Musical Spaces James Williams,Samuel Horlor,2021-11-29 There is growing recognition and understanding of music’s fundamentally spatial natures, with significances of space found both in the immediacy of musical practices and in connection to broader identities and ideas around music. Whereas previous publications have looked at connections between music and space through singular lenses (such as how they are linked to ethnic identities or how musical images of a city are constructed), this book sets out to explore intersections between multiple scales and kinds of musical spaces. It complements the investigation of broader power structures and place-based identities by a detailed focus on the moments of music-making and musical environments, revealing the mutual shaping of these levels. The book overcomes a Eurocentric focus on a typically narrow range of musics (especially European and North American classical and popular forms) with case studies on a diverse set of genres and global contexts, inspiring a range of ethnographic, text-based, historical, and practice-based approaches.

Miles Morales: Shock Waves (Original Spider-Man Graphic Novel) Justin A. Reynolds,2021-06-01 An original middle-grade graphic novel from Graphix starring Brooklyn's Spider-Man, Miles Morales, by bestselling author Justin A. Reynolds and Eisner nominee Pablo Leon! Miles Morales is a normal kid who happens to juggle school at Brooklyn Visions Academy while swinging through the streets of Brooklyn as Spider-Man. After a disastrous earthquake strikes his mother's birthplace of Puerto Rico, Miles springs into action to help set up a fundraiser for the devastated island. But when a new student's father goes missing, Miles begins to make connections between the disappearance and a giant corporation sponsoring Miles' fundraiser. Who is behind the disappearance, and how does that relate to Spider-Man? A true middle grade graphic novel starring one of Marvel's most popular characters, bestselling author Justin A. Reynolds (Opposite of Always) and Eisner award-nominated artist Pablo Leon (Refugees) create a riveting story that will connect with new and well-versed comics readers alike.
