*Action Guide For Effective Discipline In The Home And School* Margaret K. Cater, 2013-09-05 First published in 1992. This Action Guide is for individual or group study of the book *Effective Discipline in the Home and School* by Genevieve Painter and Ray Corsini. This book assists parents, teachers, and counselors in training children so that home and school will be happy and efficient, organized but pleasant -- with adults satisfied with their children and children growing up to be respectful, responsible, and resourceful. It provides solutions and emphasizes practicality.

**Action Guide for Effective Discipline in the Home and School** Margaret K. Cater, 1992 This book assists in understanding and using the theories and techniques offered in the book *Effective Discipline in the Home and School* (1990). This book suggests where and when to start, how to put the ideas and methods into use, clarifying important steps, and giving step-by-step ways to put into effect each of the essential skills. In Part I, *Action Guide for Parents*, material is divided into 11 sections, including a first section on an organizational meeting and ten sections on week 1 through week 10. The weekly sections include individual study plans and group meeting formats and study questions, as well as information specific to the topics covered that week. In Part II, *Action Guide for Teachers*, material is divided into eight sections, including a first section on preparing for an organizational meeting and seven sections on week 1 through week 7. The weekly sections include individual study plans and teachers' group formats, as well as study questions and other material specific to that week's topics. (ABL)

*A Common Sense Approach To Discipline* Mike Stefanick, 2019-08-26 Are you a parent, teacher or counselor? Do you have a concern about discipline?

Are you looking for a condensed guide for effective discipline? If so, then this book is for you. The author has personally seen many parents, teachers, counselors, managers and leaders struggle with disciplinary issues. He feels he has a lot to offer anyone interested in developing an effective discipline plan. There is no doubt that parents and educators play a significant role in honing a child's skills to become a well-rounded and productive member of society. A Common Sense Approach to Discipline lays a foundation for and provides practical principles for developing an effective plan for discipline. The author cites specific instances with realistic scenarios to illustrate his principles. He provides numerous insights and thoughts from his own personal experiences and observations. This book not only addresses discipline but also includes some very good tips on preparing children for the future and about life in general. A must read for anyone dealing with and/or working with children. The author also makes a special challenge to all educators. Educators are encouraged to read and accept the author's personal challenge for them.

*Keys to Effective Discipline* David A. Kilpatrick, 1995 School psychologist David Kilpatrick helps parents deal with discipline problems such as disobedience, fighting, whining and tantrums.

*Taking Charge in the Classroom* Allen N. Mendler, Richard L. Curwin, 1983 Covers classroom and schoolwide discipline.

**The Perfect Parent's Guide to Simple and Effective Discipline** Scott Davis, 2013-02-01 Successful discipline involves a seamless blending of art and science. Successful parents are the ones who can artfully apply the science of behavior to discipline their children and help them to be safe, secure, successful, and happy throughout their lives. The Perfect Parent's Guide

to Simple and Effective Discipline provides the best discipline techniques in easy-to-follow case examples that will entertain and enlighten parents regardless of the behavior problems they are facing. Readers will learn everything they need to become experts in the science of positive behavior management. The simple strategies are demonstrated in case examples to simplify and demonstrate the art of effective discipline. Help your children, help yourselves . . . read The Perfect Parent's Guide to Simple and Effective Discipline today. A solid, scientifically based method for confronting behavior problems with loving, consistent discipline. The chapters that outline specific steps for creating a child's behavior plan are particularly helpful . . . parents have an inherent obligation to properly discipline their children-and to do so with love.-Kirkus Reviews

Parenting has never been more difficult than it is today. You only need turn on the television, computer or game console to see graphic sex and violence. The content infects the hearts and minds of our vulnerable youth. Unprecedented acts of violence and terror keep the world fluctuating between a state of fear and mourning. The enemy is making a final push to destroy our children. Wars on drugs, violence and pornography were lost. The final battle is here and now and the casualties are too great. Love and discipline are two of the most powerful weapons available to parents, who want to save their children. We have a Perfect Parent who loves and disciplines His children, saving them from themselves and from the evil of this world. This book teaches parents the best discipline strategies that are both Biblically referenced and scientifically proven, while using an easy to learn format. The Perfect Parent's Guide to Simple and Effective Discipline provides both the science and the art of discipline that will entertain and enlighten readers. Parents will

be able to improve each child's behavior without damaging the relationships between parent and child or child and God. The Perfect Parent's Guide to Simple and Effective Discipline was written to ensure that parents know how to make the most of their parenting and discipline efforts. Maximizing the quality of the discipline with these simple, proven and efficient techniques, will allow you to enjoy your children Instead of dread their behaviors. Disrespect, lying, stealing, anger, violence, and truancy are among the many challenges parents face every day. Technological advances provide easy access to the latest and greatest in a long line of negative influences. The majority of children's waking hours are now spent sitting in front of the television or computer with glazed eyes, calloused thumbs, expanding waists and atrophied minds. DR. Preventing Classroom Discipline Problems is a handbook, with its own self-improvement exercises, for all the skills needed to implement successful classroom management and eliminate discipline problems. It features a unique training video and CD both cued to the book for: education workshops, administrators, teachers, and education students. The video can be shown at faculty meetings, education workshops, classes, etc., and the CD can

be used for independent training at each student or teachers' private computer. With access to Online, Confidential Help, and a professional seminar, from the author, a national consultant on Classroom Management, at:

