

Dyslexia

April McMurtrey

Overcoming Dyslexia Sally E. Shaywitz, 2003 Draws on recent scientific breakthroughs to explain the mechanisms underlying dyslexia, offering parents age-specific, grade-by-grade instructions on how to help their children.

What is Dyslexia? Alan M. Hultquist, 2008-03-15 Praise for What is Dyslexia?: '...informative, based on the latest research and compassionate - three qualities that make this a must read for parents and children struggling with dyslexia.' - Paul M. Quinlan, Ph.D. from The Curtis Blake Center Praise for An Introduction to Dyslexia for Parents and Professionals by the same author: 'Hultquist writes in such measured, clear and uncluttered prose that no one can take the journey from diagnosis to remediation without feeling that one is in the hands of someone who really understands the issues surrounding a dyslexia diagnosis, not only for the one diagnosed but also for the whole family and the professionals working with them.' - Dyslexia Contact, Vol. 26, Feb 2007 What is Dyslexia? is designed to help adults explain dyslexia to children. The author provides information about all the most common types of dyslexia: trouble with sounds, trouble remembering how letters and words look, trouble finding words, and mixed dyslexia. He deals with the basic facts and adopts a style which is accessible to children without talking down to them. The book includes clear examples which children will be able to understand, as well as activities for parents to do with their children. The author emphasises that everyone has strengths and weaknesses and that having dyslexia is okay. This book will be valuable for parents of children with dyslexia, as well as other adults working with children with dyslexia.

An Introduction to Dyslexia for Parents and Professionals Alan M. Hultquist, 2006-06-15 'This book does exactly what it says on the tin! Hultquist deals with the causes, types and sub types of dyslexia. He explains how dyslexia is diagnosed and remediated and gives appendices on agencies, resources and practical classroom strategies. I would highly recommend this book to parents who have just received a dyslexia diagnosis in the family, to professionals working with those with dyslexia and to specialist teachers to have as a handy reference/refresher tool. For all these audiences, Hultquist writes in such measured, clear and uncluttered prose that no one can take the journey from diagnosis to remediation without feeling that one is in the hands of someone who really understands the issues surrounding a dyslexia diagnosis, not only for the one diagnosed but also for the whole family and the professionals working with them.' - Dyslexia Contact 'This short, to - the- point book is an absolute must buy for any parent with a child with dyslexia, or any teacher with a child with dyslexia in her class. I asked a parent of a child with dyslexia to read this book and give me an honest opinion. Her reply is as good a recommendation as any review I can write: I could see my son straight away. I now understand why he has particular reading and writing difficulties. I hope his teacher reads this book and is able to take note of this author's advice..' - Special Children Magazine 'This is only a short book, but it is a model of consciousness and clarity. It covers much ground and should fulfill its purpose as an introduction for both parents and teachers who wish to increase their understanding of dyslexia.' -The School Librarian Journal This practical guide provides basic need-to-know information for parents and professionals and answers frequently asked questions about dyslexia. Using illustrative case studies, Alan M. Hultquist addresses many of the issues surrounding dyslexia, including possible causes and subtypes, means of testing, remediation and the controversial matter of staying back to repeat a school year. He identifies possible methods of classroom accommodation for dyslexic students in a range of subject areas. The list of useful resources at the back of the book can be used by parents and professionals to help explain dyslexia to children, and to help them find further information and teaching tools. This complete introductory guide to dyslexia is a must-read for parents of children with dyslexia, especially parents with children who are newly diagnosed, and for all those who work with dyslexic children and their families.

Dyslexia in Higher Education Amanda T. Abbott-Jones, 2021-11-04 People can best help dyslexic students once they understand dyslexia's association with anxiety and effective coping strategies, both cognitively and emotionally. By highlighting the perspectives of dyslexic students, this book evidences the prevalence of anxiety in dyslexic communities. The shared experience from a range of dyslexic learners pinpoints best practice models and helps combat the isolation felt by many with learning difficulties. The author targets academic areas where students struggle, offering techniques to overcome these barriers. Such obstacles are not always due to cognitive factors but may be associated with negative experiences, leading to fear and uncertainty. Recounting these sticking points through student voices, rather than from a staff viewpoint, enables readers to find meaningful solutions to dyslexia-related problems. Through this dynamic methodology, the book shows researchers and practitioners how to understand dyslexic needs on an emotional level, while presenting dyslexic readers with practical coping methods.

Dyslexia Wonders Jennifer Smith, 2009-08-15 A Child Knows More Than You Think. Written by a 12 Year Old Child With Dyslexia...Jennifer is struggling through school. Kids tease her, teachers question her ability. Her own family doesn't even understand her. Listen to her story as she tells it in her own words. Learn how she struggles from being different from her peers, how she reacted when she finally found out why, and how she overcame the trials dyslexia brought into her life. Parents, teachers, tutors, and family members will benefit from the lessons in this remarkable story. "I Have Dyslexia: This Does Not Define Who I Am!" Jennifer Smith For the one in every five children who has dyslexia and the millions of other's who struggle to read at their own grade levels and for their parents, teachers, tutors, families and friends.

