Ebay Rescue Problem Solver Kevin W. Boyd,2009-01-06 eBay® made e-z! The troubleshooter for avoiding expensive mistakes. Selling on eBay® can be confusing, frustrating, and often discouraging, no matter the seller's skill level. Most sellers are self-taught, starting with a beginner's book and progressing to trial-and-error listings that produce hit-or-miss results and expensive mistakes. eBay® sellers often have so many questions, problems, and, at the same time, so many creative ideas that sometimes 'listing paralysis' occurs. Where do they go to get their answers? eBay® help desk representatives can only provide sterile, procedural answers - not practical, tactical solutions. Many good books about eBay® are on the market, and although the more intermediate and advanced books provide good tips and strategies, they miss the most critical need eBay® sellers have - solving their problems. Sellers need an eBay® guru. In eBay® Rescue Problem Solver, readers find answers to the most challenging eBay-related questions concerning: - eBay® and PayPal® account management - Buying, selling, and bidding - Payments and shipping - Listing creation and advanced listing techniques - Nonpaying and trouble bidders - Photography and the best way to use it - International selling
