The Duck Commander Family Willie Robertson, Korie Robertson, 2014-08-12 Presents a behind-the-scenes look at the Robertson family, documenting the teenage romance and marriage of Willie and Korie Robertson, their success as a multi-million dollar hunting equipment business, and their rise to stardom on reality television.

The Women of Duck Commander Kay Robertson, Korie Robertson, Missy Robertson, Jessica Robertson, Lisa Robertson, 2014-04-01 The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck Dynasty TV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and fans of the show get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book... In *The Women of Duck Commander*, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories, and experiences that have made them who they are. The appeal of the Duck Dynasty comes, not because they are showing us anything new, but they are reminding us of the values our culture is in danger of losing.

Uncanceled Phil Robertson, 2022-02-08 Win the War for Your Own Integrity After Phil Robertson quoted Scripture in an interview with a national magazine, his hit show, *Duck Dynasty*, put him on “indefinite hiatus.” Phil immediately knew what had happened: he had become a target of cancel culture. Since that time, Phil has spoken out against public shaming, strategic campaigns to get Bible-believing employees fired, and other tactics that are wreaking havoc in our society. In a deeply divided country, with so many bent on condemning and silencing others, Phil calls for us to carry out the unifying message of Jesus Christ. In *Uncanceled*, Phil shares his own experiences with cancel culture as he encourages us to turn to Scripture as we navigate politics, personal conversations, and new cultural norms; helps us see the psychological and political motivations behind silencing conservative voices; reminds us that the goal is not to convince others to like us but to win the war for our own integrity by refusing to bow down to the god of political correctness; and shows us how to trade retaliation for the love and forgiveness that God offers. *Uncanceled* is a blueprint for standing up for the truth of Jesus Christ in a culture that has forgotten how to have respectful conversations. As Phil reminds us, when we embrace the truth that Jesus Christ already paid an enormous debt to cancel our sins, we find a path to redemption, a way to forgiveness, and a means for godly connection.

Happy, Happy, Happy Phil Robertson, 2013-05-07 This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and *Duck Dynasty*® star, from early childhood through the founding of a family business. *LIVING THE DREAM* Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he’s quick to say, “Faith, family, ducks—in that order.” It isn’t often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil’s is the remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the “good life” he always wanted. If you ever wind up sitting face-to-face with Phil, you’ll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you’ve watched the exceedingly popular A&E® program

Duck Dynasty®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of Duck Commander duck calls, he fearlessly leads his family in a responsible work ethic and an active faith. But what you don't know is his life before the show. In the pages of this book, you'll learn of Phil's colorful past and his wild road to the "happy, happy, happy" life he leads today. Before the "happy," Phil's passion for the outdoors and wild living led him down some shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of "romping, stomping, and ripping" for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a "called" man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you'll find stories that will shock you, as well as those that will inspire you. You'll get to know the man behind the legend, and you'll come away better for it.

What Patriarch Phil Robertson would tell you is that family works best when people follow God's design for it. That means that, at least for the Robertsons, their faith in Jesus guides them on how they should structure their home life. The Theft of America's Soul Phil Robertson, 2019-02-05 It's time to take back what the devil has stolen and bring God back into our culture. Phil Robertson, patriarch of A&E's Duck Dynasty and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies that have only sown discord and division. But, most importantly, Phil also believes that things can change. Written with captivating storytelling and unflinching honesty, *The Theft of America's Soul* shows us how to make America a God-honoring nation once more by dropping the ten central lies that rule our day and replacing them with timeless, biblical truths, including: God's people represent his voice in the world True unity comes from a God-centered culture God's standard for all time is the standard of virtue *The Theft of America's Soul* is a prophetic wake-up call for anyone who wants to see our nation thrive, challenging us to exchange lies for truths that will bring peace of mind, harmony, and prosperity back to our country--an invitation to experience the life-giving, peace-filling, wholly-transforming love of God. Praise for *The Theft of America's Soul*: The moral clarity in this book is so powerful and so refreshing I wish I could give it to everyone I know. Incidentally, the only way something could be this full of truth and wisdom is if its author is a prophet. That he is. Hear him. --Eric Metaxas, author of *Bonhoeffer* In *The Theft of America's Soul*, the Duck Commander has set his sights on something higher, taking aim at the ten lies that have led our culture astray and put our faith, our families, and our freedom at risk. I am grateful for the direct, nonpolitically correct way my friend Phil Robertson lays out the truth. My prayer is that this book finds its way into the hands and hearts of many Americans. --Tony Perkins, president of Family Research Council and president of Council for National Policy

Jessica shares about the difficult failure of her first marriage while still a teenager and the hurt that came along with it, much of it from the church. Her insecurities spun out of control as she wondered whether she would ever be good enough or pretty enough. This book is their love story but, more importantly, their love story for God.
