Jim Kegohan

Gamechanger Spencer FC, 2018-08-09 How one man went from gaming and making videos at home to becoming a football club owner 'The bizarre new world of football' Guardian I lifted the trophy triumphantly over my head, just as I'd seen so many FA Cup, World Cup and Champions League winners do on TV. It was quite simply the best moment of my life. Hashtag United had won. So, how on earth did this happen? How did a kid who at one point couldn't even get in his school team end up playing at Wembley Stadium in front of 20,000 people? How did someone who spent his life playing computer games get to play football in the same side as World Cup- and Champions League-winning players? I'm hardly sure myself. But here's my attempt to tell the story.

the way the most popular sport in the world is experienced. In doing so, the book serves as a reference text for scholars in many disciplines, including game studies, sociology of sports, history of games, and sports research.

How to Run a Football Club Jim Kegohan, 2020-08-03 *How to Run a Football Club* is the story of our national game. Told through a journey up the pyramid, from the muddy pitches and ramshackle changing rooms at grass-roots level to the glitz and glamour of the Premier League, the book explores that common theme that links the game at all levels - the simple love of the sport. It's there in the volunteer coaches who give up their Saturday mornings to teach kids how to play, the non-league club secretaries trying their best to get the pitch in good shape and the owners and investors risking their wealth in the unpredictable world of English football. *How to Run a Football Club* delves into their stories to find out what motivates the people who keep the game alive. It explores how the sport is evolving, with the growth of women's football, walking football and

esports. What does it take to run a good football club? How is money, or a lack of it, changing the game? Read this book to find out.
