Drawing Near John Paul Bevere,2006-02-05 In *Drawing Near*, John Bevere invites readers to explore a life of intimacy with God. Emphasizing the need for obedience, he urges us to practice-just as we would practice anything we hope to improve-our communication with the Holy Spirit. Understanding that prayer is a dialogue, not a monologue, Bevere encourages us to listen at the Father's feet. Study questions in each chapter offer opportunity for reflection, and a How to draw near to God section offers practical steps toward developing true intimacy with Him.

Drawing Near John MacArthur,2002-02 A daily devotional guide that uniquely takes an expository, rather than a thematic or topical, approach to Scripture. Each reading provides insight, as well as suggestions for prayer and further study.

Drawing Angels Near Mimi Doe,1997-12 From traditional white-robed, golden-haired seraphs to cats with angel wings, this unique compilation of inspiring words and brilliant color artwork by three- to nine-year-olds reveals the children's perceptions of the beauty and enchantment of celestial beings.

Drawing the Sea Near C. Anne Claus,2020-11-03 How Japanese coastal residents and transnational conservationists collaborated to foster relationships between humans and sea life *Drawing the Sea Near* opens a new window to our understanding of transnational conservation by investigating projects in Okinawa shaped by a “conservation-near” approach—which draws on the senses, the body, and memory to collapse the distance between people and their surroundings and to foster collaboration and equity between coastal residents and transnational conservation organizations. This approach contrasts with the traditional Western “conservation-far” model premised on the separation of humans from the environment. Based on twenty months of participant observation and interviews, this richly detailed, engagingly written

ethnography focuses on Okinawa's coral reefs to explore an unusually inclusive, experiential, and socially just approach to conservation. In doing so, C. Anne Claus challenges orthodox assumptions about nature, wilderness, and the future of environmentalism within transnational organizations. She provides a compelling look at how transnational conservation organizations—in this case a field office of the World Wide Fund for Nature in Okinawa—negotiate institutional expectations for conservation with localized approaches to caring for ocean life. In pursuing how particular projects off the coast of Japan unfolded, *Drawing the Sea Near* illuminates the real challenges and possibilities of work within the multifaceted transnational structures of global conservation organizations. Uniquely, it focuses on the conservationists themselves: why and how has their approach to project work changed, and how have they themselves been transformed in the process?

Created to Draw Near Edward T. Welch, 2020-01-07 You are a royal priest. That Reality Will Change Your Life Human beings are wired for connection. We long for deep relationships and real intimacy—both of which reflect our fundamental desire to be close to God. But all too often, whether because of our sin or our failures, we imagine that God prefers to keep his distance. In this book, Edward T. Welch shows us the purpose for which we were created: to be brought near to God as a kingdom of priests. He traces the priestly identity throughout the entire Bible, showing us how holiness leads to closeness to God. Through the blood of Jesus, God extends his invitation for all to draw near with open arms. And in his presence, we discover what it means to be truly human: known, unashamed, and wise, full of meaning, purpose, and abundant life.

Daring to Draw Near John White, 2008-01-13 In this classic book on prayer, John White presents ten prayers from the Bible, prayers that will take you near to the holy one of the universe, the personal God of each person in the world.

The Deep Nick Cutter, 2015-07-28 A strange plague called the 'Gets is decimating humanity on a global scale. It causes people to forget--small things at first, like where they left their keys, then the not-so-small things like how to drive or the letters of the alphabet. Then their bodies forget how to function involuntarily.

There is no cure. But far below the surface of the Pacific Ocean, a universal healer hailed as 'ambrosia' has been discovered. In order to study this phenomenon, a special research lab has been built eight miles under the sea's surface. When the station goes incommunicado, a brave few descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths...and perhaps to encounter an evil blacker than anything one could possibly imagine--Page [4] of cover.

Drawing Near Pasquale Mingarelli, 2023-06-06 Pasquale R. Mingarelli celebrates God as Creator through photography in his devotional Drawing Near. Drawing Near features the work of professional photographer Pasquale R. Mingarelli, who pairs photographs of the natural world with God's Word. This gorgeous devotional offers readers a delightful way to escape the distractions of this world and intentionally meet with God in a secluded place, just as Jesus did (Mark 1:35). With Drawing Near, believers will dive deep into the context of overlooked Bible verses about nature in order to better understand and know the heart of God. It features Bible passages that address God's power, His wisdom, His glory, His presence and His love. Mingarelli's devotional shows readers how to meditate on and apply these verses throughout the "busy-ness" of everyday life. The beauty of God's creation is meant to be a testament to who He is and how He desires connection with His people. Drawing Near allows those who love to get out in nature to enjoy the world's natural beauty anywhere—from the office breakroom to a quiet room at home, to a park bench beneath an outstretched tree. In a world that demands attention and often pulls people away from God, Drawing Near offers a place of peace and a time with God.

Drawing Near John MacArthur, 2002-02-28 Like newborn

babes, long for the pure milk of the word, that by it you may grow in respect to salvation. 1 Peter 2:2 It's a fact of life: our health declines if we don't nourish our bodies every day with food and water. That's true physically. It's true spiritually as well. If we neglect to regularly feed our souls on the Holy Scriptures, our faith becomes weak and we start to lose touch with our Savior. Growth is stifled... if it happens at all. *Drawing Near*, used daily in combination with God's Holy Word, can not only help bring you closer to God but also keep you from spiritual stagnation. This book will guide you in a growing relationship with Him. As Pastor MacArthur says in his Introduction: Our entertainment-conscious, quick-fix, fast-food society does everything it can to divert us from setting aside time to study God's Word. As you well know from your own efforts, Bible study is not often entertaining—it's hard work. It takes discipline to set aside time each day to reap the benefits such study has to offer. If you reach an impasse when it's time to sit down, open your Bible, and try to decide what to do, you're not alone. Without some plan to follow, it's easy to become frustrated and eventually give up after only one or two days. That's where this book comes in. If you desire greater understanding of the precious Word of God, if you want a daily guide to draw you closer to the Lord, this outstanding collections of 365 devotional readings by one of America's most respected and trusted Bible teachers is for you!

A Church Drawing Near Paul Avis, 2004-01-01 The book begins by defining the core tasks (or mission) of the Church in biblical and theological terms, and then asks how these tasks can best be carried out in the conditions of modernity and post-modernity. Paul Avis describes and evaluates contemporary expressions of spirituality, drawing on many empirical studies; the functions of the Church's 'occasional offices' or rites of passage; the ways in which the Church and its ministers can engage constructively with the community and with civil society; the pastoral method in mission and its practical, policy consequences. Throughout the

book Avis urges the imperative for the Church and its ministers to break out from the privatization of Christian values into full participation in contemporary social issues and public life. This book is an authoritative and interdisciplinary study of theology and practice: a much-needed applied theology of mission and ministry for today.
