Edinburgh Alexander Chee,2016-02-02 From the best-selling author of *How To Write an Autobiographical Novel*, Alexander Chee's award-winning debut is One of the great queer novels . . . of our time.—Brandon Taylor, *GQ* Twelve-year-old Fee is a shy Korean-American boy growing up in Maine whose powerful soprano voice wins him a place as section leader of the first sopranos in his local boys choir. But when, on a retreat, Fee discovers how the director treats the boys he makes section leader, he is so ashamed, he says nothing of the abuse, not even when Peter, Fee's best friend, is in line to be next. The director is eventually arrested, and Fee tries to forgive himself for his silence. But when Peter takes his own life, Fee blames only himself. Years later, after he has carefully pieced a new life together, Fee takes a job at a private school near his hometown. There he meets a young student, Arden, who, to his shock, is the picture of Peter—and the son of his old choir director. Told with “the force of a dream and the heft of a life” (Annie Dillard), this is a haunting, lyrically written debut novel that marked Chee “as a major talent whose career will bear watching” (Publisher's Weekly).

The Oxford Art Book Emma Bennett,2018-09-12 A colourful showcase of one of the most beautiful cities in the world. Inspired by Oxford's unique architecture and historic university, over 50 artists have produced a unique collection of contemporary images illustrating all aspects of the city and surrounding area. Oxford is both a thriving city and a byword for one of the world's best universities. Its ancient buildings are the wonder of the world, still used and inhabited by an energetic and passionate student community. From tightly-packed Cornmarket street catering for the shoppers of the busy city to Oxford's lush riverside walks that provide an asylum from the bustle of everyday life, to traditional St Giles's Fair and May Day that attract visitors from across Oxfordshire and beyond, this book represents them all, including: - Quirky hidden gems such as The Eagle and Child (the pub frequented by J.R.R. Tolkien and C.S. Lewis) and the many cafes of the Covered Market - Innovative representations of classic tourist sites: the Bodleian Library, the Radcliffe Camera, the Sheldonian Theatre, Christ Church College, Magdalen College and many more... - The Mini Car Plant and Cowley Road transformed into artworks There is so much to wonder at in this lovely book. Its enthusiasm reveals a passion for both contemporary art and the lovely city of Oxford. It will renew memories and inspire visits and revisits to all its haunts.

Edinburgh Michael Fry,2011-03-21 The late poet laureate, Sir John Betjeman, said that Edinburgh was the most beautiful city in Europe. Like some other great cities it is set on seven hills. But only one of these, Rome, rivals Edinburgh in matching the beauty of its setting with the stateliness of its buildings. Edinburgh, too, provides the backdrop to much of the dark drama of the Scottish past, from Mary Queen of Scots to Bonnie Prince Charlie and beyond. Michael Fry, who has lived and worked there for nearly forty years, provides a compellingly readable account of this great city, from the earliest times to the present, balancing Edinburgh's cultural, political and social history, and painting a vivid portrait of a city - that like Stevenson's *Dr Jekyll* - is both dark and light, both dark and light, both 'Auld Reekie' and 'Athens of the North'. 'Impressive ... in the style of Peter Ackroyd's history of London' Magnus Linklater, *Spectator* 'No one interested in the history of Edinburgh, and indeed Scotland, should be without it' Allan Massie,Scotsman

Lost Edinburgh Hamish Coghill,2014-03-03 What happened to Edinburgh's once notorious but picturesque Tolbooth Prison? Where was the Black Turnpike, once a dominant building in the town? Why has one of the New Town designer's major layouts been all but obliterated? What else has been lost in Edinburgh? From Edinburgh's mean beginnings - 'wretched accommodation, no comfortable houses, no soft beds', visiting French knights complained in 1341 - it went on to attract some of the world's greatest architects to design and build and shape a unique city. But over the centuries many of those fine buildings have gone. Some were destroyed by invasion and civil strife, some simply collapsed with old age and neglect, and others were swept away in the 'improvements' of the nineteenth century. Yet more fell to the developers' swathe of destruction in the twentieth century. Much of the medieval architecture vanished in the Old Town, Georgian Squares were attacked, Princes Street ruined, old tenements razed in huge slum clearance drives, and once familiar and much loved buildings vanished. The changing pattern of industry, social habits, health service, housing and road systems all took their toll; not even the city wall was immune. The buildings which stood in the way of what was deemed progress are the heritage of Lost Edinburgh. In this informative and stimulating book. Hamish Coghill sets out to trace many of the lost buildings and find out why they were doomed. Lavishly illustrated, Lost Edinburgh is a fascinating insight into an ever-changing cityscape.

The Finishing School Muriel Spark,2007-12-18 From Muriel Spark, the grande dame of literary satire, comes this swift, deliciously witty tale of writerly ambition that recalls her beloved The Prime of Miss Jean Brodie.College Sunrise is a somewhat louche and vaguely disreputable finishing school located, for now, in Lausanne, Switzerland. Rowland Mahler and his wife, Nina, run the school as a way to support themselves while he works, somewhat falteringly, on his novel. Into Rowland's creative writing class comes seventeen-year-old Chris Wiley, a red-haired literary prodigy whose historical novel-in-progress, on Mary Queen of Scots, has already excited the interest of publishers. The inevitable result: keen envy, and a game of cat and mouse fraught with jealousy and attraction, both literary and sexual.

An indispensable guide for those who thought they knew Edinburgh well, or who would like to explore the curiosities of this most secretive of cities.