Is It Dyslexia? April McMurtrey, 2024-02-13 Hands-on resources for screening readers of all ages for dyslexia In *Is It Dyslexia?*, certified dyslexia assessment specialist April McMurtrey delivers an accessible, hands-on framework for screening readers of various ages for dyslexia.. The book offers comprehensive, clear, and step-by-step processes you can apply immediately to confidently and accurately screen readers for dyslexia. The author shares the tools and strategies used by professional screeners, as well as first, next, and final steps you can take as you move forward with your screening results. The book includes: Explanations of what dyslexia is, as well as an overview of common talents and strengths often found in readers with dyslexia A collection of recommended accommodations for students with dyslexia in the home and school and effective literacy instruction for students with dyslexia A comprehensive dyslexia questionnaire, eleven different screening tests, and step-by-step instructions for administering them Ideal for tutors, homeschool teachers, parents, instructional coaches, counselors, and speech-language therapists, *Is It Dyslexia?* comes complete with reproducibles and links to video tutorials required for screening students of various ages.

The Dyslexia Checklist Sandra F. Rief, Judith Stern, 2010-01-12 Essential advice and resources for helping kids with dyslexia The Dyslexia Checklist is a valuable guide for parents and teachers that can help them better understand children and teenagers with dyslexia and other reading- and language-based disabilities. The book relays the most current research available and is filled with practical strategies, supports, and interventions. Using these tools teachers and parents can accommodate the needs and strengthen the skills of students with reading and writing disabilities across all age levels. The book is presented in a simple, concise, easy-to-read checklist format and is filled with useful advice and information on a wide range of topics. Explains what we now know about dyslexia from decades of research Contains games to strengthen a child's literacy and language skills Provides important information for hooking in reluctant and struggling readers Offers suggestions for enhancing skills in vocabulary, comprehension, composition and written expression, spelling, math, and more The book also provides information on the educational rights of students with dyslexia.

Everything You Need to Know About Dyslexia Meish Goldish, 2000-12-15 Explains the causes and symptoms of dyslexia and discusses how to overcome this disability and become a good reader and writer.

Dyslexia in Adults Kathleen Nosek, 1997-04 Outlines simple plans for accommodating or compensating for the limits of dyslexia and encourages the discovery and development of individual learning and working styles.

Overcoming Dyslexia For Dummies Tracey Wood, 2011-04-22 Includes tips and strategies for kids, teens, and adults with dyslexia Understand what dyslexia is, assess schools and programs, and help your child succeed Does your child mix up d's and b's? Does he or she have trouble reading? If so, the cause may be dyslexia. But don't worry -- these days, there are many ways to overcome dyslexia. This hands-on guide leads you step by step through your options -- and explains how anyone with dyslexia can achieve success in school and life. Discover how to * Recognize the symptoms of dyslexia * Understand diagnostic test results * Set up an Individualized Education Program (IEP) * Work effectively with teachers * Improve your child's reading skills

Dyslexia National Institute of Mental Health (U.S.), 1978

Dyslexia and the Journalist Tony Silvia, Suzanne Arena, 2021-08-18 For aspiring journalists, the challenges of dyslexia can seem insurmountable, especially in the face of an educational system that is ill-equipped to help. Many with dyslexia and related learning and attention deficit disorders also struggle with low self-esteem and emotional health, leading to the assumption that they cannot succeed, especially in a profession dominated by reading and writing. This book profiles famous broadcast journalists who overcame the long-overlooked, often misdiagnosed learning disability, dyslexia, to succeed at the highest level. Among them are Emmy Award winners, including CNN's Anderson Cooper and Robyn Curnow, NBC's Richard Engel, and ABC's Byron Pitts. For students and practicing journalists, it is a resource to learn more about dyslexia and how best to approach covering the invisible disability. Each of the journalists profiled offer advice into the best practices in researching, interviewing, writing, and presenting issues related to dyslexia.

The Power of Dyslexic Thinking Robert W. Langston, 2009-10 In *The Power of Dyslexic Thinking*, Robert Langston shares the inspirational stories of people who overcame the hurdles of living with dyslexia to become influential business and cultural leaders. From Kinko's founder Paul Orfalea to prominent financier Charles Schwab to Pulitzer Prize-winning cartoonist Mike Peters, Langston profiles some of the biggest players in the business world and elsewhere to paint amazing portraits of courage and dedication. Through both research and personal experience, Langston has come to believe that dyslexia is a condition that does not need curing, but rather a greater understanding of the different capabilities and skills it can provide those who have it. He hopes that understanding more about the creative and intuitive benefits of dyslexia will allow educators and parents, as well as dyslexic children, to see dyslexia not as a disability, but as a gift.

