Advanced Photography Michael Langford,1998 Advanced Photography is a practical book for students and serious enthusiasts who wish to achieve more professional looking results. From choosing lenses and camera equipment, to film types and technical data, lighting and tone control, processing management and colour printing; the book offers technical solutions and practical advice on all aspects of professional photography. The book has now been fully revised, to include not just the latest camera equipment and films, but explains how new digital methods can be used alongside silver halide systems - allowing the reader to benefit from the best practical features of each. Written as a companion volume to the international bestseller Basic Photography this book has enjoyed a long established reputation as a technical 'bible' for new professionals. It will appeal to anyone wishing to improve on their basic skills in practical photography - enabling you to achieve a higher standard of work and to deal more professionally with clients, agents and suppliers. The late Michael Langford was Former Photography Course Director at the Royal College of Art in London. He was intimately involved with photography courses at all levels and as a result fully understood what a student needed. His other books for Focal Press are: 'Basic Photography', 'Story of Photography' and 'Starting Photography'.

Advertising Creative Tom Altstiel,Jean Grow,Dan Augustine,Joanna L. Jenkins,2022-04-18 Advertising Creative, Sixth Edition gets right to the point of advertising by stressing key principles and practical information students and working professionals can use. Drawing on personal experience as award-winning experts in creative advertising, this new edition offers real-world insights on cutting-edge topics, including global, social media, business-to-business, in-house, and small agency advertising. In the new edition, authors Tom Altstiel, Jean Grow, Dan Augustine, and Joanna Jenkins take a deeper dive into the exploration of digital technology and its implications for the industry, as they expose the pervasive changes experienced across the global advertising landscape. Their most important revelation of all is the identification of the three qualities that will define the future leaders of this industry: Be a risk taker. Understand technology. Live for ideas. The latest edition addresses some of the key issues impacting our industry today, such as diversity in the workplace, international advertising, and design in the digital age.

Editing for the Digital Age Thom Lieb,2015-01-14 A Balanced Approach for the Modern Writer and Editor Whether working in a traditional newsroom or as a one-person blogging operation, every good writer needs to become his or her own best editor. Editing for the Digital Age provides editors and writers with the tools necessary to ensure that published material is accurate, readable, and complete. The book provides guidance in copy editing fundamentals, including correcting grammar, conforming the writing to a style guide, and revising material so that it is tightly written and clear. The text is designed for today’s digital publishing landscape and addresses the many issues writers and editors now face on a daily basis—handling legal issues such as liability, copyright, and libel; writing headlines that will attract readers; creating multimedia packages to support an article or post; and using various forms of social media to curate content and connect with audience members. Chapters focus on key areas and themes for editing in the digital age, and Write Right writing and grammar exercises are woven into every chapter to progressively build students’ editing skills.

Circle Round Starhawk,2020-09-15 In our rushed, stressed society, it's sometimes difficult to spend meaningful time as a family. Now Starhawk, Diane Baker, and Anne Hill offer new ways to foster a sense of togetherness through celebrations that honor the sacredness of life and our Mother Earth. Goddess tradition embraces the wheel of life, the never-ending cycle of birth, growth, love, fulfillment, and death. Each turn of the wheel is presented here, in eight holidays spanning the changing seasons, in rites of passage for life transitions, and in the elements of fire, air, water, earth, and spirit. Circle Round is rich with songs, rituals, craft and cooking projects, and read-aloud stories, as well as suggestions for how you can create your own unique family traditions. Here are just some of the ways to make each event in the cycle of life more special: Mark Summer Solstice by making sweet-smelling herb pillows for good dreams Send a teenager off to college with the Leaving Behind and Carrying With rituals Comfort an injured child with the Tree of Life meditation Commemorate a loved one by planting or donating a tree As a one-of-a-kind resource for people of many faiths and beliefs, Circle Round will be a beloved companion in your home for years to come.
