Masterpiece Nancy West,2020-11-27 On a wintry night in 1971, Masterpiece Theatre debuted on PBS. Fifty years later, America's appetite for British drama has never been bigger. The classic television program has brought its fans protagonists such as The Dowager Countess and Ross Poldark and series that include Downton Abbey and Prime Suspect. In *Masterpiece: America's 50-Year-Old Love Affair with British Television Drama*, Nancy West provides a fascinating history of the acclaimed program. West combines excerpts from original interviews, thoughtful commentary, and lush photography to deliver a deep exploration of the television drama. Vibrant stories and anecdotes about Masterpiece's most colorful shows are peppered throughout, such as why Benedict Cumberbatch hates Downton Abbey and how screenwriter Daisy Goodwin created a teenage portrait of Queen Victoria after fighting with her daughter about homework. Featuring an array of color photos from Masterpiece's best-loved dramas, this book offers a penetrating look into the program's influence on television, publishing, fashion, and its millions of fans.

*Drama: A Graphic Novel* Raina Telgemeier,2014-07-29 From Raina Telgemeier, the #1 New York Times bestselling, multiple Eisner Award-winning author of *Smile* and *Sisters!* Callie loves theater. And while she would totally try out for her middle school's production of *Moon over Mississippi*, she can't really sing. Instead she's the set designer for the drama department's stage crew, and this year she's determined to create a set worthy of Broadway on a middle-school budget. But how can she, when she doesn't know much about carpentry, ticket sales are down, and the crew members are having trouble working together? Not to mention the onstage AND offstage drama that occurs once the actors are chosen. And when two cute brothers enter the picture, things get even crazier!

*The Drama Book* Alice Savage,2019-04-22 Everything you need to get dramatic in the classroom This easy-to-use, comprehensive teacher-resource book has lesson plans and practical activities that integrate theater into language learning. **Drama High** Michael Sokolove,2014-10-07 The inspiration for the NBC TV series *Rise*, starring Josh Radnor, Auli'i Cravalho, and Rosie Perez — the incredible and true story of an extraordinary drama teacher who has changed the lives of thousands of students and inspired a town. By the author of *The Last Temptation of Rick Pitino*. Why would the multimillionaire producer of *Cats*, *The Phantom of the Opera*, and *Miss Saigon* take his limo from Manhattan to the struggling former steel town of Levittown, Pennsylvania, to see a high school production of *Les Misérables*? To see the show performed by the astoundingly successful theater company at Harry S Truman High School, run by its legendary director, Lou Volpe. Broadway turns to Truman High when trying out controversial shows such as *Rent* and *Spring Awakening* before they move on to high school theater programs across the nation. Volpe's students from this blue-collar town go on to become Emmy-winning producers, entertainment executives, newscasters, and community-theater founders. Michael Sokolove, a Levittown native and former student of Volpe's, chronicles the drama director's last school years and follows a group of student actors as they work through riveting dramas both on and off the stage. This is a story of an economically depressed but proud town finding hope in a gifted teacher and the magic of theater.

*High Drama* John Burgman, Kynan Waggoner, 2020-03-03 One afternoon in 1987, two renegade climbers in Berkeley, California, hatched an ambitious plan: under the cover of darkness, they would rappel down from a carefully scouted highway on-ramp, gluing artificial handholds onto the load-bearing concrete pillars underneath. Equipped with ingenuity, strong adhesive, and an urban guerilla attitude, Jim Thornburg and Scott Frye created a serviceable climbing wall. But what they were part of was a greater development: the expansion and reimagining of a sport now slated for a highly anticipated Olympic debut in 2020. *High Drama* explores rock climbing's transformation from a pursuit of select anti-establishment vagabonds to a sport embraced by competitors of all ages, social classes, and backgrounds. Climbing magazine's John Burgman weaves a multi-layered story of traditionalists and opportunists, grassroots organizers and business-minded developers, free-spirited rebels and rigorously coached athletes.

**Theatre Games** Clive Barker, 2010-05-01 A practical guide to using theatre games for actor training which includes a DVD with original footage of the author putting the techniques into action.