<http://www.ClassroomManagementOnline.com/> The video/CD demonstrates both the ineffective and effective teacher with real classroom discipline problems. These scenes are spontaneously acted out by real teachers and student-teachers. Instead of following a written script, they act out how their real disruptive students would actually behave, and what they, the teachers, would actually say in these classroom situations. If the teacher in the scene does something that is ineffective, what you will see is how their real students would actually respond. If, on the other hand, the teacher is effective, then you'll see how their real students would actually change their behavior. These materials (book, video, CD) do not just help with handling discipline problems, but also help educators diagnose the causes of discipline problems, and thereby help with the prevention of disruptive behavior (rather than just controlling discipline problems) for more effective classroom management. All the suggestions can be implemented without asking educators to change their personal teaching styles, and without the need for a school to revamp its entire program (as some discipline programs require). The book and video/CD can be used by individual teachers and administrators who wish to cut down on referrals to the of

*Positive Discipline in the Classroom* Jane Nelsen, Lynn Lott, H. Stephen Glenn, 2000 Nelsen's popular Positive Discipline philosophy is used in hundreds of schools as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. In this latest edition, teachers learn how to create and maintain an atmosphere where learning can take place--and where students and teachers can work together to solve problems.

*Setting Limits in the Classroom, 3rd Edition* Robert J. Mackenzie, Lisa Stanzione, 2010-07-20 Disruptive behavior, power struggles, lack of motivation, attention deficit disorder--at times the list of obstacles to teaching seems endless. That's why thousands of teachers and child-care providers have turned to the solutions in *Setting Limits in the Classroom*. This fully updated and expanded third edition offers the most up-to-date alternatives to punishment and permissiveness--moving beyond traditional methods that wear you down and get you nowhere. Topics include: • Eliminating power struggles and

handling disruptions quickly • Establishing an effective environment for learning • Using natural and logical consequences to support your rules • Conducting proactive, focused parent conferences • New research and techniques for supporting special-needs children With its new focus on younger students and special tools for handling “strong-willed” children, this edition offers schoolteachers the tools they need to gain control of their classrooms—respectfully and effectively.

**Essential Elements of Effective Discipline** C. M.

Charles, 2002 This concise guide helps both pre-service and in-service teachers face the challenges of creating effective, disciplined classrooms by presenting a positive, helpful approach to dealing with misbehavior. Written in a practical, teacher-friendly style, this material helps teachers encourage cooperation, deal effectively with misbehavior, and promote positive attitudes in the classroom, ultimately leading to a stronger learning environment. Promotes helpfulness as a fundamental quality of truly effective discipline. This text offers brief chapters on specific topics to illustrate information in manageable portions. The Author focuses on helpful discipline strategies that include strong emphasis on ethics, student needs, collaboration, positive working relationships, communication, and addressing the causes of misbehavior. The book proposes clear, practical strategies for working with difficult students, controlling a classroom, and keeping students on task. Helpful reminders, suggestions, end of chapter questions for self-improvement and activities for self-improvement focus readers on critical issues. Pre-service and In-service educators looking to build their classroom management skills and incorporate effective discipline strategies into their classroom.

**Handbook for Developing Schools with Good Discipline** William W. Wayson, 1982 Using the results of a national survey of over 500 schools identified as having good discipline, this handbook presents guidelines for improving school discipline. An introductory chapter offers an overview of the survey project. In the second chapter, the authors list 13 characteristics identified in the survey that are common to schools with good discipline, along with examples of survey responses. The 13 characteristics relate to the role of the principal, conventional school

activities, school environment, orientation to students, causes of discipline problems, school ties to parent and community, and staff enthusiasm. Drawing further on the survey results, the third chapter summarizes 100 activities for improving school discipline, organized around eight goals: improving problem-solving, reducing status and authority differences, increasing students' sense of belonging, promoting self-discipline, reaching more students, strengthening school-home interactions, and improving school organization and facilities. Chapter 4 provides a 110-item rating scale, the discipline context inventory, to help schools identify ways to better their discipline practices. In the final chapter, the authors formulate eight principles for school improvement and outline a step-by-step planning and action guide for implementing disciplinary change. (Author/RW)

**Discipline in the Secondary Classroom** Randall S. Sprick, 1985-09-30 Provides techniques to help solve common behavior problems in grades 7-12.

