**The Last Lecture** Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Enter Dave Shepard, deputy sheriff for the area. Dave has been fervently trying to

find the man who killed George Gallatin, but he always feels inadequate when it comes to the beautiful Lacy. When they are together, the tension crackles between them--both when they argue and when they kiss. Lacy finds him frustratingly irresistible...but is it truly love?

The Dream of God Verna J. Dozier,2021-08-17 A beloved teacher helps modern people live the Bible's message more fully. Respected teacher and author Verna Dozier explores the ways that humanity and the institutional church have strayed far from Jesus's original message. To help us get back on track, she examines the Bible: a theological and historical record of hundreds of years in which two communities of faith (Jewish and early Christian) explored their own life experiences. Our task now is not to ask which interpretations are correct, but to ask "what did it mean to them" and "what does it mean for us?" Dozier encourages us to see Christianity not as creed or institution, but as "the vision of a new possibility for human life rooted in an ancient understanding of God and lived out by a Nazarene carpenter." Through adept storytelling and study, Dozier reawakens our sense of calling and our desire for truth. This new and revised edition includes a new foreword by Sophronia Scott and a study guide.

remarkable personal narratives of our age. Now, in her fourth volume, *The Heart of a Woman*, her turbulent life breaks wide open with joy as the singer-dancer enters the razzle-dazzle of fabulous New York City. There, at the Harlem Writers Guild, her love for writing blazes anew. Her compassion and commitment lead her to respond to the fiery times by becoming the northern coordinator of Martin Luther King's history-making quest. A tempestuous, earthy woman, she promises her heart to one man only to have it stolen, virtually on her wedding day, by a passionate African freedom fighter. Filled with unforgettable vignettes of famous characters, from Billie Holiday to Malcolm X, *The Heart of a Woman* sings with Maya Angelou's eloquent prose -- her fondest dreams, deepest disappointments, and her dramatically tender relationship with her rebellious teenage son. **The Care We Dream Of** Zena Sharman,2021-10-05 What if you could trust in getting the health

care you need in ways that felt good and helped you thrive? What if the health system honored and valued queer and trans people's lives, bodies and expertise? What if LGBTQ+ communities led and organized our own health care as a form of mutual aid? What if every aspect of our health care was rooted in a commitment to our healing, pleasure and liberation? LGBTQ+ health care doesn't look like this today, but it could. This is the care we dream of. Through a series of essays (by the author and others) and interviews, this book by the editor of the Lambda Literary Award-winning anthology *The Remedy* offers possibilities—grounded in historical examples, present-day experiments, and dreams of the future – for more liberatory and transformative approaches to LGBTQ+ health and healing. It challenges readers to think differently about LGBTQ+ health and asks what it would look if our health care was rooted in a commitment to the flourishing and liberation of all LGBTQ+ people. This book is a calling out, a calling in and a call to action. It is a spell of healing and transformation, rooted in love.

**Faith in the Dream** Deval Patrick, 2012-05-08 The American Dream is founded on the ideals of equality, opportunity, and fair play. These are moral reference points for Americans, matters of conscience. History has shown us time and again that these ideals are motivating. My own life, and the lives of millions of Americans through generations, has demonstrated their power. We need to stop confining our ideals to national holidays and static monuments, and bring them back into our conversations and our politics. We need to let them lead us to the right choices and away from the wrong ones. This is the essence of patriotism. As we decide what kind of country we want to live in, it is time for America's true patriots, by whatever political label, to shape the fate of the nation. *Faith in the Dream* is a short but powerful eBook and a call to action by one of the nation's most inspirational public figures, Massachusetts Governor Deval Patrick. Our country is at a critical crossroads and Americans of all political persuasions sense that something significant is at stake. In this first-of-its-

kind eBook, designed to launch a nationwide online conversation, Governor Patrick shows how and why the American Dream itself--the ability of future generations to inherit a country and a life better, more prosperous, and more progressive than that of their forbears--is today very much up for grabs, and what we must all do to restore it. The challenges are daunting, but we cannot sink into anger, defeat, or despair; we must rise to the challenge of protecting the American Dream at all costs. Governor Patrick offers us a path for the future that is built on the best time-honored values of our past and on the powerful role that citizens can play when they come together in support of the common good. Rather than attack government, give up on it, or take it for granted, Patrick heralds our responsibility as Americans to reclaim it, and demand that political leaders stay true to our country's most fundamental values. Capitalizing on the power of our digital age, Faith in the Dream serves as a launching point for a new nationwide dialogue with readers, who are encouraged to share their thoughts and success stories at [www.faithinthedream.com](http://www.faithinthedream.com) regarding what they, and other advocates and leaders they know, are currently doing to improve their communities and country. Offering a modern twist on the time-honored tradition of political pamphlets and perfectly timed for this election season, this is a must-read book--and a stirring invitation to participate--for anyone who cares about the fate of our nation and the sanctity of the American Dream.

Julian's Dream Phone Le Roy J. Snyder, 2004-06 Always Tomorrow, A Mother Abandoned is a personal candid account of the author's attempt to rebuild her life in the face of a failed marriage, while being abused and abandoned by her children and the ensuing custody battle of her youngest. A personal story of human challenge and courage told with dignity. It offers painful, honest memories combined to create an emotionally charged tale. The story deals with abandonment, spiritual growth, divorce, and all forms of abuse, not only by a spouse but by children as well. It shows the personal

growth potential in all of us while depicting how difficult a struggle it still is for women today to rise above the Side-Show we call divorce and go on to live a separate successful life with dignity. It gives us some insight as to the bitterness of the divorce procedure and how out court system works through the eyes of a woman going through emotional turmoil. It also shows that we can all survive if we believe in ourselves. Recommended for its heartfelt story of the author's triumph over the many obstacles that stood in the way, and for its inspiring testimony to durability and determination, based on strong faith.

**A Dream Foreclosed** Laura Gottesdiener, 2013 Real-life stories of how banks are ravaging the country--particularly African American communities--and how some families have joined together to fight back. The ongoing economic crisis has created one of the longest and largest mass displacements in U.S. history. While profiting from government bailouts, banks have evicted more than ten million Americans from their homes, destroying their life savings, their economic security and their dreams. Told through the eyes of four families, *A Dream Foreclosed* reveals the ongoing human tragedy of the crisis--and the spectacular possibilities that emerge when everyday people challenge the all-powerful corporations that the U.S. government considers 'too big to indict.'--Cover p. [4].

*My Dream Man* Aditi Bose, I don't know if I can do a story like this once again or not. Ajopa Ganguly, a struggling writer, is reeling from the pains of her manuscript having been rejected by all publishers. She knows that making cupcakes and embroidering handkerchiefs is not her true calling.

However, she is scared to write anymore and is losing focus. Aniket Verma, is the professor of economics who was also Ajopa's tuition teacher once. Despite their twelve years age gap, with time, they forge a special bond of friendship. Then a misunderstanding! Now Aniket is back and it feel just like old times. With a challenge of finishing a new manuscript in record time and a promise that he will help her to get it published if she does, he asks her to meet him at the publisher's office two days later. Does she write? Does she go to the publisher's office? At what moment does their friendship change? Do they fall in love? My Dream Man, a let-me-tell-my-friends and I-need-to-finish-this-now story, is an insightful examination of how forces beyond our control help us make decisions. As Ajopa says, it is all about 'deep choosing'.
