

Eddie Halliwell

JA Banks

Origin of Haloes Kristen Den Hartog,2012-02-21 When sixteen-year-old gymnast Kay Clancy finds herself pregnant by the handsome Coach Halliwell, she tells a lie that has dire consequences. Despite her transgressions, she manages to marry the young Joe LeBlanc, and embarks on a happy life with him until suddenly, late in Kay's third pregnancy, he vanishes, along with his treasured canoe. Joe is nowhere to be found, but his paddle surfaces near a dock in front of the Halliwell home, where the coach lives with his manic but fragile wife, Marie, and their son, Eddie. Years on, Margar, the mischievous daughter Joe never knew, is determined to find her father. Time and again she is drawn to that house by the river. What Margar discovers there will change forever the way she views her family. From the acclaimed author of Water Wings and The Perpetual Ending, Origin of Haloes is a novel of lives large and small, interweaving captivating vignettes from Olympic history and Greek mythology with small-town Ontario to tell a story of love, betrayal, and loss.

DJing for Beginners Matt Anniss,2016-07-20 Have you pictured yourself spinning the decks and mixing records? Do you want to create new sounds but are unsure where to start? From hip-hop to trance, DJing for Beginners tells you everything you need to know about the equipment and the techniques behind mixing records and sounds in rap, dance, reggae and other styles.

How to DVJ Charles Kriel,2013-01-25 How to DVJ is THE manual for the new generation of DJ's incorporating all the modern advances in digital technology- vinyl decks are replaced by digital decks, and sound is combined with visual imagery. Covering all the basics of scratch, blending and mixing as well as explaining image manipulation such as wipes, layering and fades the book is set to unleash creativity and take DJ's from the bedroom to Ibiza. The accompanying DVD includes tutorial material from the 'pioneer' of DVJing as well as essential information for connecting DVJX1's to mixers, operation of the system, digital scratch technique and most importantly how to use pre-made video material to make a DVJ-style music video in fifteen minutes.

Push Guide to Which University Johnny Rich,2005-05 This popular guide has been fully updated and redesigned to reflect exactly what today's students want to know. It is the most accessible guide to higher education and student life in the UK and provides reliable, lively and unbiased information on what universities really offer. The establishments are listed alphabetically, with each entry providing a wealth of information, from a description of the campuses to famous alumni. A separate section supplies a list of courses and which universities offer them, making it easy for the reader to cross-reference their chosen course with the right university.

Masticando Vidrios ,

Billboard ,2012-01-07 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Ed, Not Eddie Max Everhart,2018-11-19 Ed Leviner, a young female pitcher who's broken every collegiate pitching record, is desperate to make it to the Major Leagues. But someone in the idyllic Southern town of Cook, South Carolina, has threatened to kill her if she pitches in her next big game. Which is in a few days. Which doesn't give private eye and ex-ballplayer Eli Sharpe much time to identify the source of these threats. Ed has lots of admirers but few friends and several enemies and detractors in this conservative community. Then there's her feuding divorced parents, her spurned tutor, a disgraced coach turned evangelical minister, and the local sheriff, a bully whose son is one of Ed's discarded boyfriends. Though local law enforcement is oddly unhelpful, Eli is not alone in his search for answers. The TV news team covering the protests is headed up a beautiful anchorwoman from Eli's past. Is she on his side or not? As usual, Eli is busy raising hackles in a town where there's more than one mad dog in disguise. Praise for ED, NOT EDDIE: "Max Everhart writes a great story with the twists and turns required for a solid mystery, but the home run in Ed, Not Eddie is his ability to craft dynamite characters. From the wisecracking protagonist Eli Sharpe to the walk-on characters with only a single line, Everhart invents a unique voice for everyone. If this is your first foray into the Eli Sharpe mystery series, Ed, Not Eddie will have you scrambling to catch up with books one and two." —Elena Hartwell, author of the Eddie Shoes Mystery series "Ed, Not Eddie is the best written of the Eli Sharpe mysteries. There are strong characters with an intriguing plot. Best of all the narrative flows smoothly. Pages glide by. It has the potential to be a breakthrough book for Everhart." —Suspense Magazine

Halliwell's Horizon Michael Binder,2011-07 The first full biography of the film encyclopaedist and television impresario Leslie Halliwell, who in 1965 compiled The Filmgoer's Companion, the first one-volume reference book devoted to all aspects of the cinema. In his capacity as chief buyer for the ITV network, Halliwell was further responsible for bringing to British television screens some of the most popular films and shows of the 1970s and 80s, including The Six Million Dollar Man, Charlie's Angels, The Winds of War, Jaws, Star Wars and the James Bond movies. His promotion of the cinema through his books and seasons of 'golden oldies' on Channel 4 won him awards from the London Film Critics' Circle and the British Film Institute, as well as a posthumous BAFTA. Film historian Jeffrey Richards said of 'Halliwell's Horizon', I enjoyed it enormously. It combines exhaustive research with critical insight and affectionate regard, bringing Halliwell and his work to vivid life.

