**The Dream Merchant** Fred Waitzkin,2013-03-26 A powerful, exquisitely written tale about a charismatic yet morally ambiguous salesman Jim can sell anything to anyone. Born into abject poverty, he uses street smarts, irresistible charms, and increasingly sophisticated schemes to pull himself up from door-to-door salesman to international mogul, the father of the pyramid scheme. Jim becomes fabulously wealthy, owning estates and dining with royalty, but along the way he leaves an army of disillusioned customers broke and ruined in his wake. To escape his past, as well as government investigators, he leaves the country to become the leader of a lawless and predatory gold-mining operation in the Brazilian Amazon---an entirely lush, violent, dissolute life. Worn down by age, and a lifetime of shady enterprise, his world suddenly changes when he meets Mara, a beautiful, young Israeli woman with dark ambitions of her own. In the process of their unlikely life together, Mara finds herself attracted to this ruined old man, as if his profligate history of glory and big money, and finally his weakness and proximity to death, creates an urgency and eroticism for her. Narrated by an anonymous writer who is equally mesmerized and repulsed by Jim, Fred Waitzkin's *The Dream Merchant* is an unwavering look at the price of heedless ambition, the indissoluble bonds of male

friendship, and the unsettling nature of love and sexuality.

### **Dreams - the 60Th Part of Prophecy** Deborah M.

Miller,2018-10-15 These are images and words in the night. “In a dream, in a vision of the night, when deep sleep falls upon men, while slumbering on their beds, when he opens the ears of men, and seals their instruction” (Job 33:15-16 NKJV). Until you get to the place where you have extracted certain behaviors from your system, one needs God to have something to put in your face. Many times, God has to go outside of our spiritual capacity and connect us to something psychologically or scare us with some kind of threat in order to keep us until we can walk as he wants us to walk. He uses consequences and deterrents that catch us quickly. They catch you on the way so you don't get too deep into something that is going to take half of your mind to get out of it. “You don't want to go to the edge of your mind to change your mind in order to do a different behavior” (Noel Jones). Within the context of this reference, those catalysts, consequences, and deterrents are your dreams.

*Alethea's Dreams* Daniel B. Martin,2021-06-01 With the full weight and gravity of the world pressing down upon her Alethea, the Greek Goddess of Truth, rests in an uneasy slumber. Alethea's Dreams become embodied and enlivened through this collection of stories. Begging to be uncovered, unearthed and awakened, her concern for humanity manifests in the curiously tragic, romantic and insightful lives of her dream's main characters. As the winds of change blow, the dirt of modernity is whisked away. The nature

of her truth resurfaces and becomes exposed in a myriad of times and places. From the slave pit of a rock quarry to the King's table, along distant mountain passes and the many endless highways of civilization, between the lines of blank pages, in the heart of modern suburbia, underneath the red berries of a threatened coffee farm that rests deep in the El Salvadorian jungle, stuck under the surgical knife in a flickering makeshift operating room amidst the chaotic throngs of war, across time and space into our most painful traumatic pasts, unto our unfolding futures and beyond, Alethea and her dreams take us underneath the surface of our illusions to the distant future that our hearts all long for. These are Alethea's Dreams.
