A Czech Dreambook Ludvík Vaculík,2019-10-01 It's 1979 in Czechoslovakia, ten years into the crushing restoration of repressive communism known as normalization, and Ludvík Vaculík has writer's block. It has been nearly a decade since he wrote his last novel, and even longer since he wrote the 1968 manifesto, *Two Thousand Words*," which the Soviet Union used as one of the pretexts for invading Czechoslovakia. On the advice of a friend, Vaculík begins to keep a diary: a book about things, people and events." Fifty-four weeks later, what Vaculík has written is a unique mixture of diary, dream journal, and outright fiction - an inverted roman à clef in which the author, his family, his mistresses, the secret police and leading figures of the Czech underground play major roles.

Smiley's Dream Book Jeff Smith, 2018 Smiley Bone goes to fantastical lengths while counting birds in the forest.

Dreambook Sebastian, 2019-10-17 "Now come the Shapers of the ancient days To change all to dust or gold. Like a golden Sun is revealed by the passing Clouds, so these secrets now unfold." DreamBook shares the mythology of The Prooimia, a tale of a little girl who meets an Ælve queen and is told that a son with great power would be incarnated through her. The Prooimia continues into her adult life, and regales with stories about her translocation inside of trees, her encounter with the Hobgoblin Horde, the death of her husband, and her abduction and encounter with a Wolvlinga. This encounter leads to a great battle between four Ælves and thousands of Waelwulfas, Kwizir and Melchizedecks. DreamBook also contains The Book after the Prooimia – Jaddamiah Jabberwocky. The story continues with a certain Jaddamiah Jabberwocky, who sets off from the same village as Hyperion (the little girl from The Prooimia), to fight the Meline Dragon with a glaive that is not his own, in a town he has never been to. It is a most fascinating tale, filled with magickal creatures, monsters and dwarves, a dragon, nymphs and dryads. It speaks of dwhëels who save the day and climaxes with the Battle of qêl Dmâ, where thousands are slain and the sibling shapeshifters – Búbgaz 'the Destroyer' and Búbkalu 'he who makes those who run stand still' – exact the will of their Bele Kaadom 'he who overpowers with doom'. More importantly, it is a tale of the mighty power of the Ælves. The Ælves!

Desert to Dream Barbara Traub, 2011 Offers a photographic record of the annual event held in the Black Rock Desert in Northern Nevada, from its beginning as a performance art exhibit to its current status as a pop culture destination.

A Dreambook for Our Time Tadeusz Konwicki, 1976 We live, as we dream--alone, Conrad revealed in Heart of Darkness. This novel by Tadeusz Konwicki, a Pole writing in his own language, is

an extension of the theme of dream and life and their interlocking realities, and man's attempt to come to meaningful and personal terms with an existential and absurd universe. The antihero (in the Camusian sense) is shown at the opening of the novel just coming out of a coma, having tried to commit suicide by poison. He is surrounded by provincial townsfolk, villagers who in their isolation and emotional impoverishment have turned their energies to creating a new religion--a private God, non-identifiable as either Christian or non-Christian. Called one of the most terrifying novels in postwar Polish literature, ...greeted upon its appearance (in 1963) as a major literary sensation (Czeslaw Milosz, *History of Polish Literature*), the novel moves through a series of flashbacks between present reality and recalled experiences. The language is that of a dream sequence with metaphors of nightmarish quality, both in intensity and illogicality. The young Pole who narrates his experiences reveals himself to be caught up in a labyrinth leading nowhere, driven by an urge which ultimately is a need for punishment, and represents man's longing for a responsive and benevolent force over his destiny. Acutely feeling the lack, faced with a godless universe, he sees his choice to be between selfassertive survival at any price--moral, sensual, intellectual--or the selfpronouncement of worthlessness and the denouement of peace attained by suicide. The hero escapes death and is condemned to death-in-life. Konwicki's descriptions of the brutal mutual massacres of some of the war experiences of the narrator are unforgettable in their irony. The dialogue is witty and ironic, and retains the vernacular thrust of the Polish original. The author's experience as director and script writer earned him a Grand Prix (1958) at Venice for a film entitled *The Last Day of Summer*. His vivid awareness of the passing values in an increasingly superficial world of interrelationships and goals makes this passionate work a powerful indictment of modern man's progress in guilt and war and his impotence in melding his idealistic dreams and his life.

