

Dude Wheres My Kaabah

Hakan T. Karateke, Helga Anetshofer

Attack Of The Giant Kaaba Walther Krieg,

Negotiating Culture Reginald Byron, Ullrich Kockel, 2006 How are cultural boundaries created, conceived, and experienced? On the public level, the political practices of (sub-)nationalism have been revitalized by contemporary ideologies of multiculturalism providing new rhetorical forms which ultimately deny the legitimacy of indeterminacy. Yet, on the private level, the creation of new intersubjectivities is a normal consequence of movement, mixing, and living together, resulting in novel repertoires of individual and collective experiences. This book seeks to connect both the public and the private within the same frame of analysis. Reginald Byron is professor of sociology and anthropology, University of Wales, Swansea (UK). Ullrich Kockel holds a chair in European Studies at Bristol University of the West of England (UK), where he leads the European Ethnological Research Unit.

The Panther Chronicles: Part I the Black Stone Michael Kircher, 2007-11-01 A Hydrologist about to publish his research on ancient water tunnels in Saudi Arabia, suddenly disappears. A Geophysical Engineer finds an ancient wood artifact in a gift shop in London, which leads him to India in search of clues to mankind's history. A Photojournalist, trying to escape his past, ends up in a prison in Teheran for photographing the wrong subject. A young Muslim merchant joins a secret team planning to change the course of Middle East politics. A former presidential advisor searches for a new life amidst chaos. In a chase across continents, this clandestine team attempts to unlock the secrets of the fabled 'Panther Catacombs'. In the process, they must face their tragic pasts to secure their future.

Revolution is My Name Muná Barnas, Mona Prince, 2014 A writer, a university professor, a woman: this is the insightful and humorous description of one hesitant revolutionary's experiences through the eighteen days of the Egyptian uprising that led to the fall of President Hosni Mubarak in January/February 2011. Juggling humor and horror, hope and fear, certitude and anxiety, Prince immerses us in each day's unexpected and inconclusive details, as she meets other writers and intellectuals involved in the demonstrations. Mixing the political and the personal, the public and the private, she exposes both her family's conservative politics and her own classist prejudices against other sectors of Egyptian society, all of whom teach her lasting transformative lessons. There are moving descriptions of the brutal violence of the security forces against demonstrators, the daily battles of resistance, and the author's own abduction and beating at the hands of the police, but she also paints scenes of exceptional solidarity, perseverance, and humanity, while weaving in conversations with fellow demonstrators, new-found friends, and street children, as well as police conscripts and officers. She describes her fears for her sister, who disappears on the day of the infamous Battle of the Camel, their decision to join the sit-in, cooking for the protesters, singing and dancing in the cold to sustain energy during the long nights, and sleeping by the army tanks to stop them from moving in. *Revolution Is My Name* is a testimony not only of women's participation in the Egyptian uprising and their courage in confronting constrictive gender divides at home and on the street but equally of the important contribution of women writers as chroniclers of the momentous events of January and February 2011.

The Ottoman World Hakan T. Karateke, Helga Anetshofer, 2021-11-02 The Ottoman

lands, which extended from modern Hungary to the Arabian peninsula, were home to a vast population with a rich variety of cultures. The Ottoman World is the first primary source reader to bring a wide and diverse set of voices across Ottoman society into the classroom. Written in many languages—not only Ottoman Turkish but also Arabic, Armenian, Greek, Hebrew, Italian, and Persian—these texts, here translated, span the extent of the early modern Ottoman empire, from the 1450s to 1700. Instructors are supplied with narratives conveying the lived experiences of individuals through texts that highlight human variety and accelerate a trend away from a state-centric approach to Ottoman history. In addition, samples from court registers, legends, biographical accounts, hagiographies, short stories, witty anecdotes, jokes, and lampoons provide exciting glimpses into popular mindsets in Ottoman society. By reflecting new directions in the scholarship with an innovative choice of texts, this collection provides a vital resource for teachers and students.

Lonely Is the Soldier Jeffry Hepple, 2010-05-02 Follow the career of 1st Special Forces Operational Detachment-Delta officer R.A. Lincoln from Delta selection through the start of the War on Terror. This is the stand-alone prequel to *The Treasure of La Malinche*.

