Hidden History of Mobile Joe Cuhaj,2020 It was an unlikely place for a city, scourged by disease-ridden mosquitos and pummeled by hurricanes. But for more than three hundred years, Mobile has thrived on the unlikely and endured the unimaginable. Mobilians love their gumbo but are likely unaware that it was first served up here by women sent from France to foster population growth. Times were once so dire for free blacks that a shocking number petitioned the courts to become slaves. The city witnessed the first operational submarine, the first Mardi Gras celebration and the last major battle of the Civil War. Author Joe Cuhaj navigates the backwaters of Mobile's fascinating history.

Mobile and the Eastern Shore Frye Gaillard,Nancy Gaillard,Tracy Gaillard,2003-07-01 To say that Mobile has a rich history is like saying Nashville has a few musicians. The port city has a rich heritage dating back to the 1700's. The oldest city in Alabama, Mobile has seen the rule of the Spanish, the French, the British, the United States, the Confederacy, and the United States again. Mobile was celebrating Mardi Gras before New Orleans. Some of the last fighting of the Civil War took place on a hill outside the city, after Appomattox. Baseball stars Henry Aaron and Satchel Paige even played their first games of baseball in the sandlots here.

Filipinos in the East Bay Evelyn Luluguisen,Lillian Galedo,2008 Filipinos are a community nearly 2.5-million strong in the United States in 2007. At the turn of the 20th century, the first wave of Filipino migration began, continuing until the start of World War II. During this time span, sponsored students, veterans of the Philippine-American War and their families, and young men recruited in the Philippines to serve in the U.S. military or work in California and Hawaii's expanding agricultural industries would all arrive in the United States. On the San Francisco Bay Area's eastern shore,

Filipino presence in the labor force transitioned with the region's economic and social evolution from mainly farm and service laborers to industrial workers to professional, administrative, and service workers. Today the East Bay is a vibrant center of the Filipino community's deeply rooted and rich cultural, political, and economic life.
