Princesses Behaving Badly Linda Rodriguez

McRobbie,2013-11-19 These 30 true stories of take-charge princesses from around the world and throughout history offer a different kind of bedtime story . . . Pop history meets a funny, feminist point-of-view in these illustrated tales of “royal terrors who make modern gossip queens seem as demure as Snow White” (New York Post). You think you know her story. You’ve read the Brothers Grimm, you’ve watched the Disney cartoons, and you cheered as these virtuous women lived happily ever after. But real princesses didn’t always get happy endings—and had very little in common with Cinderella, Sleeping Beauty, Belle, or Ariel. Featuring illustrations by Wicked cover artist, Douglas Smith, *Princesses Behaving Badly* tells the true stories of famous (Marie Antoinette; Lucrezia Borgia)—and some not-so-famous—princesses throughout history and around the world, including: • Princess Stephanie von Hohenlohe, a Nazi spy. • Empress Elisabeth of the Austro-Hungarian Empire, who slept wearing a mask of raw veal. • Princess Olga of Kiev, who slaughtered her way to sainthood. • Princess Lakshmibai, who waged war on the battlefield with her toddler strapped to her back. Some were villains, some were heroes, some were just plain crazy. But none of these princesses felt constrained to our notions of “lady-like” behavior.

Mrs. Perfect Jane Porter,2008-05-05 As a young California girl growing up in a blue collar neighborhood, Taylor Young dreamed of being popular, beautiful, and acquiring a wardrobe to die for. Not to mention marrying a handsome, successful man and living happily ever after in a gorgeous house with three wonderful children. Now, at 36, Taylor has reached the pinnacle of her dreams, but is it all about to unravel? As the new school year approaches, Taylor prepares herself for playing the perfect alpha mom: organizing class activities, fund-raising, and chairing the school auction. But the horror! Her archrival, bohemian mom Marta Zinsser, is named Head Room Mom of Taylor's daughter's fifth grade class. As tensions rise at committee meetings and school activities, the two rivals seem to be destined for a final confrontation. But as Taylor plans her next move, she is floored by a more serious blow at home-her husband has been secretly unemployed for the past six months. With her posh lifestyle crumbling, Taylor struggles to maintain her alpha image-but could Marta, who cares little about appearances, be her only true

friend?

The Survivor Trilogy John Christopher Yount, 2023-10-14

The Survivor Trilogy is a series of three short dramas that explore the trials of burn survivors as they strive to cope with their injuries and relationships during the course of their recovery. The first drama, a monologue called *Blue Eyes of the Beholder* or *The Food Lion Blues*, tells the story of a burn survivor who lost his wife in a house fire shortly after a marital spat over striving to get pregnant together. One day in line at the grocery store, this disillusioned accountant is questioned by a curious youth about his appearance, and through this encounter gets to know the boy's mother, a recently separated single woman struggling with her finances during her divorce proceedings. The survivor is entranced by the inquisitive boy and his mother, who both have the radiant blue eyes of his deceased spouse. In the course of assisting this woman in resurrecting her financial situation as she distances herself from her estranged husband, the two fall in love, and life renews itself. The second drama, *Princess* or *The Ultra Joy of Doin' Dishes*, captures the conversation of a female burn survivor and her husband after a dinner party at their new home with another couple in the neighborhood. The woman, a successful professional who met her spouse after she had been injured, was eager to discuss how she felt awkward and self-conscious while engaging with the handsome young couple. Her husband is amorous and attentive, and the two lovers take time to process the experience and their reaction to this newly born Four Seasons dinner group while doing the dishes in the kitchen. In the third drama called *The Rising* or *Taking the Long Way to the Open Eye Cafe*, a burn survivor meets the firefighter who saved him in the course of a therapy session years after he was rescued from the flames. The two men openly share their feelings and histories together, discussing how their personal experiences with tragedy had brought them to where they find themselves at the moment. The journey of the burn survivor leads away from

anger and resentment to a new path in life. A bond between the two men is formed as they trace their lives away from the flames and discover how tragedy and heroism in former years have brought their lives together

Pierre-Gilles de Gennes Laurence Plévert, 2011 Best known outside the scientific community for the Nobel Prize in Physics he won in 1991, Pierre-Gilles de Gennes was exceptional amongst scientists for the breadth and depth of his contributions in multiple fields of physics. He was also much ahead of his time in his desire to break down barriers between scientific disciplines and between fundamental and applied science. He was equally unusual in his willingness to explain the nature and purpose of his work to society at large and to young people in particular. Laurence Plévert's fascinating work retraces the influences and experiences that moulded this complex, charismatic, charming and eclectic genius. It follows him from his unconventional childhood on the fringes of the old French aristocracy and in war-divided France, through his glittering school and early scientific career, up to the revolutionary breakthroughs in fields as diverse as superconductivity, liquid crystals, polymers and soft matter, culminating in the final consecration of the Nobel prize. Constructed from exclusive interviews with the physicist himself, his family, friends and colleagues, this biography immerses us in the work and character of a truly remarkable figure, a Renaissance man of the 20th century

Park Avenue Summer Renée Rosen,2019-04-30 “‘Mad Men meets The Devil Wears Prada,’ which might as well be saying ‘put me in your cart immediately.’” —PopSugar It’s 1965 and Cosmopolitan magazine’s brazen new editor in chief—Helen Gurley Brown—shocks America and saves a dying publication by daring to talk to women about all things off-limits... New York City is filled with opportunities for single girls like Alice Weiss, who leaves her small Midwestern town to chase her big-city dreams and unexpectedly lands a job working for the first female editor in chief of Cosmopolitan magazine, Helen Gurley Brown. For Alice, who wants to be a photographer, it seems like the perfect foot in the door, but nothing could have prepared her for the world she enters. Editors and writers resign on the spot, refusing to work for the woman who wrote the scandalous bestseller *Sex and the Single Girl*, and confidential memos, article ideas, and cover designs keep finding their way into the wrong hands. When someone tries to pull Alice into a scheme to sabotage her boss, she is more determined than ever to help Helen succeed. While pressure mounts at the magazine, Alice struggles not to lose sight of her own dreams as she’s swept up into a glamorous world of five-star dinners, lavish parties, and men who are certainly no good.
