

Dream Cruise

Vern and Connie Madison

The Cruise of the Dream Ship Ralph Stock,1921 Well illustrated memoir of a round the world voyage by an English yacht, the final third devoted to experiences around the Great Barrier Reef, Thursday Island and the Torres Strait, and in the Gulf of Carpentaria.

DREAM CRUISES Imagine Media LLC,2007-10-12 Tips for Booking Trips on All Budgets-from \$1,000 to \$1,000,000 Kevin compares cruise ships and yacht charters to showcase the biggest advantage of the latter: personalized comfort. -Soundings Charter cruising comes in many flavors, from fully crewed luxury megayachts to pilot-your-own bareboats, and Kim Kevin has sampled just about all of them. -Offshore Say good-bye to lengthy security lines, overpriced piña coladas, and jam-packed shore excursions. Never again will your cruise vacation include jostling with crowds, squishing into a kiddie-filled swimming pool, or rushing back from a land tour in time for a pre-assigned dinner seating on a massive, impersonal ship. Dream Cruises introduces you to the joys of private yacht charter vacations, a fast-growing and often surprisingly affordable alternative to cruise ships. With charters, you get the whole boat for your family and friends, with a crew catering only to you, and you go wherever you choose-from Alaska to the South Pacific. Based on first-hand experience as well as advice and information from sixty charter-industry experts worldwide, Dream Cruises explains which kinds of yachts are available, where to book them, how to find a trustworthy broker, what you can expect to pay, and much more. Why book another cabin when you can have the whole boat for yourself?

Joyride Detroit Free Press Staff,2004 This book is a photographic celebration of the Woodward Dream Cruise, which began in 1995 as a modest fund-raiser for a children's soccer field and now attracts nearly 2 million auto fans from around the world every year. The book is full-color throughout.

The Dream Cruise Dr Jerome Chaumley,2016-06-02 The

Dream Cruise has been around for many years. Since I have been around the Dream Cruise when it was started and I saw how it evolved into the World's largest road rally, I decided to write a book about it. The Dream Cruise is so beloved by everyone, I wanted everyone to know the true story about it. I've told some people about the Dream Cruise story but now I want to share the story with everyone.

Dream Machines Ron Lundmark, 2013-08-06 Mattie and Jason chose the Saturday of the annual Woodward Dream Cruise in Detroit as their wedding day. They love watching the parade of 40,000 classic cars and hot rods cruise Woodward. One week before their wedding, at a two-family meet-and-greet, their grandfathers recognize each other from a Woodward drag race over a girl in 1965 that was interrupted. They swore to God that someday they would finish the race. Their anger had been a festering wound for fifty years. A 50 year old grudge and they kept their old hot rods, just in case. They challenge each other to a final race on Woodward, Friday night, just like in 1965. All they have to do is restore the hot rods in one week and race the night before the wedding and the Dream Cruise. What could go wrong? Plenty. "Dream Machines races into our hearts. There is so much to love about this delightful story. It doesn't get much better than drive-in restaurants, waitresses on roller skates, vanilla shakes, and drag races. "At the heart is the theme of a family coming together as they let go of past grudges and learn what is truly important in life. The plot is fun, entertaining and cleverly crafted. There are genuine laughs, and the characters are colorful and come to life. We fall in love with all of them. "We have no doubt that readers and audiences of all ages will smile as they enter the world of Dream Machines." —Terri Zinner, Afilmmwriter.com

Dream Cruising Destinations Vanessa Bird, 2015-09-24 Most yachtsmen dream about cruising to an exotic destination; this is the book that will turn dreamers into planners. 24 classic cruises

are fully mapped, measured and costed, showing how they are perfectly possible whatever your skill level. From weekend cruises around the British Isles to a voyage to Antarctica, and from Greek island cruises to an escape to the Virgin Islands, this book explores where to go, why, how to get there and what to expect en route. The book breaks down each cruise into important considerations, such as what type of boat is needed, what level of skill or qualifications are required, whether it is a suitable journey to undertake with a young family, what possible dangers might influence any decision (from extreme weather to the threat of piracy), and most obviously, cost. Covering popular, exotic cruising destinations such as Thailand and the Virgin Islands, as well as unexpected, almost secret routes along the US Intracoastal Waterway and French canals, as well as proper adventures (including both Atlantic and Pacific crossings), this inspirational may be the starting point for the voyage of a lifetime.

Motor City Dream Cruise David R. Degregory, 2014-06-24

They were car guys and they were getting old. Johnny, Cecil, Mike, Tommy, Kyle and Greg; friends since high school; men in their mid-sixties; more than any other signifier they could imagine, they were car guys. Their garages are filled with shrines of pristine pistons and finely polished chrome. Aged autos far from dinosaurs, they were without flaw, cared for meticulously like the children of first-time parents, and loved unconditionally, even when a distributor cap wouldn't budge. They were bragged about and they were touched up regularly. Their owners, though, unlike the cars, were undoubtedly falling apart. Whether it was blood pressure, cholesterol, hips needing replacement or little blue pills hidden in coat pockets, their bodies were beginning to require more attention than their cars. Despite their aging bodies, it was time for the Dream Cruise, the once a year Detroit event for guys to show off their cars, get into a little bit of trouble and, more importantly than anything else, bond with their friends, and the guys were undoubtedly ready.

Living the Dream Vern and Connie Madison, 2005-08-10

About our Book Living the Dream is the true-life adventure story of our seven-year cruise from Newport, Oregon, to Phuket, Thailand in the 35-foot steel-hulled sailboat, Tainui. This book gives a true picture of what it's really like for a retired couple to live their dream of full time cruising to far away places: the highs of beautiful sailing days, snorkeling off pristine coral, anchoring in tropical lagoons, exotic cultural experiences, and the fellowship of the cruising community--but also fear in storms, the exhaustion of sleepless night watches, discouragement of endless boat maintenance, and a rusting through of Tainui's hull. Although we

wrote *Living the Dream* for a general audience, serious sailors will find a wealth of helpful cruising information and steel boat owners will profit from our significant learning experiences in our maintenance of Tainui's steel hull. About us We began our lives far apart--Connie in parts of Californis that were far from the sea and with no aspirations to cross oceans and Vern in the busy seaport city of Seattle dreaming of sailing away some day. We eventually met at the University of Washington, married, started or family and careers--Vern as a social worker and Connie as a teacher. It was our four years of living with our family in Malaysia while Vern was on the staff of the Peace Corps there that sparked our desire to one day be full time world travelers.
