Easy Grocery List Nick Howard,2019-09-21 Have trouble keeping your grocery list straight? Always seem to run around the store like a chicken with its head cut off? The Easy Grocery List can help solve this problem! Each page has two charts with the first chart being separated into Food/Beverage, Personal Care, and Home Care categories. Food/Beverage is where you list all your food items whereas shampoo, medicine, tooth paste would be listed under the personal care section. Items like paper towels, tissues, and cleaning supplies would be listed under the Home Care section. The second chart consists of the Pet Care, Hardware, and Other categories. Pet Care and Hardware are pretty self explanatory, and then the Other section would include anything else that does not fit into one of the other categories. The Easy Grocery List will definitely help shoppers keep their lists organized which will prevent them from having to constantly run around the whole store.