Rethinking India's Oral and Classical Epics Alf Hiltebeitel, 2009-02-15 Throughout India and Southeast Asia, ancient classical epics—the Mahabharata and the Ramayana—continue to exert considerable cultural influence. *Rethinking India's Oral and Classical Epics* offers an unprecedented exploration into South Asia's regional epic traditions. Using his own fieldwork as a starting point, Alf Hiltebeitel analyzes how the oral tradition of the south Indian cult of the goddess Draupadi and five regional martial oral epics compare with one another and tie in with the Sanskrit epics. Drawing on literary theory and cultural studies, he reveals the shared subtexts of the Draupadi cult Mahabharata and the five oral epics, and shows how the traditional plots are twisted and classical characters reshaped to reflect local history and religion. In doing so, Hiltebeitel sheds new light on the intertwining oral traditions of medieval Rajput military culture, Dalits (former Untouchables), and Muslims. Breathtaking in scope, this work is indispensable for those seeking a deeper understanding of South Asia's Hindu and Muslim traditions. This work is the third volume in Hiltebeitel's study of the Draupadi cult. Other volumes include *Mythologies: From Gingee to Kuruksetra* (Volume One), *On Hindu Ritual and the Goddess* (Volume Two), and *Rethinking the Mahabharata* (Volume Four).

Arabists Robert D. Kaplan, 1995-07-01 A tight-knit group closely linked by intermarriage as well as class and old school ties, the “Arabists” were men and women who spent much of their lives living and working in the Arab world as diplomats, military attaches, intelligence agents, scholar-adventurers, and teachers. As such, the Arabists exerted considerable influence both as career diplomats and as bureaucrats within the State Department from the early nineteenth century to the present. But over time, as this work shows, the group increasingly lost touch with a rapidly changing American society, growing both more insular and headstrong and showing a marked tendency to assert the Arab point of view. Drawing on interviews, memoirs, and other official and private sources, Kaplan reconstructs the 100-year history of the Arabist elite, demonstrating their profound influence on American attitudes toward the Middle East, and tracing their decline as an influx of ethnic and

regional specialists has transformed the State Department and challenged the power of the old elite.

Blood on the Lens Jim Burroughs, 2007 Murder is an effective way to gain power over others. Kill its leaders, and a country can be yours. Kill the people or ruthlessly intimidate them, and you can control their territory. Kill the journalists--or the story--and the truth of what is happening can be buried. *Blood on the Lens* chronicles filmmaker Jim Burroughs's eighteen trips to Afghanistan since 1986, the bloody and deceit-ridden period that saw the war against the Soviets, the cessation of American support, the civil war, the rise of the Taliban, the hijacking of the country by al Qaeda, the U.S.-led invasion, and the herculean effort to form a new country under the rule of law. Two casualties of these years of bloodshed were fellow documentary makers Lee Shapiro and Jim Lindelof, who disappeared on their way to interview legendary leader Ahmed Shah Massoud in 1987. Part of this illuminating book recounts an undercover sortie by Burroughs and a close friend of Shapiro into Taliban-controlled territory in 1998 to investigate their disappearance--unaware that at that moment just a few miles away, bin Laden was declaring his war against all Jews and crusaders. Through such personal experiences, *Blood on the Lens* documents twenty years of treachery and betrayal, courage and hope in a country like no other. In conjunction with the release of *Blood on the Lens*, Burroughs and fellow filmmakers Suzanne Bauman and Dan Delvaney will release their documentary, *Shadow of Afghanistan* in select cities this fall. Filmed over twenty years, this is the untold story of Afghanistan, an epic tale of assassination, genocide and betrayal seen through the eyes of an Afghan Commander and independent journalists. For more information on the documentary, click on the companion site link above.

