English Made Easy Volume One Jonathan Crichton,Pieter Koster,2013-02-05 This is a fun and user-friendly way to learn English English Made Easy is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress effortlessly from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 1 consists of a total of 20 units arranged in groups of five. The first four units present language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with a pronunciation guide. At the end of each unit, an entertaining story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

I Am Perfectly Designed Karamo Brown,Jason "Rachel" Brown,2019-11-05 I Am Perfectly Designed is an exuberant celebration of loving who you are, exactly as you are, from Karamo Brown,

the Culture Expert of Netflix's hit series *Queer Eye*, and Jason Brown—featuring illustrations by Anoosha Syed. In this empowering ode to modern families, a boy and his father take a joyful walk through the city, discovering all the ways in which they are perfectly designed for each other. With tenderness and wit, this story captures the magic of building strong childhood memories. The Browns and Syed celebrate the special bond between parent and child with joy and flair...Syed's bright, cartoon illustrations enrich the tale with a meaningful message of kindness and inclusion.—Kirkus

Just Look 'n Learn English Picture Dictionary Daniel J. Hochstatter, 2003-02-21 Charming characters and easy-to-understand contextual sentences add up to foreign language dictionaries that children will adore! The Just Look 'n Learn Picture Dictionary series can be used as a way to build the language skills of children ages seven through twelve, or as home reinforcement of school learning for students grades three through six. Each book defines and illustrates more than 1,500

commonly taught words in the language. Accompanied by colorful and fun illustrations, each entry begins with a headword given in English, followed by its translation and example sentences in both languages all to make the meaning of each word perfectly clear. Also, these dictionaries aid learning of numbers, days of the week, directions, and telling time in the new language. Both adults and children will find that this series makes language learning easy and enjoyable.

Handbook of Bilingualism Judith F. Kroll, Annette M. B. De Groot, 2009-02-16 How is language acquired when infants are exposed to multiple language input from birth and when adults are required to learn a second language after early childhood? How do adult bilinguals comprehend and produce words and sentences when their two languages are potentially always active and in competition with one another? What are the neural mechanisms that underlie proficient bilingualism? What are the general consequences of bilingualism for cognition and for language and

thought? This handbook will be essential reading for cognitive psychologists, linguists, applied linguists, and educators who wish to better understand the cognitive basis of bilingualism and the logic of experimental and formal approaches to language science.
