The Little Bookshop on the Seine Rebecca Raisin, 2020-01-07 A Connecticut woman trades her smalltown bookshop for one in Paris in this charming contemporary romance for fans of *The Holiday*. When bookshop owner Sarah Smith is offered the opportunity for a job exchange with her Parisian friend, Sophie, saying yes is a no-brainer—after all, what kind of romantic would turn down six months in Paris? Sarah is sure she's in for the experience of a lifetime—days spent surrounded by literature in a gorgeous bookshop, and the chance to watch the snow fall on the Eiffel Tower. Plus, now she can meet up with her journalist boyfriend, Ridge, when his job takes him around the globe. But her expectations cool faster than her café au lait soon after she lands in the City of Light—she's a fish out of water in Paris. The customers are rude, her new coworkers suspicious, and her relationship with Ridge has been reduced to a long-distance game of phone tag, leaving Sarah to wonder if he'll ever put her first over his busy career. As Christmas approaches, Sarah is determined to get the shop—and her life—back in order . . . and make her dreams of a Parisian happily ever after come true.

Ladies' Book of Etiquette, and Manual of Politeness Florence Hartley, 1860 Do unto others as you would others should do to you. You can never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others, and though you may err in the ceremonious points of etiquette, you will never be im polite. Politeness, founded upon such a rule, becomes the expression, in graceful manner, of social virtues. The spirit of politeness consists in a certain attention to forms and ceremonies, which are meant both to please others and ourselves, and to make others pleased with us ;a still clearer definition may be given by saying that politeness is goodness of heart put into daily practice; there can be no true, politeness without kindness, purity, singleness of heart, and sensibility. Many believe that politeness is but a mask worn in the world to conceal bad passions and impulses, and to make a show of possessing virtues not really existing in the heart; thus, that politeness is merely hypocrisy and dissimulation. Do not believe this; be certain that those who profess such a doctrine are practising themselves the deceit they condemn so much.

Fashion Myths Roman Meinhold, 2014-04-30 Besides products and services multinational corporations also sell myths, values and immaterial goods. Such »meta-goods« (e.g. prestige, beauty, strength) are major selling points in the context of successful marketing and advertising. Fashion adverts draw on deeply rooted human values, ideals and desires such as values and symbols of social recognition, beautification and rejuvenation. Although the reference to such meta-goods is obvious to some consumers, their rootedness in philosophical theories of human nature is less apparent, even for the marketers and advertisers themselves. This book is of special interest for researchers and students in the fields of Cultural Studies, Media Studies, Marketing, Advertising, Fashion, Cultural Critique, Philosophy, Sociology, Anthropology and Psychology, and for anyone interested in the ways in which fashion operates.

The Christmas Dress Courtney Cole, 2021-11-09 An enchanted Christmas dress brings two generations of women together for the magic of the season in this delightful holiday story from New York Times bestselling author

Courtney Cole. One Dress. Two Women. The Magic of the Holiday Season. When hopeful fashionista Meg Julliard must return to her hometown of Chicago to manage her late father’s apartment building, she thinks her dreams of making it in the fashion business are over. Add in her father’s eclectic roster of tenants who all need Meg’s attention (ASAP!), a host of building related disasters, and a handsome handyman she keeps embarrassing herself in front of, and this has all the makings for the worst Christmas she’s ever had. Ellie Wade, one of the building’s longtime residents, is also not feeling the Christmas Joy this year. She is preparing to move into a nursing home (reluctantly), and is in the process of sorting through her belongings to downsize. Every corner of her apartment holds memories, some good, some bad. But there’s one dress she hesitates to pack up as it represents both the best and worst night of her life. Ellie and Meg strike up an unlikely friendship and the story of Ellie’s dress comes out. Ellie gifts the gorgeous dress to Meg, hoping that it will bring her more luck, on the condition that she wear it to the building’s Christmas party. The dress magically fits, and while it eventually leads to the best night of Meg’s life, it also acts as inspiration for Meg to follow a life-long dream of her own, a dream that will help save the crumbling Parkview West, and restore it to its former glory, and keep it as a safe home for all of the current tenants. The dress and the magic of the holiday season helps both Meg and Ellie find their own happy endings.