Laughing All the Way to the Mosque Zarqa Nawaz, 2015-02-05 Being a practicing Muslim in the West is sometimes challenging, sometimes rewarding and sometimes downright absurd. How do you explain why Eid never falls on the same date each year; why it is that Halal butchers also sell teapots and alarm clocks; how do you make clear to the plumber that it's essential the toilet is installed within sitting-arm's reach of the tap? Zarqa Nawaz has seen and done it all. And it's not always easy to get things right with the community either: Zarqa tells of being asked to leave the DBW (Dead Body Washing) committee after making unsuitable remarks; of undertaking the momentous trip to Mecca with her husband, without the children, thinking (most incorrectly) that it will also be a nice time to have uninterrupted sex; of doing the unthinkable, and creating *Little Mosque on the Prairie*, a successful TV sitcom about that very (horrified, then proud) community. You have to laugh.

The Unbegun Micah T. Dank, *The Unbegun*, Book Seven, the continuation of *Into the Rabbit Hole*: 5 years later: A murder at the Kaaba in Mecca, two thieves and the purest gold that was ever created leads to the world's markets being destroyed. A device waits in waiting to cover the world in ash while the elites make their way to the underground cities they've created for just this moment. Against his better judgment Graham who is fully involved as a religious commentator has a 5 year old son who is dragged back into murder, mystery and one last chance to save the world.

Problematica George Murray, 2021-09-07 A best-of collection from one of Canada's most ambitious poets *Problematica* – a scientific term used to

describe species that defy classification. See unidentifiable. George Murray is a strange beast. Lauded as one of Canada's leading poets, his work has been published around the world, but here at home, he has never really "fit in" with his contemporaries. By turns archly formal and thoughtful, insouciant and hilarious, each of his six books seems intent on staking out its own identity, standing alone in stark contrast to all others. Yet, in this judicious selection of new and selected poems spanning Murray's 25-year career, we see threads and patterns emerge like fractals. From early narrative poems to lyrical explorations of the metaphysical to investigations of the colloquial and contemporary, Murray's work roams a landscape that includes everything from happiness to regret, love to loss, doubt to faith, anxiety to acceptance. This collection not only represents the best of Murray's earlier poems, but also surprises readers with a section of never-before-seen new work, revealing a life spent wrestling with what it means to arrive, live, and leave. Problematica is a considerable body of poetry from a mind that obsessively wanders the edges of thought and language, working to identify what boundaries may or may not exist.

The Original Sources of the Qur'ân William St. Clair Tisdall, 1911

Blue-Eyed Devil Michael Muhammad Knight, 2009-03-25 Michael Muhammad Knight embarks on a quest for an indigenous American Islam in a series of interstate odysseys. Traveling 20,000 miles by Greyhound in sixty days, he squats in run-down mosques, pursues Muslim romance, is detained at the U.S.-Canadian border with a trunkload of Shia literature, crashes Islamic Society of North America conventions, stink-palms Cat Stevens, and limps across Chicago to find the grave of Noble Drew Ali, filling dozens of notebooks along the way. The result is this semi-autobiographical book, with multiple histories of Fard and the landscape of American Islam woven into Knight's own story. In the course of his adventures, Knight sorts out his own relationship to Islam as he journeys from punk provocateur to a recognized voice in the community, and watches first-hand the collapse of a liberal Islamic dream. The book's extensive cast of characters includes anarchist Sufi heretics, vegan kungfu punks, tattoo-sleeved converts in hard-core bands, spiritual drug dealers, Islamic feminists, slick media entrepreneurs, sages of the street, the grandsons of Elijah Muhammad and Malcolm X, and a group called Muslims for Bush.

A Sinner in Mecca Parvez Sharma, 2017-08-15 From the recipient of a 2018 Guggenheim Fellowship Based on the New York Times' Critic Pick documentary The first book about the Hajj from a gay perspective, written by a man with a deep knowledge of Islamic history. This pilgrimage is the centerpiece of his book, and he recounts it with courage and fierce emotion. —The Guardian This is the Islam you've never been allowed to see. Daringly reported from its frontlines and forbidden to most of humanity for centuries. The Hajj pilgrimage is a journey every Muslim is commanded by God to go on at least once in a lifetime if they are able and, like millions, Parvez Sharma believes his spiritual salvation lies at Islam's ground zero, Mecca. But unlike the journeys of his fellow Muslims, the consequences of his own could be deadly. In *A Sinner in Mecca*, author, filmmaker, and 2018 Guggenheim Fellowship Parvez chronicles his pilgrimage as a very openly gay Muslim to Saudi Arabia, where Islam's heart beats . . . and where being true to himself is punishable by death. Risking his life, Parvez embarks on a Jihad of the self—filming his experience along the way. Already under fire for his