Dreambooks in Byzantium Steven M. Oberhelman, 2016-05-13 *Dreambooks in Byzantium* offers for the first time in English translation and with commentary six of the seven extant Byzantine oneirocritica, or manuals on the interpretation of dreams. (The seventh, *The Oneirocriticon* of Achmet ibn Sereim was published previously by the author.) Dreams permeated all aspects of Byzantine culture, from religion to literature to everyday life, while the interpretation of the future through dreams was done by professionals (emperors had their own) or through oneirocritica. Dreambooks were written and attributed to famous patriarchs, biblical personages, and emperors, to fictitious writers and interpreters, or were copied and published anonymously. Two types of dreambooks were produced: short prose or verse manuals, with the dreams usually listed alphabetically by symbol; and long treatises with subject matter arranged according to topics and with elaborate dream theory. The manuals were meant for a popular audience, mainly readers of the middle and lower classes; their content deals with concerns like family, sickness and health, poverty and wealth, treachery by friends, fear of authorities, punishment and honor-concerns, in other words, that pertain to the individual dreamer, not to the state or a cult. The dreambook writers drew upon various sources in Classical and Islamic literature, oral and written Byzantine materials, and, perhaps, their own oneirocritic practices. Much of the source-material was pagan in origin and, therefore, needed to be reworked into a Christianized context, with many interpretations given a Christian coloring. For each dreambook the author provides a commentary focusing on analyses of the interpretations assigned to each dream-symbol; historical, social, and cultural discussions of the dreams and interpretations; linguistic, lexical, and grammatical issues; and cross-references with Achmet, Artemidorus, and the other Byzantine dreambooks. There are also introductory chapters on Byzantine dream interpretation; the authors,

their dates, and sources; the manuscripts of the dreambooks; and a lengthy discussion of the contribution of these dreambooks to psychohistory, cultural history, historical sociology, and gender studies. The book is unique in that it offers a full study, through translation and commentary, of the oneirocritica to a wide audience - Byzantinists, Arabists, cultural historians, medievalists (several of the Byzantine dreambooks were translated into Latin and became fundamental dream-texts throughout the Middle Ages), and psychohistorians, all of whom will find the book useful in their study of dreams, transmission of Arabic sources by Byzantine authors, and cultural anthropology. Together with the Oneirocriticon of Achmet, it offers a complete study of dream-interpretation in medieval Greece.

Serbian Dreambook Marko Živković, 2011-04-29 The central role that the regime of Slobodan Milošević played in the bloody dissolution of Yugoslavia is well known, but Marko Živković explores another side of this time period: the stories people in Serbia were telling themselves (and others) about themselves. Živković traces the recurring themes, scripts, and narratives that permeated public discourse in Milošević's Serbia, as Serbs described themselves as Gypsies or Jews, violent highlanders or peaceful lowlanders, and invoked their own mythologized defeat at the Battle of Kosovo. The author investigates national narratives, the use of tradition for political purposes, and local idioms, paying special attention to the often bizarre and outlandish tropes people employed to make sense of their social reality. He suggests that the enchantments of political life under Milošević may be fruitfully seen as a dreambook of Serbian national imaginary.

The Russian Dreambook of Color and Flight Gina Ochsner,2011-02-15 The tenants of a post-Soviet slum face the absurdity of Russian life in this Flannery O'Connor Award-winning debut novel "of startling redemptive beauty" (TheNew York Times Book Review). In a crumbling apartment building in post-Soviet Russia, there's a ghost who won't keep quiet. Mircha fell from the roof and was never properly buried, so he sticks around to heckle the living: his wife, Azade; Olga, a disillusioned translator/censor for a military newspaper; Yuri, an army veteran who always wears an aviator's helmet; and Tanya. Tanya carries a notebook wherever she goes, recording her observations and her dreams of finding love and escaping her job at the All-Russia All-Cosmopolitan Museum, a place which holds a fantastic and terrible collection of art knockoffs created using the tools at hand, from foam to chewing gum, Popsicle sticks to tomato juice. When the museum's director hears of a mysterious American group seeking to fund art in Russia, it looks like she might get her chance at a better life, if she can only convince them of the collection's worth. Enlisting the help of Azade, Olga, and even

Mircha, Tanya scrambles to save her dreams and her neighbors, and along the way discovers that love may have been waiting in her own courtyard all along. This is a “delightful” novel by an author who has won two Oregon Book Awards and the Raymond Carver Prize, among other literary honors (Minneapolis Star-Tribune). “A crazy adventure of the imagination . . . [that] has echoes of Jonathan Safran Foer’s *Everything Is Illuminated*, Gary Shteyngart’s laugh-out-loud *Absurdistan* and Olga Grushin’s more romantic *The Dream Life of Sukhanov*.” —The Observer (UK)
