy and his pet. While dragons may not be the most traditional of pets, the boy explains how his dragon, Sparky, would be the perfect pet and pal. He details tips for how to pick a dragon, what to do when your dragon misbehaves, and what NOT to feed them (broccoli). Clever and wry text paired with bright and comedic illustrations will make **Me and My Dragon** a storytime favorite for kids and adults alike.

There's nothing else she likes about life at Tiadun keep. When she learns that she might be the daughter of the prince, she's afraid she'll be trapped there forever so she flees to the city of Anamat. In the city, there will be others who can see the dragons, or so the minstrels say. Along the way, she meets Myril, an older girl with frequent premonitions and an eerie sense of hearing. At the walls, they find Iola, so dragon-struck that she wants to be a priestess, and Thorat, her devoted champion. Despite these newfound friends, life in the city isn't easy. Darna scavenges for scraps and just about gets by, but when she's offered a sack of gold beads for a small bit of thieving, she takes her chances... and ends up angering the city's patron dragon.

The Changing Face of Management in China Chris Rowley, Fang Lee Cooke, 2014-03-18 China is one of the fastest developing emerging economies in the world today. The country has a huge influence on a global level, both politically and economically. Despite this, very few books cover both

They see who can breathe their fire the farthest and they sing out, "Fire is life, and life is fire!" But one night Mommy has trouble making a flame. As she grows sicker, it's up to Daddy and the dragon children to love and take care of her. And when Mommy's flame goes out completely, Daddy and the dragon children give her one

last hug, one last kiss, and find a way to say good-bye. Eventually Daddy and the dragon children decide to try breathing fire into the night again. High in the sky a sparkling star flashes like a flame in the dark. “Mama!” the dragon children cry, and it is so beautiful that Daddy announces, “Mama wins this time.” Dragon Fire is a picture book about cancer and what it means for a family.
