Marty Roth

Drunk Edward Slingerland, 2021-06-01 An entertaining and enlightening deep dive into the alcohol-soaked origins of civilization—and the evolutionary roots of humanity's appetite for intoxication (Daniel E. Lieberman, author of *Exercised*). While plenty of entertaining books have been written about the history of alcohol and other intoxicants, none have offered a comprehensive, convincing answer to the basic question of why humans want to get high in the first place. *Drunk* elegantly cuts through the tangle of urban legends and anecdotal impressions that surround our notions of intoxication to provide the first rigorous, scientifically-grounded explanation for our love of alcohol. Drawing on evidence from archaeology, history, cognitive neuroscience, psychopharmacology, social psychology, literature, and genetics, *Drunk* shows that our taste for chemical intoxicants is not an evolutionary mistake, as we are so often told. In fact, intoxication helps solve a number of distinctively human challenges: enhancing creativity, alleviating stress, building trust, and pulling off the miracle of getting fiercely tribal primates to cooperate with strangers. Our desire to get drunk, along with the individual and social benefits provided by drunkenness, played a crucial role in sparking the rise of the first large-scale societies. We would not have civilization without intoxication. From marauding Vikings and bacchanalian orgies to sex-starved fruit flies, blind cave fish, and problem-solving crows, *Drunk* is packed with fascinating case

studies and engaging science, as well as practical takeaways for individuals and communities. The result is a captivating and long overdue investigation into humanity's oldest indulgence—one that explains not only why we want to get drunk, but also how it might actually be good for us to tie one on now and then.

Shark Drunk Morten Stroksnes, 2017-06-27 A salty story of friendship, adventure, and the explosive life that teems beneath the ocean The Lofoten archipelago, just North of the Arctic Circle, is a place of unsurpassed beauty—the skyline spikes with dramatic peaks; the radiant greens and purples of the Northern Lights follow summers where the sun never sets. It's a place of small villages, where the art of fishing, though evolving, is still practiced in traditional ways. Beneath the great depths surrounding these islands lurks the infamous Greenland shark. At twenty-four feet in length and weighing more than a ton, it is truly a beast to behold. But the shark is not known just for its size: Its meat contains a toxin that, when consumed, has been known to make people drunk and hallucinatory. *Shark Drunk* is the true story of two friends, the author and the eccentric artist Hugo Aasjord, as they embark on a wild pursuit of the famed creature—all from a tiny rubber boat. Together they tackle existential questions and encounter the world's most powerful maelstrom as they attempt to understand the ocean from every possible angle, drawing on poetry, science, history, ecology, mythology, and their own—sometimes intoxicated—observations, meanwhile pursuing the elusive

Greenland shark. By turns thrilling, wise, and hilarious, *Shark Drunk* is a celebration of adventure, marine life, and, above all, friendship. Winner of the Norwegian Brage Prize 2015 Winner of the Norwegian Critics' Prize for Literature 2015 Winner of the Norwegian Reine Ord Prize at Lofoten International Literature Festival 2016

Things Drunk People Say Kathleen Go, 2009-08 This collection of sometimes crass, always absurd quotes from drunk people includes gems such as What did I tell you my name was? and I'm way too broke to be this wasted.

Money Drunk/Money Sober Mark Bryan, Julia Cameron, 1999-02-09 In a society where it is often easier to discuss sex than money, many of us have hidden issues about personal finances. But when fending off bill collectors, begging for salary advances, or borrowing from relatives becomes a way of life, unresolved money problems can lead to enormous stress and destroy relationships, careers, and lives. Do you recognize yourself or someone you love in any of these descriptions? THE COMPULSIVE SPENDER Do you buy things and hide them? THE BIG DEAL CHASER Do you refuse to watch your money because one big deal is going to make everything all right? THE MAINTENANCE MONEY DRUNK Is the pay the only thing you like about your job? THE POVERTY ADDICT Do you feel morally superior to people with money? THE CASH CODEPENDENT Are you afraid to say no to your partner about money? Through their highly effective seminars, Mark Bryan and Julia Cameron have helped many people get out of debt and free themselves from the painful cycle of acting out with

money. The Money Drunk offers new perspectives on the real roots of money problems, showing how to dismantle negative family and societal programming about money and how to undo the destructive patterns that sabotage your financial success. The program teaches new, more constructive habits to anyone who has ever had a problem with money.

Dead Drunk Paul Garrigan, 2005 *Dead Drunk* is the moving and powerful story of a teenager who lost himself to alcohol addiction after the breakdown of his parents' marriage. Paul Garrigan has written an honest (and often darkly humorous) account of his alcoholism. His adventures took him from the quiet suburbs of Dublin to begging on the streets of London, getting paid to drink in Oxford, and swigging illegal booze in Saudi Arabia, before finally ending up in a remote Thai village where he fully succumbed to his addiction, and was determined to drink himself to death. While surfing the Internet one night he came across a highly unorthodox detox programme being offered by Buddhist monks, and in a last-ditch attempt at sobriety, he set out on what he was sure would be his strangest and most difficult journey yet. *Dead Drunk* is a story of redemption and of how one man found sobriety. It is a story of hope.

