Dress Me Up! Maria Carluccio,2018-04-17 In this dress-up novelty board book, flip the patterned flaps to change each character's outfit! Young readers start by choosing a character they like, each with three die-cut items of clothing. Then they select 3 of the colorful, patterned flaps from the back of the book. Placing the flaps under the die-cuts, readers can mix and match patterns and palettes until they've settled on the most fabulous combinations, delighting in the ensembles that result! This introduction to collage, color, and pattern—minus the mess of an art project—offers portable and contained creativity for on-the-go fun!

Will Work for Prom Dress Aimee Ferris,2011-02-08 Quigley Johnson has, reluctantly, given up the rest of her last year of high school to take part in her best friend Ann's Betterment Plan, which will turn them into the best-dressed, most sought-after, most admired girls at their senior formal. Because - hey - who doesn't want the perfect prom, complete with a dream dress and a devastatingly handsome date? But the prom costs money - lots of money - and even though the girls could easily have Ann's mom design their dresses (she's only Victoria Parisi, one of the most famous designers in the world), Ann insists that they pay their own way. And that's how Quigley gets stuck making artistic topping masterpieces on frozen pizzas canvases, before becoming a live model for Ms. Parisi's fashion design class, where she meets Zander. He's cute, and cool, and funny, with a killer design sensibility (even if he can't sketch). But is he too good to be true? And what about David, the hot, talented artist at school, who's also kind of a jerk, but won't leave Quigley alone? And Ann - she started the Betterment Plan to improve Quigley and herself, but it seems like it's ripping their friendship to shreds. This road to the prom dream may just end in disaster.

Top Ten Uses for an Unworn Prom Dress Tina Ferraro,2008-12-18 Sophomore year, Nicolette Antonovich was dumped two days before prom by the

hottest guy at school. As a result, she became the proud owner of one unworn, perfectly magical pink vintage dress. But Nic is determined to put that night behind her for good. She's a junior now— older, wiser, and completely overwhelmed by a new set of problems: (1) The bank's ready to foreclose on her childhood home. (2) Her father's too busy with his replacement daughter to care. (3) Her best friend's brother is an eternal thorn in her side. (4) Her best friend isn't exactly the rose attached to that thorn. (5) Rumors are flying around school that could get her kicked off the volleyball team, which would (6) ruin all chances of a college scholarship. (7) She still likes the boy who dumped her in the first place. (8) And what in the world do you do with an unworn prom dress, anyway? Strangely, it's getting to the bottom of this last dilemma that just might hold the answer to all Nic's problems.

Dress Me! ,2015-05-05 A young girl makes her way through a variety of career possibilities—dancer, doctor, superhero, plumber—in a variety of costumes. She can be graceful, creative, brave, caring, silly, and even scary. She can wear braids or glasses, a crown or a beret. No matter what she chooses, her puppy is twirling, painting, and hammering right beside her, often with an accessory of his own. The story is simple and yet suggests infinite, limitless opportunities and the little girl's right to choose who and what she wants to be. The message is one of exploration, choice, and self-expression. And ultimately another option for the little girl is to be “just me.” From the author and illustrator of *Paint Me!* comes a new story that teaches children to explore and to be open-minded. Featuring simple text but an inspiring story and lovely, detailed illustrations, *Dress Me!* is sure to charm young readers and parents alike. Kandi's Story Sheron Steward, 2019-06-18 I never like being dressed up, but sometimes, you have to do things you don't like, like playing Santa Claus. At least I got a cookie for that one. Then there was the time I wore that ugly sweater. The best time was when I found an egg in the yard, and the little people started chasing me. They wanted to take my egg, but I wasn't about to give it up. I was happy when my friends came to visit, but glad when they left. We would run through the backyard or go for long walks. Sometimes, when I was out, I would find new friends, like a bird or a squirrel or even a rabbit. When I ran after them to play, they would always fly off or run away. Then one day, I couldn't find Blue. I searched everywhere and looked through all my toys, but Blue was nowhere to be found.