Dyslexic and Un-Stoppable Lucie M. Curtiss, Douglas C. Curtiss, 2015-04-07 Does your child have difficulty with reading? Is your child's teacher complaining about behavior or attention issues? Is writing a chore for your child? Could your child be dyslexic? You are in luck. *Dyslexic AND UN-Stoppable* is not just another book about dyslexia. It is uniquely designed for both the dyslexic and non-dyslexic reader. *Dyslexic AND UN-Stoppable* shows you how Lucie Curtiss, discovered her own dyslexia at age 25, developed tools and strategies to become a successful entrepreneur. She honed these tools as she helped her dyslexic son excel at school. She then enrolled her husband, Dr. Douglas Curtiss, a Yale-trained pediatrician, to contribute to this book. Together they show you how to implement these strategies in your life so that your dyslexic child can be UN-Stoppable. You'll find practical insights, real-life success stories, and online video tutorials to help your dyslexic child with reading, writing, spelling, math, and much more. And if you are dyslexic yourself, *Dyslexic and UN-Stoppable* will Inspire and Empower you to live the life of your dreams by: - Revealing the True Gifts dyslexia offers - Describing two real-life Success Stories from a mother and a son with dyslexia - Visually teaching you Tools and Strategies you can use every day - Helping you blast through the limitations of dyslexia by Discovering Your Niche - Showing you how to Navigate the School System step by step - Reinstilling your natural Love of Learning Another word for dyslexia is smart. So use these powerful strategies, discover your unique talents, and become UN-Stoppable!

Dyslexia Advocate! Kelli Sandman-Hurley, 2016-03-21 This straightforward guide provides the essential information for parents and advocates to understand US law and get the right educational entitlements for a child with dyslexia. Using case studies and examples, this book demonstrates clearly how to apply the Individuals with Disabilities Education Act (IDEA) to the unique requirements of a dyslexic child. It offers simple, intelligible help for parents on how to coordinate successfully with their child's school and achieve the right services and support for their dyslexic child; up to and beyond getting an effective Individual Education Plan (IEP). *Dyslexia Advocate!* is an invaluable tool for parents trying to negotiate a complex legal system in order to get the best outcome for their child. It is an essential guide for anyone who is considering acting as an advocate for a child with dyslexia.

Dyslexia Sylvia Moody, 2007 This practical guide for dyslexic and dyspraxic students gives advice and tips on how to cope with college life. Clearly and simply written, it addresses not just study skills, but all aspects of student life, such as finding your way around campus, dealing with unsympathetic tutors, and preparing for the world of work.

Teaching a Struggling Reader: One Mom's Experience with Dyslexia Pamela Brookes,2018-11-07 There are a lot of children (and adults) who struggle with reading. Some are helped by their schools, some are not. In this short booklet, Pamela Brookes shares some of the basic information she wishes she'd had when she was first trying to figure out how to help her child learn to read. Teaching A Struggling Reader: One Mom's Experience with Dyslexia is filled with links to informational and product resources for parents or teachers. It is geared to people who want to educate themselves in the methods that are effective in teaching those with dyslexia. It also contains photos demonstrating basic techniques like Tapping (using one's fingers to aid in sounding out words) and Making your bed to differentiate between b and d. This Third Edition includes new information and new links including the social and economic impacts of illiteracy. It also contains information on Early Intervention, including what parents can do if they suspect their young child may have dyslexia during the toddler and preschool years, and a section on What if It's NOT Dyslexia. This is a booklet that can be read in one sitting. However, there are ample links to provide an even greater experience. The hyperlinks are active in the e-book format. All DOG ON A LOG Books follow a systematic, structured literacy/Orton-Gillingham based phonics sequence.

Dyslexia Wendy Moragne,1997 Explains the nature of dyslexia, the various forms of treatment, and the many challenges faced by those living with this condition. Includes case studies and interviews.

The Human Side of Dyslexia Shirley Kurnoff,2001 This text is an inside look at dyslexia - the challenges, emotions and rewards - from childhood through to the college experience. It contains 142 interviews with parents, siblings and college students. It aims to help parents see how to tap the wonderful strengths of their children. It offers pragmatic steps for problem solving at each section's end. It also has a discussion of how siblings feel. While the title implies a book on dyslexia, its messages also work for parents of children with any kind of learning disability.

Academic Writing and Dyslexia Adrian J. Wallbank,2018-01-29 This book presents a unique visual approach to academic writing and composition specifically tailored to the needs of dyslexic students in higher education. Readers will learn to successfully structure and articulate their ideas, get to grips with critical reading, thinking and writing, and fulfil their full academic potential. The 'writing process' is demystified and techniques for writing compelling, insightful and mark generating essays are conveyed via innovative and meaningful representations, templates, images, icons and prompts, specifically designed to meet the visual and 'big picture' strengths of dyslexic learners. A companion website offers supplementary exercises, examples, videos and a full range of downloadable templates and bookmarks. Written by a dyslexic for dyslexics, Academic Writing and Dyslexia is underpinned by extensive research. As a dyslexic student you will learn to present your thoughts with confidence, critically evaluate competing arguments and gain top marks. The book will help you bridge the gap between your existing coping strategies and the increased demands and rigours of academic writing at university. It will be an invaluable resource for dyslexic students, academics, dyslexia specialists, learning developers and writing tutors throughout the higher education sector.

excerpts or short stories for free on their websites. While this might not be the Dyslexia full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Dyslexia eBooks, including some popular titles.

FAQs About Dyslexia Books

What is a Dyslexia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Dyslexia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Dyslexia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Dyslexia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Dyslexia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files

without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