*Seven Steps for Developing a Proactive Schoolwide Discipline Plan* Geoff Colvin, 2007-04-05 This step-by-step guide shows teachers and administrators how to implement a proactive schoolwide discipline plan in individual schools and throughout school districts. Originally developed from a five-year federally-funded project (Project PREPARE) at the University of Oregon, this information was initially field-tested in over 60 schools across the country. Steps for Developing a Proactive Schoolwide Discipline Plan explicitly guides education practitioners in understanding the importance of effective discipline plans, discussing why collaboration is critical in any discipline plan's success, and providing a practical six-step procedure for effective preparation and implementation of schoolwide behavior discipline

plans.

**Positive Discipline: A Teacher's A-Z Guide** Jane Nelsen, Linda Escobar, Kate Ortolano, Roslyn Ann Duffy, Debbie Owen-Sohocki, 2009-09-30 Take back the classroom and make a positive difference in your students' lives. Many teachers today are facing problems and discipline issues they never dreamed of when they decided to become teachers. Combine violence, behavioral disorders, and downright defiant attitudes from students with the age-old problems of bullying, poor attendance, and more, and the mix is positively lethal. However, there are effective, positive strategies for restoring order and turning the teacher-student relationship into one of mutual respect. Applicable to all grade levels, this comprehensive A to Z guide addresses modern-day problems and practical solutions for establishing an effective learning environment. Inside, you'll discover: • The 17 fundamental tools of positive discipline • Real-life stories of proven positive discipline strategies • Suggestions for establishing and maintaining respectful, nurturing relationships with students • And much more! Overcome obstacles and get back to why you became a teacher in the first place: to empower students with confidence, self-respect, and resourcefulness. -Bill Scott, principal, Birney Elementary School, Marietta, Georgia An inspiring, information-packed book. All teachers—from those just beginning to those with many years of experience—will find the tools of positive discipline easy to use. -Phillip Harris, Ed.D., director, Center for Professional Development and Services, Phi Delta Kappa International

**Positive Discipline for Kids** Joanna Wells, 2020-10-12 Are you tired of arguing with your child, but don't want to abuse power and use force to teach them boundaries? Do you want to know how to get your child to cooperate by talking

and teaching that actions have consequences? If so, *Positive Discipline for Kids; The Essential Guide to Manage Children's Behavior, Develop Effective Communication and Raise a Positive and Confident Child* is the book for you! Have you ever been worried about a lack of discipline in your parenting style, but found yourself unable to discipline without force? Are you afraid to put your foot down because you feel like it will traumatize your child? Don't worry! An abundance of healthy, safe, and loving ways to teach your child discipline is just around the corner! Did you know that children who are raised with an equal amount of freedom and boundaries grow up to be strong, confident, and resilient to stress and failures? Did you know that children who lack boundaries often face more challenges in life, have a harder time adapting, and are more likely to struggle with stress in adult life? That's right! This book will teach you how to build a strong, trust-based bond with your child, and how to instill responsibility and accountability by using effective communication and teaching about the consequences of your child's actions. This book will lead you to discover:

- What is positive discipline
- How to help your child learn from their behaviors
- How to establish healthy and consistent boundaries
- How to discipline your child without causing emotional distress
- How to improve your parenting
- What is your parenting style
- Whether you should change your habits and behaviors
- How to change successfully
- How to teach consequences
- How to teach natural consequences
- How to teach logical consequences
- How to manage your child's behavior
- How to handle tantrums and boundary testing
- How to talk to your child to reduce fighting and arguments
- How to use time-outs and grounding the right way
- How to communicate with your child
- How to listen and know why your child is angry and spiteful
-

How to feel for your child and show support while sticking to boundaries ● How to prevent future conflicts ● And much more! This book will show you how to teach your child valuable life skills that will help them become strong, passionate, competent, and confident. In this book, you will learn how to instill discipline in ways that teach your child how to cope with sadness, unpleasantness, and limitations. That way, they won't cave in the face of challenges and failures in life. Instead, they will use their own strengths, learn from their mistakes, and show responsibility and accountability for better health, stronger and healthier relationships, and greater career success! This won't be yet another easy-read with superficial advice you won't be able to apply.

### **Effective Discipline Manual Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Effective Discipline Manual has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book,

or a professional seeking research papers, the option to download Effective Discipline Manual has opened up a world of possibilities. Downloading Effective Discipline Manual provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Effective Discipline Manual has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling

a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Effective Discipline Manual. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Effective Discipline Manual. Some websites may offer pirated or illegally obtained copies of

copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Effective Discipline Manual, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Effective Discipline Manual has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
