Pro-Voice Aspen Baker,2015-06-01 *Dialogue, Not Dogma* When Aspen Baker had an abortion at the age of twenty-four, she felt caught between the warring pro-life and pro-choice factions, with no safe space to share her feelings. In this hopeful and moving book, Baker describes how she and Exhale, the organization she cofounded, developed their “pro-voice” philosophy and the creative approaches they employed to help women and men have respectful, compassionate exchanges about even this most controversial of topics. She shows how pro-voice can be adopted by anyone interested in replacing ideological gridlock with empathetic conversation. Peace, in this perspective, isn't a world without conflict but one where conflict can be engaged in—fiercely and directly—without dehumanizing ourselves or our opponents.

The Story of the Pony Express Glenn D. (Glenn Danford) Bradley, 2012-08-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although

occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
