This book is a compilation of those issues. The subject material is varied and diverse---the bulk of it is a recounting of real life experiences, both mundane and dramatic, frequently analyzed from sociological, philosophical, psychological and humanistic perspectives. It also includes commentary on sociological issues, as well as topical commentary on the events of the day: the O.J. Simpson trial, the death of Princess Diana, and September 11, 2001. Sports topics of the day are discussed, and a smattering of poetry is also included, as well as reader commentary.
