Into the Dragon's Den Christopher Johns, 2019-04-20 Leveling up. Fighting death. Living life to the max. Kicking butt and not bothering to take names, the group has been moving forward in their quest to push back the galactic tyrant, War. Then the unthinkable happens; their friend is banished to the darkest Hells. Poof. Gone, just like that. Now, not only are they on a quest to stop the vanguard of War, but they are going to need to get stronger, faster, and better than ever if they want to have any hope of busting into the Hells and getting their friend back. The Brindollan Gods plan to help as much as they can, but will it be enough to allow them to complete a task that even Orpheus couldn't in Earth's mythology? With the odds looking bleak, and the world they're trying to defend turning on them, they're going to need to seek help from unlikely spaces, travel to new places, and break some faces.

Start Your Business in 7 Days James Caan, 2012-03-01 Work for yourself in just one week with Britain's most dynamic entrepreneur 'Everybody wants to be an entrepreneur. Every single day of my life I am bombarded by people with pitches. But 90% of new businesses fail, because their founders failed to ask

themselves the simplest of questions. I can save you years of wasted time and thousands of pounds of wasted money by giving you the ammunition to ask the right questions, and helping you make the decision that is right for you. I will show you how to spend a maximum of seven days deciding if your idea is workable and bankable. How to say 'I'm in', but equally importantly, to have the courage to say 'I'm out'. How to become your own Dragon. Each piece of advice in this book is based on my thirty years of starting businesses. You will find all the fundamental ingredients for any new company, whatever sector you want to be in, whatever size of business you have in mind, along with the tools to make it work. Answer all the tough questions I am going to get you to ask yourself and you will have a business that genuinely has a chance of success. You can be one of the 10% of businesses that do make it.' - James Caan. James Caan is one of the UK's most successful and dynamic entrepreneurs, having built and sold businesses since 1985. After dropping out of school at sixteen and starting his first business in a Pall Mall broom cupboard - armed with little more than charm and his father's advice - Caan went on to make his fortune in the recruitment industry, founding the Alexander Mann Group, a company with a turnover of £130m. A 2003 graduate of Harvard Business School, Caan's most recent endeavour has been to set up private equity firm Hamilton Bradshaw. Caan hit our screens when he joined the panel of the BBC's Dragons' Den in 2007. He is a regular in the national and business press, advises on various Government programmes, and initiates numerous philanthropic projects via the James Caan Foundation.