**The Methuen Drama Book of New American Plays** David Adjmi, Marcus Gardley, Young Jean Lee, Katori Hall, Christopher Shinn, Dan LeFranc, 2013-05-23 The Methuen Drama Book of New American Plays is an anthology of six outstanding plays from some of the most exciting playwrights currently receiving critical acclaim in the States. It showcases work produced at a number of the leading theatres during the last decade and charts something of the extraordinary range of current playwriting in America. It will be invaluable not only to readers and theatergoers in the U.S., but to those around the world seeking out new American plays and an insight into how U.S. playwrights are engaging with their current social and political environment. There is a rich collection of distinctive, diverse voices at work in the contemporary American theatre and this brings together six of the best, with work by David Adjmi, Marcus Gardley, Young Jean Lee, Katori Hall, Christopher Shinn and Dan LeFranc. The featured plays range from the intimate to the epic, the personal to the national and taken together explore a variety of cultural perspectives on life in America. The first play, David Adjmi's *Stunning*, is an excavation of ruptured identity set in modern day Midwood, Brooklyn, in the heart of the insular Syrian-Jewish community; Marcus Gardley's lyrical epic *The Road Weeps*, *The Well Runs Dry* deals with the migration of Black Seminoles, is set in mid-1800s Oklahoma and speaks directly to modern spirituality, relocation and cultural history; Young Jean Lee's *Pullman, WA* deals with self-hatred and the self-help culture in her formally inventive three-character play; Katori Hall's *Hurt Village* uses the real housing project of Hurt Village as a potent allegory for urban neglect set against the backdrop of the Iraq war; Christopher Shinn's *Dying City* melds the personal and political in a theatrical crucible that cracks open our response to 9/11 and Abu Graib, and finally Dan LeFranc's *The Big Meal*, an inter-generational play spanning eighty years, is set in the mid-west in a generic restaurant and considers family legacy and how some of the smallest events in life turn out to be the most significant.

*Drama with Children* Sarah Phillips, 1999-05-27 Provides practical ideas for introducing drama activities into the English class, including mime, chants, puppets, role play, and short plays. Shows how the use of drama can improve both speaking and pronunciation, and can also help children to develop self-confidence and express their imagination, personalities and creativity. Demonstrates how activities can be integrated into day-to-day teaching, as well as providing inspiration for performances at open days or end-of-term shows.

*Confessions of a Teenage Drama Queen* Dyan Sheldon, 2010-08-10 Dyan Sheldon's vain, melodramatic, and utterly lovable Lola will appeal to any young reader who has angled for acceptance. Mary Elizabeth Cep (or Lola, as she prefers to be called) longs to be in the spotlight. But when she moves to New Jersey with her family and becomes a student at Dellwood Deadwood High, Lola discovers that the role of resident drama queen is already filled--by the Born-to-Win, Born-to-Run-Everything Carla Santini. Carla has always gotten everything she wants--that is, until Lola comes along and snags the lead in the school play. Can Lola survive Carla's attempts at retaliation? Will Lola and her best friend, Ella, find a way to crash their favorite band's concert hall and farewell party in New York City--to which Carla has already gained entrance? And once the curtain goes up

on the school play, which drama queen will take center stage?

**Drama** David Rockwell, Bruce Mau, 2021 A celebration of the work of contemporary architect David Rockwell, who works at the intersection of architecture and performance This unique insight into the projects and philosophy of renowned architect and Tony Award-winning set designer David Rockwell explores the remarkable range of his work, from restaurants and hotels to museums and Broadway stages. It is the first book to shine a spotlight on the relationship between architecture and performance and features contributions from leading voices and talents in fields as diverse as architecture, lighting design, and the culinary arts. David Rockwell's fascination with theater has long informed his built work. Drama explores the core principles that Rockwell uses to enhance the impact of his architecture, with contributions from experts across the creative world - from record producer Quincy Jones to chef José Andrés. It's both an exciting new insight into the work of an important contemporary architect and a compelling case for the virtues of interdisciplinary collaboration.

**Drama City** George P. Pelecanos, 2013-09-17 Lorenzo Brown loves his work. In his job as an officer for the Humane Society, he cruises the city streets, looking for dogs that are being mistreated - underfed, unclean, trained to kill. He takes pride in making their lives better. And that pride helps Lorenzo resist the pull of easier money doing the kind of work that got him a recent prison bid. Rachel Lopez loves her work, too. By day she is a parole officer, helping people - Lorenzo Brown among them - along a path to responsibility and advancement. At night she heads for the city's hotel bars, where she can always find a man who will let her act out her damage. She loses herself in sex and drink and more. But Rachel's nights are taking a toll on her days. Lorenzo knows the signs. The trouble is, he truly needs her right now. There's an eruption coming in the streets he left behind, the kind of territorial war that takes down everyone even near it. Lorenzo needs every shred of support he can get to keep from being sucked back into that battleground. He reaches out to Rachel - but she may be too far gone to help either of them. Writing with the grace and force that have earned him praise as the poet laureate of the crime world, George Pelecanos has created a novel about two scarred and fallible people who must navigate one of life's most brutal passages. It is an unforgettable, moving, even shocking story that will leave no reader unchanged.

