Dragon's Lair JB McDonald,2012-11-14 Being a demon is no fun at all. This doesn't particularly come as a surprise, but his constant escort and rarely seeing his lover does. When Ashe agreed to come to Katsu's land, he did so hoping to spend time with Katsu. Instead, he spends time locked within the palace grounds, ostracized as a monster. This will continue, he knows, until the princess Chieko is healed... or dies. Dying looks like the greater possibility, and Katsu is already mourning his sister. Then something happens -- something terrible and wonderful. The ground trembles and opens up, and Katsu nearly falls through. At Ashe's greatest need, the dragon responds, saving Ashe's lover. If they can make it happen again, it might just save the princess's life -- and mean Ashe and Katsu can go home.

The Book Dragon's Lair Holly Day,2022-08-06 Time and time again, Ryu the Ravenous has petitioned to be allowed to move to the human realm, but every application has been denied. As a black dragon of near royal blood with plenty of gemstones in his treasure cave, many females want him for a mate. Ryu doesn't want a female mate, though, and when he's badly burned in a conflict between tribes, he sees his chance to escape. Egil Olsen is running The Book Dragon's Lair, a bookstore on Dragon Row, while Draken the Dreadful, his mate, is away fighting a war on the other side of the veil. The relief of not having Draken around is great. For the first time in years, Egil doesn't have to watch every move he makes. When word reaches him that Draken is on his way home after having been injured, he considers running away. The dragon stepping over the threshold to The Book Dragon's Lair isn't Draken, though. He claims to be, but Egil knows his mate, and while all dragons are dangerous, the male standing before him is nowhere near as cruel as his mate. Ryu never wanted to be a book dragon. Books don't sparkle, but if it's the price he has to pay to be in the human realm, he will pay it. He'll take over Draken the Dreadful's treasure, and he hopes he can take over his mate, too. Egil doesn't want to be mated to a dragon, but

without a mate, he'd be homeless and without a job. A few hours after having met Ryu, Egil thinks being mated to him might not be too bad, but how will they be able to fool the people around them into believing Ryu is Draken? And what will happen if the real Draken comes back?

Red Dragon's Lair Card Game Rules Logan Knight, 2015-10-10 The Red Dragon's Lair, the fantasy adventure... Core Card Game RULES... where you become a Magician, Rogue, Warrior or Paladin on a quest to slay an evil red dragon. You control the actions of a daring adventurer finding the way through a dungeon filled with undead monsters, elementals and treacherous traps. In the mysterious creepy corridors of the dungeon your quest continues against the evil forces that oppose you. Your daring efforts to reach the Red Dragon's Lair are where your adventure begins and Your Quest Awaits! The evil Red Dragon lives deep within a dungeon filled with undead monsters and elementals. Your goal is to clear the dungeon of evil and slay the Red Dragon. Together you and the other players join together looting monsters and plundering the dungeon in search of magical items and weapons! This game is a character driven game, which uses both cards and dice to deal with the many obstacles within the dungeon and the Red Dragon's Lair. Players choose a character deck at the beginning of the game then equip their special items and weapons. Each character is unique and uses different styles of play. The crafty Rogue hides in the shadows firing arrows from a distance. The Paladin engages the monsters head-on with shield and sword. The Warrior jumps in the fray without regard for himself slaying monsters near and far. And the Magician uses powerful magic to protect the others and destroy monsters! The awesome forces that oppose you can prove to be more than a match and adventurers will die! Mwahahahaha!! I have always loved adventuring and battling monsters. Throughout my life I have played many amazing games both video and table top; D&D, Dragon's Lair, Ultima Online, Gauntlet Legends, WOW, Skyrim, H.A.C.K. , and Zogar's Gaze. The Red Dragon's Lair is filled with Easter eggs drawn from that nostalgia. It is built around the classic concept of building a character, and then exploring a dungeon with no means of escape until every threat has been vanquished. That is the foundation of The Red Dragon's Lair, and each and every encounter will immerse you in that genre. You

can customize the dungeon by adding or removing certain cards! This allows you to craft your own dungeon to challenge your friends and adjust for time constraints!

Dragon's Lair and the Fantasy of Interactivity MJ Clarke, 2022-06-06 This book revives a neglected video game classic through a critical examination of its design, its makers, its recording medium, and its imagery. The investigation of these facets reveals a game shaped by the demands of its context and is instructive for contemporary debates in media studies.