documentary *A Jihad for Love*, which looks at the coexistence of Islam and homosexuality, he would undoubtedly face savage punishment if exposed—from being thrown off a cliff to public beheading. Parvez's odyssey is at once audacious, global, and remarkable. He meets everyone from extremists to explorers of the spiritual kind and the world they open up is frightening . . . yet breathtaking. In Mecca, Parvez comes out to a pilgrim, who then asks him why he would want to be part of something that wants no part of him. This book is his answer to this question and many more. Parvez provides an unflinching look at our troubling unfolding history, including Hizbullah, ISIS, Trump, the race-wars, an embattled Europe, and more. He offers real solutions, borne of his efforts to get his hands dirty to find them. This is a lived history—and its author is no armchair theorist. Following the New York Times Critics' Pick hit documentary of the same title, *A Sinner in Mecca* unflinchingly showcases parts of the dangerous ideology that governs today's ISIS and how much it has in common with Saudi Arabia's sacred, yet treacherous dogma, Wahhabi Islam. *A Sinner in Mecca* is simultaneously one man's personal odyssey as well as a groundbreaking, provocative revelation of a clandestine world and its fastest growing and most contested religion.

Love from Mecca to Medina S. K. Ali, 2022-10-18 On the trip of a lifetime, Adam and Zayneb must find their way back to each other in this surprising and romantic sequel to the “bighearted, wildly charming” (Becky Albertalli, New York Times bestselling author) *Love from A to Z* that’s a “contemplative exploration of faith, love, and the human condition” (Kirkus Reviews, starred review). Adam and Zayneb. Perfectly matched. Painfully apart. Adam is in Doha, Qatar, making a map of the Hijra, a historic migration from Mecca to Medina, and worried about where his next paycheck will come from. Zayneb is in Chicago, where school and extracurricular stresses are piling on top of a terrible frenemy situation, making her miserable. Then a marvel occurs: Adam and Zayneb get the chance to spend Thanksgiving week on the Umrah, a pilgrimage to Mecca and Medina, in Saudi Arabia. Adam is thrilled; it’s the reboot he needs and an opportunity to pray for a hijra in real life: to migrate to Zayneb in Chicago. Zayneb balks at the trip at first, having envisioned another kind of vacation, but then decides a spiritual reset is calling her name too. And they can’t wait to see each other—surely, this is just what they both need. But the trip is nothing like what they expect, from the appearance of Adam’s former love interest in their traveling group to the anxiety gripping Zayneb when she’s supposed to be “spiritual.” As one wedge after another drives them apart while they make their way through rites in the holy city, Adam and Zayneb start to wonder: was their meeting just an oddity after all? Or can their love transcend everything else like the greatest marvels of the world?

Home Boy H. M. Naqvi, 2009-08-25 “Naqvi’s fast-paced plot, foul-mouthed erudition and pitch-perfect dialogue make for a stellar debut.” —Publishers Weekly (Starred Review) They are renaissance men. They are bons vivants. They are three young Pakistani men in New York City at the turn of the millennium: AC, a gangsta-rap-spouting academic; Jimbo, a hulking Pushtun DJ from the streets of Jersey City; and Chuck, a wideeyed kid, fresh off the boat from the homeland, just trying to get by. Things start coming together for Chuck when he unexpectedly secures a Wall Street gig and begins rolling with socialites and scenesters flanked by his pals, who routinely bring down the house at hush-hush downtown haunts. In a city where origins matter less than

the talent for self-invention, the three Metrostanis have the guts to claim the place as their own. But when they embark on a road trip to the hinterland weeks after 9/11 in search of the Shaman, a Gatsbyesque compatriot who seemingly disappears into thin air, things go horribly wrong. Suddenly, they find themselves in a changed, charged America. Rollicking, bittersweet, and sharply observed, *Home Boy* is at once an immigrant's tale, a mystery, and a story of love and loss, as well as a unique meditation on Americana and notions of collective identity. It announces the debut of an original, electrifying voice in contemporary fiction.

