Ebay Rescue Problem Solver Kevin W. Boyd, 2009-01-06 eBay® made e-z! The troubleshooter

for avoiding expensive mistakes. Selling on eBay® can be confusing, frustrating, and often discouraging, no matter the seller's skill level. Most sellers are self-taught, starting with a beginner's book and progressing to trial-and-error listings that produce hit-or-miss results and expensive mistakes. eBay® sellers often have so many questions, problems, and, at the same time, so many creative ideas that sometimes 'listing paralysis' occurs. Where do they go to get their answers? eBay® help desk representatives can only provide sterile, procedural answers - not practical, tactical solutions. Many good books about eBay® are on the market, and although the more intermediate and advanced books provide good tips and strategies, they miss the most critical need eBay® sellers have - solving their problems. Sellers need an eBay® guru. In eBay® Rescue Problem Solver, readers find answers to the most challenging eBay-related questions concerning: - eBay® and PayPal® account management - Buying, selling, and bidding - Payments and shipping - Listing creation and advanced listing techniques - Nonpaying and trouble bidders - Photography and the best way to use it - International selling

Miller, 2006-10-12 The power of online auctions is attracting hundreds of thousands--if not millions--of users who want to turn their eBay hobbies into profitable businesses. While turning an eBay hobby into an eBay business might look easy, making that business profitable is much more difficult. Not enough sellers treat their eBay sales as a business, and subsequently are disappointed in the results. To launch a successful and profitable eBay business, the detailed instructions in this book will show you how to get started. This book is a step-by-step guide for anyone serious about making money from their eBay sales. Unlike other computer-oriented titles, this is a straight-ahead business book that shows how to set up and run different types of eBay businesses, and how to maximize sales and profits while doing so. This book includes a section titled Choosing Your eBay Business that details six different types of eBay businesses you can start. Included in this section is a chapter on eBay Trading Assistants (AKA drop-off stores or consignment stores), which is the newest form of an eBay business.