Drunk the Night Before Marty Roth, 2005 Exposes the secret history of drink and drugs, from creative stimulant to addictive poison.

The Drunk Diet Lüc Carl, 2012-03-13 With his trademark Rock 'N Roll hair and snakeskin spandex pants, plus a hot rod and a Harley, Lüc Carl fit the part

as a bar manager based in New York City's gritty Lower East Side. And life was good for this Omaha, Nebraska, transplant—a talented drummer who originally moved to the big city to pursue his Rock 'N Roll dreams—until, suddenly, it wasn't. Fast forward through seven years of working long hours, bingeing on late-night Chinese food, and drinking excessively; life had found Lüc forty pounds overweight and completely out of shape. But when he turned to the experts for advice—reading countless fitness and weight-loss books in the process—he discovered that they all made the same claim: You can't drink alcohol if you want to lose weight. Lüc decided to take matters into his own hands to transform his body and his life his way—a sort of f*ck you to all those so-called experts. Full of charismatic wit and raucous stories about his life, *The Drunk Diet* will inspire and challenge you to become fitter, healthier, and happier. Lüc's fitness philosophy isn't about following a list of rigid rules or traditional do this, not that charts, but gaining a better understanding of how the body works and discovering what you're personally willing to change about your lifestyle in order to reach your goals. For him, that meant trading in the crap he was eating for unprocessed, natural foods and embracing a newfound love for exercise, but never sacrificing his social life (or his love for cold beer). This is the story of how one chain-smoking, cheeseburger-eating, hard-partying Rock 'N Roller—a self-proclaimed out-of-shape, bloated asshole—grew into an avid runner and cyclist and, ultimately, a happier version of himself. He will be the first to tell you: If he could

do it, so can you.

Memoirs of a Drunk Renars Sidrabs, 2016-01-18 Almost all of us could name somebody whose life has been ruined by alcohol. Unfortunately, talking about this problem is still considered a taboo in a part of society. This book is a revealing and shocking story about the authors fight with his addiction to alcohol. The book openly tells the reader what an alcoholic thinks, feels, and sees. It gives a hopeful look into the process of the recovery from the addiction to how to restart living a dignified life. The author reveals his bitter experience and shares the story of coaddicted, the alcoholics family, parents, and children. This is their story also.

Drunk on Genocide Edward B. Westermann, 2021-03-15 In *Drunk on Genocide*, Edward B. Westermann reveals how, over the course of the Third Reich, scenes involving alcohol consumption and revelry among the SS and police became a routine part of rituals of humiliation in the camps, ghettos, and killing fields of Eastern Europe. Westermann draws on a vast range of newly unearthed material to explore how alcohol consumption served as a literal and metaphorical lubricant for mass murder. It facilitated performative masculinity, expressly linked to physical or sexual violence. Such inebriated exhibitions extended from meetings of top Nazi officials to the rank and file, celebrating at the grave sites of their victims. Westermann argues that, contrary to the common misconception of the SS and police as stone-cold killers, they were, in fact, intoxicated with the act of murder itself. *Drunk on Genocide* highlights the intersections of masculinity, drinking ritual, sexual violence, and mass murder to expose the role of alcohol and celebratory ritual in the Nazi genocide of European Jews. Its surprising and disturbing findings offer a new perspective on the mindset, motivation, and mentality of killers as they prepared for, and participated in, mass extermination. The Anatomy of Drunkenness Robert Macnish, 1850

Mean Drunk William Tappan, 2013-10-24 Stories turn up all the time: altercations on airliners, brawls in bars, or domestic disputes that end in gunfire. The catchphrase is usually the same: Alcohol was involved. Alcohol often fuels less physically dangerous but more emotionally stressful confrontations at parties, business conclaves, or family dinner tables, manifested as cruel, hurtful words that can have devastating long-term effects on the recipients. The catchphrase? That was the booze talking. In Mean Drunk: Anger, Hostility, and Alcohol, William Tappan moves beyond the clichés and excuses to reveal the science behind the behavior. Drawing upon the latest scientific research in the field, illustrated by a broad array of dramatic case studies drawn from news stories, personal accounts, and his own decades of experience, Tappan defines and explains the hostility reaction to alcohol - HRA - as a specific neurobiological result of alcohol use. The evidence he presents points to cytokines: multifunctional proteins that trigger a defensive brain reaction to a perceived threat during alcohol consumption. Although firmly based in science, Mean Drunk also presents a series of shocking, moving, and sometimes bizarre stories of HRA as it leaves a trail of emotional damage, physical injury, and even death in its wake. From celebrities' widely publicized encounters with the law (Reese Witherspoon, Mel Gibson) and headline-grabbing public fistfights precipitated