Privateer Princess Chelsey Jenkins, 2024-02-02 In *Privateer Princess*, Reginald is determined to bring down the notorious thief Bane, but he can't seem to catch him. He knows he needs to play by the rules, but breaking them has become a habit. To finally catch Bane, Reginald sets his sights on his hideout, but first he needs to discover its location. With a stowaway on board, he must keep his crew and the passenger safe while stopping a dangerous criminal. Meanwhile, Leora has always followed the rules, but when it comes to matters of the heart, she wants to take matters into her own hands. She sets out on a mission to find her lost love, which leads her on an adventure across the galaxy. Alongside the crew of the *Nero*, she uncovers a world filled with deceit, slavery, and danger. As Leora tries to save her people and her heart, she must navigate a treacherous path to find the one she seeks. Will she be able to find her lost love, or will her destiny take a different turn? *Privateer Princess* is an action-packed novel filled with adventure, danger, and romance that will leave you on the edge of your seat until the very end.

The Atheist Muslim Ali A. Rizvi, 2016-11-22 In much of the Muslim world, religion is the central foundation upon which family, community, morality, and identity are built. The inextricable embedment of religion in Muslim culture has forced a new generation of non-believing Muslims to face the heavy costs of abandoning their parents' religion: disowned by their families, marginalized from their communities, imprisoned, or even sentenced to death by their governments. Struggling to reconcile the Muslim society he was living in as a scientist and physician and the religion he was being raised in, Ali A. Rizvi eventually loses his faith. Discovering that he is not alone, he moves to North America and promises to use his new freedom of speech to represent the voices that are usually quashed before reaching the mainstream media—the Atheist Muslim. In *The Atheist Muslim*, we follow Rizvi as he finds himself caught between two narrative voices he cannot relate to: extreme Islam and anti-Muslim bigotry in a post-9/11 world. The Atheist Muslim recounts the journey that allows Rizvi to criticize Islam—as one should be able to criticize any set of ideas—without demonizing his entire people. Emotionally and intellectually compelling, his personal story outlines the challenges of modern Islam and the factors that could help lead it toward a substantive, progressive reformation.

Werewolves In Space Sean M. T. Shanahan, 2023-09-12 The Griffins—an elite paranormal strike force—receive a distress call from a classified Moon base. Upon arrival they are confronted with a terrifying scene . . . the base is overrun by werewolves! The Griffins face certain doom . . . composed of hasty replacements after heavy losses, they must battle not only werewolves—permanently transfigured by the lunar surface—but shadowy organisations vying to change the course of humanity. Discovering world

shattering secrets, can the Griffins save their comrades and stop the outbreak from reaching the nearby colonies before it's too late? Find out by buying *Werewolves In Space*, the first novella in *The Science Myth Saga*! You can't outlast them and you can't outrun them. Your only option is to hide . . . or die . . .

Reviewing **Dude Wheres My Kaabah**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Dude Wheres My Kaabah**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Dude Wheres My Kaabah Introduction

In today's digital age, the availability of Dude Wheres My Kaabah books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the

advantages of Dude Wheres My Kaabah books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Dude Wheres My Kaabah books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Dude Wheres My Kaabah versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Dude Wheres My Kaabah books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Dude Wheres My Kaabah books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books

are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Dude Wheres My Kaabah books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Dude Wheres My Kaabah books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes,

these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Dude Wheres My Kaabah books and manuals for download and embark on your journey of knowledge?

FAQs About Dude Wheres My Kaabah Books

What is a Dude Wheres My Kaabah PDF?

A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Dude Wheres My Kaabah PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Dude Wheres My Kaabah PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Dude Wheres My Kaabah PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different

formats. **How do I password-protect a Dude Wheres My Kaabah PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
