Life Makeover Dominique Sachse,2022-04-05 Have you ever been so overwhelmed by responsibilities or other people's needs that you forgot to make time for yourself? They say beauty is only skin-deep, but there is power in embracing your outward beauty as the first step in living with internal boldness, confidence, and renewed joy. An outside-in approach to beauty isn't for other people's perception of you, but for your interpretation of yourself and how much you're willing to explore. Sachse has confirmed the unmistakable link between external appearance and self-confidence, and she wants to show you how to rekindle both. In the pages of this book, Sachse offers a vulnerable look into her own mistakes and imperfections and explains how making over her outward appearance resulted in a happier and healthier version of herself—emotionally, spiritually, and physically. Filled with confidence-boosting wisdom about cultivating rest and lifegiving hobbies, Sachse shows you: how making small changes to your outward appearance can be a pathway to building confidence and making other new transformations in your life practical tips about hair, makeup, and fashion from an expert the benefits of taking bold risks – your life is too valuable to be left on autopilot how to analyze your past and see where you self-sabotaged, and look for traits that served you well and can serve you in the future Sachse knows no amount of makeup can compare to the look of a confident, classy, and kind woman, and that there's nothing like the glow that comes from inner beauty. It's time to discover—or rediscover—who you really are and live your life to the fullest.

The Makeover in Movies Elizabeth A. Ford,Deborah C. Mitchell,2004-03-31 The plots of many films pivot on the moment when a dowdy girl with bad hair, ill-fitting outdated clothing, and thick glasses is changed into an almost unrecognizable glamour girl. Makeover scenes such as these are examined beginning with 1942's *Now, Voyager*. The study examines whether the film makeover is voluntary or involuntary, whether it is always successful, how much screen time it takes up, where in the narrative structure it falls, and how the scene is actually filmed. Films with a Pygmalion theme, such as *My Fair Lady*, *Vertigo*, and *Shampoo*, are examined in terms of gender relations: whether the man is content with his creation and what sort of woman is the ideal. Some films' publicity capitalizes on a glamorous star's choice to play an unattractive character, as discussed in a chapter examining stars like Bette Davis, Meryl Streep, and Cameron Diaz. Topics also include folk literature's Cinderella tale, men as the inspiration for makeovers in teen flicks films like *Clueless*, *She's All That*, and *Me*,

Natalie, and class repositioning in such movies as *Working Girl*, *Pretty Woman*, and *Grease*.

Photographs are presented in a before/after format, showing the change in the makeover character.

In This House, We Will Giggle Courtney DeFeo, 2014-10-07 What do indoor picnics and funny face contests have to do with loving Jesus? More than you realize! As a mom in the throes of parenting, Courtney DeFeo believes that instilling virtues in children starts with laughter, not lecture. That perspective propelled her to create this idea-packed book, in which she offers motivating reflections,

real-life stories, and a sandbox full of inventive ways to help you turn your kids' hearts toward God. Each chapter focuses on one virtue that is key for developing your child's character. Along with insights into how this virtue plays out in the nitty-gritty of life, Courtney includes a memory verse, activity ideas, and discussion questions to reinforce that virtue throughout the month. Here you'll find a full year of ways to draw your children closer to God through delightful antics like Family Olympics, One Fancy Feast, and Light 'Em Up. In This House, We Will Giggle shows you how to capture the hearts of your children through fun—so that they experience the goodness of Christ, the joy of following Him, and the difference they can make in the lives of others. (Water balloons not included!)

Vegan Love Maya Gottfried, 2017-04-18 In ever-increasing numbers, people around the world are opting for a vegan lifestyle (eating a plant-based diet and eschewing animal products such as leather), and those who do report feeling happy and healthier, with boundless energy and glowing skin among the benefits. But what happens when their love interest unapologetically orders a steak on a date? *Vegan Love* offers guidance on how to spread the vegan love and bring compassion for all beings into one's romantic life. Going cruelty-free need not mean alienating potential partners or long-term lovers. Author Maya Gottfried shares her experiences of going vegan and playing the vegan dating game, as well as insights by notable vegan women, both straight and LGBT, from various walks of life, including Jane Velez-Mitchell of *JaneUnchained.com*; Marisa Miller Wolfson of the film *Vegucated*; Jasmin Singer, author of *Always Too Much and Never Enough*; and Colleen Patrick-Goudreau of the *Food for Thought* podcast. *Vegan Love* also features a wealth of fun, practical advice about vegan makeup, vegan clothes, and vegan weddings, with a detailed resource guide.

Nancy Meyers Deborah Jermyn, 2017-07-27 Nancy Meyers is acknowledged as the most commercially successful woman filmmaker of all time, described by Daphne Merkin in *The New York Times* on the release of *It's Complicated* as a singular figure in Hollywood – [she] may, in fact, be the most powerful female writer-director-producer currently working. Yet Meyers remains a director who, alongside being widely dismissed by critics, has been largely absent in scholarly accounts both of contemporary Hollywood cinema, and of feminism and film. Despite Meyers' impressive track record for turning a profit (including the biggest box-office return ever achieved by a woman filmmaker at that time for *What Women Want* in 2000), and a multifaceted career as a writer/producer/director dating back to her co-writing *Private Benjamin* in 1980, Meyers has been oddly neglected by Film Studies to date. Including Nancy Meyers in the *Bloomsbury Companions to Contemporary Filmmakers* rectifies this omission, giving her the kind of detailed consideration and recognition she warrants and exploring

how, notwithstanding the challenges authorship holds for feminist film studies, Meyers can be situated as a skilled 'auteur'. This book proposes that Meyers' box-office success, the consistency of style and theme across her films, and the breadth of her body of work as a writer/producer/director across more than three decades at the forefront of Hollywood, (thus importantly bridging the second/third waves of feminism) make her a key contemporary US filmmaker. Structured to meet the needs of both the student and scholar, Jermyn's volume situates Meyers within this historical and critical context, exploring the distinctive qualities of her body of work, the reasons behind the pervasive resistance to it and new ways of understanding her films.