The Drama , 1911

**Drama** John Lithgow, 2011-09-27 In this riveting and surprising personal history, John Lithgow shares a backstage view of his own struggle, crisis, and discovery, revealing the early life and career that took place out of the public eye and before he became a nationally known star. Above all, Lithgow's memoir is a tribute to his most important influence: his father, Arthur Lithgow, who, as an actor, director, producer, and great lover of Shakespeare, brought theater to John's boyhood. From bedtime stories to Arthur's illustrious productions, performance and storytelling were constant and cherished parts of family life. Drama tells of the Lithgows' countless moves between Arthur's gigs—John attended eight secondary schools before flourishing onstage at Harvard—and details with poignancy and sharp recollection the moments that introduced a budding young actor to the undeniable power of theater. Before Lithgow gained fame with the film *The World According to Garp* and the television show *3rd Rock from the Sun*, his early years were full of scenes both hilarious and bittersweet. A shrewd acting performance saved him from duty in Vietnam. His involvement with a Broadway costar brought an end to his early first marriage. The theater worlds of New York and London come alive as Lithgow relives his collaborations with renowned performers and directors, including Mike Nichols, Bob Fosse, Liv Ullmann, and Meryl Streep. His ruminations on the nature of theater, film acting, and storytelling cut to the heart of why actors are driven to perform, and why people are driven to watch them do it. Lithgow's memory is clear and his wit sharp, and much of the humor that runs throughout Drama comes at his own expense. But he also chronicles the harrowing moments of his past, reflecting with moving candor on friends made and lost, mistakes large and small, and the powerful love of a father who set him on the road to a life onstage. Illuminating, funny, affecting, and thoroughly engrossing, Drama raises the curtain on the making of one of our most beloved actors.

Addicted to Drama Dr. Scott Lyons,2023-05-02 With empathy, humor, and unique insight, a psychologist examines drama addiction and charts a path for healing in this groundbreaking book. Do you know someone who seems to thrive on chaos, a person who manufactures crisis where there is none, makes mountains out of molehills, and whose very presence feels like an inescapable whirlwind? You may even label them a “drama queen.” This person might be someone close to you. This person might even be you. In this groundbreaking book, clinical psychologist and mind-body expert Dr. Scott Lyons turns the notion of the “drama queen” on its head, showing that drama is actually an addiction and those who are suffering with it are experiencing a much deeper psychological, biological, and social pain. For a person addicted to drama, the intensity becomes their way of coping. Their life is a constant cycle of crisis, chaos, and chronically high levels of stress. They may never be able to relax without an internal alarm going off, sending them spiraling back toward chaos. Drama is the stirring, the excitement, the exaggeration, the eruption, the unrest, and the medicine to feel alive in relation to the numbing of the internal and external world around them. For a person addicted to drama, the drama is often how they survive—or think they do. With studies, primary research, and patient stories, Dr. Lyons deconstructs this little-understood addiction, sharing: what drama addiction is and what it is not how to identify patterns of drama addiction in yourself and others the somatic effects of drama addiction, including chronic fatigue, autoimmune disease, joint and muscle pains, and other conditions the origins of drama addiction—and how we are heading towards a global pandemic of a dependency on crisis and chaos accessible exercises for recovery and healing Rather than dismiss addiction to drama as just attention-seeking, Dr. Lyons offers clear-eyed empathy, humor, and practical strategies to help us all understand and break free of the drama cycle.

**Seneca's Drama** Norman T. Pratt,1983 With insight and clarity, Norman Pratt makes available to the general reader an understanding of the major elements that shaped Seneca's plays. These he defines as Neo-Stoicism, declamatory rhetoric, and the chaotic, violent conditions of Senecan society. Seneca's drama shows the nature of this society and uses freely the declamatory rhetorical techniques familiar to any well-educated Roman. But the most important element, Pratt argues, is Neo-Stoicism, including technical aspects of this philosophy that previously have escaped notice.

With these ingredients Seneca transformed the themes and characters inherited from Greek drama, casting them in a form that so radically departs from the earlier drama that Seneca's plays require a different mode of criticism. The greatest need in the criticism of this drama is to understand its legitimacy as drama of a new kind in the ancient tradition, Pratt writes. It cannot be explained as an inferior imitation of Greek tragedy because, though inferior, it is not imitative in the strict sense of the word and has its own nature and motivation. Pratt shows the functional interrelationship among philosophy, rhetoric, and society in Seneca's nine plays and assesses the plays' dramatic qualities. He finds that however melodramatic the plays may seem to the modern reader, Seneca's own career as Nero's mentor, statesman, and spokesman was scarcely less tumultuous than the lives of his characters. When the Neo-Stoicism and rhetoric of the plays are charged with Seneca's own tortured, passionate life, Pratt concludes, The result is inevitably melodrama, melodrama of such energy and force that it changed the course of Western drama.