by everyone from laborers to professionals to the most potentially damaging encounters - those within families - Mean Drunk lays out the horrific results catalyzed by the neurobiological cause. A groundbreaking explanation of HRA, Mean Drunk moves beyond accounts of human distress to point a way to greater understanding of an all-too-common and neglected problem for both perpetrators and victims, offering the possibility of their choosing a path to a happier and more productive life. Mean Drunk is a must-read for alcohol research professionals, counselors, those personally affected by HRA, and anyone interested in the causes of this devastating social and emotional puzzle.

Drunk in China Derek Sandhaus, 2019-11 2020 Gourmand Award in Spirits Gold Medal winner in the Independent Book Publishers Awards China is one of the world's leading producers and consumers of liquor, with alcohol infusing all aspects of its culture, from religion and literature to business and warfare. Yet to the outside world, China's most famous spirit, baijiu, remains a mystery. This is about to change, as baijiu is now being served in cocktail bars beyond its borders. *Drunk in China* follows Derek Sandhaus's journey of discovery into the world's oldest drinking culture. He travels throughout the country and around the globe to meet with distillers, brewers, snake-oil salesmen, archaeologists, and ordinary drinkers. He examines the many ways in which alcohol has shaped Chinese society and its rituals. He visits production floors, karaoke parlors, hotpot joints, and speakeasies. Along the

way he uncovers a tradition spanning more than nine thousand years and explores how recent economic and political developments have conspired to push Chinese alcohol beyond the nation's borders for the first time. As Chinese society becomes increasingly international, its drinking culture must also adapt to the times. Can the West also adapt and clink glasses with China? Read *Drunk in China* and find out.

The Drunk Sonnets Daniel Bailey, 2013 Poetry. The second edition of Daniel Bailey's intoxicated battle cry of a sonnet sequence. From forgiveness in a beehive to tiny banquets for retired janitors, Bailey's poems have been wept and clutched and dropped all over, but they will still be there in the morning when your heart catches a shake.

Drunk with Love Ellen Gilchrist, 2018-12-11 "There is not a single dud in this brilliant collection...crisp stories about marriage, blood, booze and death and the wayward passions fomented by them."—Time Out From joyous moments to near insurmountable grief, National Book Award-winning author Ellen Gilchrist gives readers vignettes revealing the lives of some of her most memorable characters. In "Traceleen at Dawn," we see the wealthy Miss Crystal finally give up drinking after a fire consumes her home. In "1941," readers meet Rhoda Manning, a precocious nine-year-old facing off with the world of adults for the first time. In "The Last Diet," a woman on a diet crashes her car into a doughnut shop. And murder takes center stage in "Memphis" and "The Emancipator." Coming of age, heartbreak, death, and more

permeate these brilliant snapshots of life from the author of the award-winning Victory over Japan, Acts of God, and other acclaimed works. "Smart, funny, moving, and elegantly written."—Vogue "A writer with a distinctive voice and a considerable narrative gift."—Publishers Weekly "There is not a single dud in this brilliant collection. The crisp stories about marriage, blood, booze and death and the wayward passions fomented by them."—Time Out

Drunk on a Plane Zane Mitchell, 2018-12-24 So, I'm Drunk. Daniel T. Drunk, Jr. if you really wanna know. And I'm on a plane headed to Paradise Isle on the trip of a lifetime. The occasion? My honeymoon. Except, there's only one problem. I'm riding solo. It's a really long story, and if you don't mind, I'd prefer to leave it at that. Really? You must know? Fine, I get it. You're the nosey type. Here's the abbreviated version. I came within an inch of marrying a cheating slut. There. Get the picture? Good. But that's not what this story is about. This story is about what happened after I got to Paradise and a dead body showed up in my motel room. And, of course, the cops tried to blame it on me. And then the actual murderer decided they wanted me dead too. Fuck. The hits just kept on coming. And to top it all off. This woman started following me around the island, and she couldn't seem to keep her hands off me. But not in a good way. So if you're interested in a bit of Caribbean flavored action and adventure, with a hint of sexual tension, a

dash of unapologetic profanity, and a kick-ass ending, then this is your book. If you're looking for the next best piece of literature since - oh, hell, who am I kidding? I don't know shit about good literature. But if that's what you're looking for, then keep moving, cause this ain't that. If, however, you're like me and just looking for a good time, then I'm your fella. I promise you, you won't be disappointed. Rated R for language, crude humor, and sexual innuendos. Rated A+ for entertainment value.
