The East India Company at Home, 1757-1857 Margot Finn, Kate Smith, 2018-02-15 The East India Company at Home, 1757–1857 explores how empire in Asia shaped British country houses, their interiors and the lives of their residents. It includes chapters from researchers based in a wide range of settings such as archives and libraries, museums, heritage organisations, the community of family historians and universities. It moves beyond conventional academic narratives and makes an important contribution to ongoing debates around how empire impacted Britain. The volume focuses on the propertied families of the East India Company at the height of Company rule. From the Battle of Plassey in 1757 to the outbreak of the Indian Uprising in 1857, objects, people and wealth flowed to Britain from Asia. As men in Company service increasingly shifted their activities from trade to military expansion and political administration, a new population of civil servants, army officers, surveyors and surgeons journeyed to India to make their fortunes. These Company men and their families acquired wealth, tastes and identities in India, which travelled home with them to Britain. Their stories, the biographies of their Indian possessions and the narratives of the stately homes in Britain that came to house them, frame our explorations of imperial culture and its British legacies.

Women and Media in the Middle East Nahed Eltantawy, 2017-10-02 The traditional image of the Middle Eastern woman, as portrayed by the Western media, has tended to be one of a woman oppressed by men and religion. Veiling intensifies this image of supposed powerlessness and imprisonment. However, the Arab Spring uprisings have introduced the West to women in the Middle East who do not conform to this stereotype, and have shown the Western media that Middle Eastern women cannot be categorized altogether as one oppressed, powerless group. This book investigates the diverse realities and complexities of women in the Middle East in terms of their relationship with media platforms old and new. Contributors offer a range of perspectives that discuss everything from media portrayals of the veil to women in film and television, from women's involvement as activists on the street to the role played in the Arab Spring by cyber activism. The collection provides insight into how some women in the Middle East are utilizing traditional as well as new media for purposes of self-expression, activism, and democratization, while also investigating media portrayals of women at home and in the West. This book was originally published as a special issue of *Feminist Media Studies*.

THE WILDER SHORES OF LOVE Lesley Blanch ,2015-03-11 Ideal reading for anyone looking for adventure and romance in unusual settings. Lesley Blanch writes about four strong women in The Wilder Shores of Love. Turning East, away from 19th Century Europe and conventional living, they found emancipation through escape and adventure. Isabel Burton married the Arabist and explorer Richard Burton; they worked together on his translation of A Thousand and One Nights; Jane Digby el-Mezrab (Lady Ellenborough, the society beauty), had four husbands and numerous lovers, including Honoré de Balzac and King Ludwig I of Bavaria. She ended up living in the Syrian desert with a young Bedouin chieftain; Aimée Dubucq de Rivery was a French convent girl who was captured at sea by pirates and became the consort of Sultan Abdul Hamid I; and Isabelle Eberhardt was a Swiss linguist who went to Algeria where she lived among tribesmen in the Sahara, converted to Islam, and dressed as a man. ANAIS NIN — “I read The Wilder Shores of Love by Lesley Blanch and became completely devoted to her writing. It is a book of great vitality, superb storytelling. She is herself Scheherazade telling about four remarkable women. I was fascinated by the charm and with which she tells biographical facts. The four women became my heroines. I read the book several times. My admiration for her was total. The Wilder Shores of Love would have made colourful and entrancing films.” CARSON McCULLERS — “The Wilder Shores of Love is a book of such radiance and strength.” FREYA STARK — “A book as excellent as its title.” WASHINGTON POST BOOK WORLD — “Love, wanderlust, faraway places – all that Romance implies – make up this delicious book.” NEW YORKER — “Four seething but most enjoyable studies in headlong nonconformity.” DAILY TELEGRAPH — “Enthralling to read.”

Star of the East Kathryn Guare, 2021-11-26 An escapade of stolen treasure, with deadly consequences. As part-time operatives, Conor McBride and Kate Chatham are trained for unexpected developments, but their current troubles have nothing to do with undercover work. Overwhelmed by meddling relatives, an engagement party they didn't want, and their own short tempers, they'd welcome any stress-relieving antidote. They just didn't expect it to appear in the form of stolen treasure, buried in a bloody mound of snow on a deserted back road. Their startling discovery quickly turns to unstoppable escapade, and unlike others Conor barely lived through, it feels like a Sherlock Holmes caper more than any MI6 enterprise. In pursuit of an unknown thief, the mystery sends him north to the border, teamed with a deceptively folksy police chief, and a sergeant from the Royal Canadian "Mounties" who's keen for the adventure. While they follow a trail of clues into the mountains of Quebec, Kate remains in Vermont to identify the treasure and its owner. Working with an eccentric gem expert and two FBI agents, she learns its incredible history points directly to Fifth Avenue, and one of the most celebrated names in New York. Once there, Kate uncovers an international connection that raises the stakes beyond anything they'd imagined. The game is afoot and every bit the distraction they wished for, but as Conor chases their elusive thief up the St. Lawrence Seaway and into the teeth of a blizzard, the odds of missing his own engagement party grow with every mile. Even more troubling, the whispered warnings of his sixth sense are proving once again prophetic. Their escapade is turning deadly, looking more like an MI6 mission, after all. Now, he and Kate will need all their operational skills to finish what they started, and to make it home alive.

A Dove of the East Mark Helprin, 2012-06-05 This "dazzling collection" of short stories by the World Fantasy Award-winning author of Winter's Tale contemplates the human experience across the globe (The San Francisco Chronicle & Examiner). In these twenty stories, Mark Helprin offers a series of meditations on some of humanity's most enduring and universal questions. At the hour of his death, an American priest in Rome must choose between his church and his God. A young man finds love in a hot, dirty typewriter-ribbon factory in the Bronx. A Dutch child in a Canadian orphanage carries the pain of war and her love for her family in her heart. An Israeli scout risks the safety and respect of his comrades in an act of transformative charity. Through beautifully rendered memories and moments of epiphany, "all Helprin's stories deal with essences which lead from the heart...his images are clean and sharp and bright" (Kirkus). "When you read these stories, a you must, you will, I believe, be uplifted and awed."—Cleveland Plain Dealer

Race and Racism in Modern East Asia, 2012-11-01 Race and Racism in Modern East Asia juxtaposes Western racial constructions of East Asians with constructions of race and their outcomes in modern East Asia. Beyond East and West Suchethana Swaroop, 2019-04-12 This volume is a cross-cultural study of the evolution of civilisation. Drawing its material and inspiration from literature and culture, it looks at the achievements of humankind as a single imaginative experience. The book examines how traditions of poetry and literature have shaped cultures, societies and civilisations, and their inter-relatedness. Analysing stereotypes in Asia and Europe, the author raises

questions fundamental to our perceptions of culture, democracy, and language. He throws light on dominant languages and languages cast aside by the tides of history, and attributes the status of English as a 'world language' to ideas propagated in the great epics of the West — particularly Roman — and the poetic heritage shaped by them. Discussing the fallout of that dream on other cultures and 'non-technical' languages of the world, this book investigates questions of legitimacy and desirability of a single language or culture becoming universal. A sensitive and nuanced work, it promises a good read for general readers as well as researchers interested in world literature, comparative literature, sociology and cultural studies, in the interaction between science and art, and in the forces that shape the world order.
