Stick Control George Lawrence Stone, 2013-11-06 George Lawrence Stone's *Stick Control* is the original classic, often called the bible of drumming. In 1993, *Modern Drummer* magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination, with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.

When The Drummers Were Women: A Spiritual History of Rhythm Layne Redmond, 2021-08-05 For millennia, the sacred drummers of pre-Christian Mediterranean and western Asia were women. In this inspiring book, Layne Redmond, herself a renowned drummer, tells their history. Artistic representations reveal that female frame drummers carried the spiritual traditions of many of the earliest recorded civilizations. During those ancient times, the drummer-priestesses held the keys to experience of the divine through rhythm. They were at the center of the goddess worship of matriarchal societies until the ascendance of patriarchal cultures and the loss of drumming as a spiritual technology. With wisdom and passion, Redmond chronicles our species' deep connection to the drum, our rich heritage of inseparable spirituality and music, and the modern-day women reclaiming it. This book encourages readers—both women and men—to reestablish rhythmic links with themselves, nature, and other people through the power of drumming. Redmond illustrates her message with an extensive collection of images gathered during ten years of research and travel.

Woven throughout the book are strands of ancient ritual and mythology, personal stories, and scientific evidence of the benefits of drumming. It is at once a history, a memoir, and a resounding call for spiritual and social renewal.

The gift of a world of story can enrich your life and the lives of those around you, especially the young children. Story allows us, young and old, to make sense of the world around us and to have hope for getting through challenges towards a better world.

Always a People Rita T. Kohn, 1997 Forty-one individuals, from seventeen different tribes, representing eleven nations, tell their stories in *Always a People*. As descendants of people who shaped the history of the North American continent from the Atlantic Ocean to the Great Lakes, the narrators herein continue to feel closely bound to the land from which most of them have been forcibly removed. The eleven nations represented in this volume are the Miami, Potawatomi, Delaware, Shawnee, Peoria, Oneida, Ottawa, Winnebago, Sac and Fox, Chippewa, and Kickapoo. All of the people interviewed here have a very deep and abiding commitment to their families and speak of great-great grandparents as intimately as they do of their parents. All see themselves as real people who do not fit the stereotypes often associated with native Americans. All speak of the urgency for making room for multiple voices drawn from many traditions.

Harrow County Omnibus Volume 2 Cullen Bunn, 2021-07-20 The second half of the highly acclaimed, Eisner-nominated horror fantasy tale, collected in a value-priced omnibus. The Activists Rainer Link, 2020-07-07 Rats and Frauds Beware—Activists Are Coming to Save Democracy Four young activists, Izzy, Zoom, Roxy, and Fritz, make it their mission to agitate against the decay of democracy. In their travels to New York, Washington DC, and through the heartland, they confront our political frauds and the fools who voted for them. When they become the target of violence in a rural town, they engage the community and find creative and entertaining ways to shake citizens out of their narrow-minded lethargy. Rats and frauds beware. The activists in this political fairy tale participate in a variety of whimsical events: A figure reminiscent of the Pied Piper entices frauds to march as rats into the Potomac River; an artist paints a portrait of the wannabe dictator and incorporates the hues from a donkey's ass; and ticks find their way onto the scalps of white nationalists. The Activists confronts the turmoil in America with satire, bits of magic, drumming, art, rhyming, and political theater. Similar to the Parkland activists and the likes of Greta Thunberg, the novel's protagonists are passionate about the future and take action. If you want political change, you

will find this novel stimulating and amusing.

Harrow County Library Edition Volume 4 Cullen Bunn, 2019-11-05 The climatic conclusion of the highly acclaimed, Eisner nominated horror fantasy in a digital format. She needs someone to trust, but the king is more suspicious than ever. Matt is also growing desperate. His mom is on the brink of death, and he hasn't even begun to learn how to heal her. He must find a teacher fast or risk losing the only family he has left. Meanwhile, the Holy One is closer than ever. The laborers speak of his arrival, and they have the evidence to prove it. A string of murders erupts throughout the city, even permeating the palace walls. Nowhere is safe, and it's only a matter of time before the Holy One unleashes his full power. Tongue Drum 30 Simple Songs - All Over the World Helen Winter, 2020-12-05 The steel tongue drum (aka tong drum, tank drum, gluck-o-phone, Hapi drum, mandala, or lotus drum) and the handpan (aka hank drum, UFO drum, zen drum) are percussion musical instruments designed to help you focus on your feelings, sensations, and body. You don't need classical music training or knowledge of music theory to play them. The main purpose is relaxation, meditation, and traveling through your inner world. No previous training or skills are necessary to enjoy these fascinating instruments. It is impossible to play them incorrectly. Anyone can play them: those who want to develop a good sense of rhythm and an ear for music, those who are seeking relaxation after a hard day at work, those who have always had an interest in learning how to play a musical instrument, and those who want to introduce something unusual into their lives and explore their inner selves. This book is aimed at those who want to add popular melodies to their experimentation. We use numbers above the classic notes because most modern tongue drums have numbers engraved or painted on their keys. This is great for the absolute beginner who cannot read sheet music. Because most tongue drums include and are tuned to involve the notes of the main octave, all songs from this book are possible to play in one octave. Each tongue drum is very different and it is impossible to accommodate songs for all kinds of tongue drums in one book. The songs which have been collected in this book can be played on most drum models. If you have less than 1 octave of keys on your drum, you may need to skip some songs. However, if your drum has many sharp notes, you will need a book that contains chromatic songs. Here, we have collected only simplified diatonic melodies. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If you have flat keys on your instrument, it is recommended that you use the classic sheet music for

Genesis Begins Again Alicia D. Williams, 2020-08-18 “Reminiscent of Toni Morrison’s *The Bluest Eye*.” —The New York Times “One of the best books I have ever read...will live in the hearts of readers for the rest of their lives.” —Colby Sharp, founder of Nerdy Book Club “An emotional, painful, yet still hopeful adolescent journey...one that needed telling.” —Kirkus Reviews (starred review) “I really loved this.” —Sharon M. Draper, author of the New York Times bestseller *Out of My Mind* This deeply sensitive and “compelling” (BCCB) debut novel tells the story of a thirteen-year-old who must overcome internalized racism and a verbally abusive family to finally learn to love herself. There are ninety-six reasons why thirteen-year-old Genesis dislikes herself. She knows the exact number because she keeps a list: -Because her family is always being put out of their house. -Because her dad has a gambling problem. And maybe a drinking problem too. -Because Genesis knows this is all her fault. -Because she wasn’t born looking like Mama. -Because she is too black. Genesis is determined to fix her family, and she’s willing to try anything to do so...even if it means harming herself in the process. But when Genesis starts to find a thing or two she actually likes about herself, she discovers that changing her own attitude is the first step in helping change others.