Manageress Stan Hey,1989-05

The Edward G. Robinson Encyclopedia Robert Beck,2015-09-16 Edward G. Robinson, a 1930s cinema icon, had an acting career that spanned more than 60 years. After a brush with silent films, he rose to true celebrity status in sound feature films and went on to take part in radio and television performances, then back to Broadway and on the road in live theatre. This work documents Robinson's every known public performance or appearance, listing co-workers, source material, background and critical commentary. The entries include feature films, documentaries, short subjects, cartoons, television and radio productions, live theatre presentations, narrations, pageants, and recordings. Also included are entries relating to his life and career, ranging from his wives to his art collection.

Eddie Kenneth Osmond,Christopher J. Lynch,Jerry Mathers,2014-09-03 Eddie Haskell was the bad kid who never went away. When child actor Ken Osmond stepped onto the set of Leave it to Beaver in 1957, he not only entered our living rooms, he homesteaded a permanent place in American pop culture. The poster child for sneaky, rotten kids everywhere, he was the reference point for cautious mothers to warn their children about. And every one in America knew an Eddie Haskell at some point in his or her life. The amazing phenomenon of Ken Osmond's character is still going strong, over half a century after the show's cancellation. Even today, the name Eddie Haskell remains firmly entrenched in the American lexicon. Political foes from both sides of the ideological spectrum love to accuse their opponents of 'acting like Eddie Haskell,' and when Kobe Bryant argues a referee's call, tweets go out labeling him and 'Eddie Haskell'. Psychology Today Magazine has published articles about recognizing and treating the 'Eddie Haskell Syndrome' and Matt Groening created Bart Simpson as his own version of the 'son of Eddie Haskell.' Now it's time to meet Ken Osmond, the man behind America's preeminent bad boy. A man who, as co-star Jerry Mathers said, 'Was the best actor on the program, because he was so diametrically opposed to the character he played.' A devoted husband, father, and patriot, he's a man who's been forever shadowed by Eddie Haskell, but whose own life, was even more amazing than the character he portrayed (from Amazon website)

Halliwell's Harvest Leslie Halliwell,1986

Let Me Just Say Eddie Hall,2013-12-01 Eddie Hall's one-man crusade against the forces of stupidity continues in the second journal from the UK's youngest grumpy old man. In this book, Eddie tries to uncover the answer to important worldly questions like why cinema seats are designed to paralyse people from the waist down, as well as offer useful insights; like how not going to the gym could reverse global warming and why no

man will ever understand what a woman is talking about. Like his first book, A Certain Point of View, this book contains a collection of satirical articles designed to amuse and offend in equal measures. Warning: This book contains sarcastic material. Do not read if you suffer from any of the following conditions: A sense of humour deficiency, Humourphobia, Easilyoffendeditis or Americanitis.

Eddie Murphy Hal Marcovitz, 2023 Even as a young boy, Eddie Murphy knew how to make people laugh. He first took the stage at the age of 15, emceeing an amateur talent show.

A Measure of Grim Delight Eddie Hammond, 2018-04-11 A young Irish mechanic is persuaded by an American banker's daughter attending a post-graduate course in Belfast to return to America with her. There they will seek new opportunities and find themselves a niche and utopia in a warmer climate. After marrying in the United States, the newlyweds set off in their mobile home to start afresh. From humble beginnings, they build up a successful business that shows huge potential. But they tread on the toes of a megalomaniac who sets out and succeeds in destroying their business. They are determined to fight back and get recompense against tremendous odds.

The Prince, The novel revolves around the likeable character of teenage wimp Billy Sykes whose vision of modern Ireland is coloured by his dysfunctional adoptive family, his legendary half-brother Herbert and a cast of friends and foes who slip in and out of allegory, not to mention life and death, with the ease of champion figure skaters. Psychedelia grounded in street dialogue is at least as good a tag as surrealism: Billy lives in a waking nightmare much of the time, but the reader gets an ongoing chance to feel clever at allusion-spotting, as Holy and Unholy trinity swap sides with alarming frequency. There are several contenders for the role of The Prince himself. Wholly herself, however, is Billy's hefty and horrible cousin Agnes, sociopath par excellence: the sort of girl who would pull the legs of horses, cackling the while and a truly remarkable comic creation. Sharon Barnes 'In Dublin' magazine

Hollywood Music Industry Directory, 2008 Find the biggest names in music--fast! * The full 411 on everybody who's anybody in music * Title, address, phone, fax, e-mail--even assistants' names--in every listing * Replaces 1-928936-54-7, Hollywood Music Industry Directory, 4th Edition The new edition of the Hollywood Music Industry Directory lets everyone's fingers do the walking through the music business today.
