Bandit Saints of Java George Quinn, 2019-01-01 Java's pilgrimage culture is a dense, batik-like pattern of contradictions: seriousness collides with laughter; curiosity with bewilderment; piety with scepticism; intense spirituality with, in some places, the joy of shopping. The pilgrimage culture on the island of Java in Indonesia – the world's largest Muslim country – is a rebuke to the conservative orthodoxy that has been gaining ground in Indonesia's religious landscape since the 1980s. In the rhetoric of this orthodoxy the "real" Islam is pure and exclusive. Piety comes from obedience to religious authority and its rules. Local pilgrimage is anything but pure and exclusive or rigidly authoritarian. It is powerfully Islamic but it fuses Islam with local history, the ancient power of place and a pastiche of devotional practices with roots deep in the pre-Islamic past. Quietly but tenaciously – just outside the great echo chamber of public space – it is growing as fast as the higher profile neo-orthodoxy. Bandit

Saints of Java delves deep under the surface of modern Indonesia, exploring personalities and stories in the weird world of local pilgrimage, where Middle Eastern Islam wrestles with the ancient power of Javanese civilisation. It paints an astonishing portrait of Islam as it is practised today – largely invisible to journalists, scholars and tourists – by many of Java’s 130 million people.

The Unofficial Guide to The Scorpion King and The Mummy Universe Brad Mengel, 2023-01-02 In 1999, Steven Sommers recreated the Adventure film for the new millennium with his reboot of The Mummy. This film spawned sequels, books, comics, video games, cartoons, and a spin-off series – The Scorpion Kin. With the death of both the Mummy and Scorpion King franchises with reboots, it seemed the perfect time to explore the universe created by Steven Sommers. The Unofficial

Guide to The Scorpion King and The Mummy Universe is a uniquely comprehensive yet humorous excavation of the adventures of the O'Connell family and Mathayus, the Scorpion King in all their incarnations as well as the influences and legacy of these franchises. This volume digs and delves into the questions left by the universe, and exhumes the unfinished comic series The Mummy: Valley of the Gods and answers "what do we really know about the unmade fourth Mummy movie hinted at the end of The Mummy: Tomb of the Dragon Emperor?" Brad Mengel is an Australian New Pulp author. He is the author of Serial Vigilantes of Paperback Fiction, the first major work on the paperback heroes of the 70s, 80s such as The Executioner and The Destroyer. His fiction work includes new adventures of Sherlock Holmes, Domino Lady and Senorita Scorpion. He is the author of the novel Australis Incognito, a new pulp novel set in Australia with a team of multi-generational heroes.

The Masked Bandits on Holidays Jean A. Kelton,2012-11-30 In researching material for childrens stories, I did not find any about raccoons, so I thought that should be remedied. Once begun, the stories seemed to take on a life of their own. What resulted were four stories about raccoons having holiday fun. Benny Bandit and Lenny Bandit and their sister Sprite evolved into interesting individuals that I will not soon forget. The Author is retired and living in the Green Mountains of Pennsylvania. Requiem for Tungsten Titans Charles Eugene Anderson, The city of Galveston is a battle-ravaged warzone amidst conflict ravaging Texas and beyond. As the desperate Texan forces face an overwhelming invasion on multiple fronts, hope dwindles for a squad of beleaguered Mech Troopers led by the hardened Bandit. Cleaving through hostile territory and grievous losses, they embark on a bold mission: To locate a secret weapon hidden in the ruins of Galveston that could spare Texas from total defeat. Their search leads them to a mysterious encounter with Jenna Carter, Galveston local and custodian of her supposedly eccentric grandfather's clandestine legacy. She promises the weapon contains long-forgotten alien technology capable of unleashing devastating potential - enough to annihilate an entire invasion fleet. However, unlocking this weapon could ravage whole cities or worse. To save Galveston from utter devastation, Bandit must guide his weary squad to activate this volatile relic and turn its fury solely upon their enemies. Pursued by merciless assault legions and wracked with doubt, the troopers will place their lives

and souls on the line in a last stand that could defy enormous odds...or doom what little remains of their homeland for good. Fused with gritty action and rich characters, *Requiem for Tungsten Titans* is an edge-of-your-seat mecha military sci-fi that explores the sacrifices made in desperate hours when hope seems lost against overwhelming invasion.

Steel Warriors Charles Eugene Anderson, 2024-05-23 In a war-torn future where the fate of Texas hangs in the balance, the Mech Troopers series follows the gritty exploits of Bandit and his fellow soldiers as they fight to preserve the last bastion of hope in a shattered republic. From the lawless Quarantine Zone to the blood-soaked battlefields of a nation torn asunder, these elite mech pilots must confront not only the relentless onslaught of enemy forces but also the demons that haunt their pasts and the uncertain future that lies ahead. *Steel Warriors* is a pulse-pounding omnibus collection that brings together the first five books in the series - *Texarkana Steel*, *Chariots of Iron*, *Shrapnel Ghost March*, *Shattered Scrapemetal Symphony*, and *Requiem for Tungsten Titans* - along with the bonus companion volume *Mech Troopers - Behind the Armor*. This gritty, action-packed saga explores the bonds of brotherhood, the price of loyalty, and the enduring power of the human spirit in the face of impossible odds. Through the eyes of unforgettable characters like Captain Amelia Frog Hayes, a battle-hardened veteran haunted by the memory of her fallen brother, and the enigmatic Bandit, a lone pilot-turned-gunslinger with a mysterious past, readers will be taken on a white-knuckle ride through a savage wasteland where man and machine collide in a brutal struggle for survival. But *Steel Warriors* is more than just a tale of war and destruction. It

is a deeply personal exploration of the lives and struggles of the soldiers who fight and die for a cause greater than themselves, as seen through the intimate lens of letters, interviews, and other personal documents that peel back the layers of these complex and deeply human characters. *Steel Warriors* is a must-read for fans of *Fallout*, *Mad Max*, *The Dark Tower*, and other classic tales of post-apocalyptic survival and redemption. Strap in and prepare for a heart-pounding journey through a neo-western landscape of mechanized warfare and personal sacrifice, where the only thing stronger than the bonds of brotherhood is the unbreakable spirit of those who fight for what they believe in.

Hilarity Ensues Tucker Max, 2012-02-07 The New York Times bestselling author of *I Hope They Serve Beer in Hell* and *Assholes Finish First* delivers a new collection of thirty 100% true, 100% exclusive stories of comically perverse excess. Another installment in Tucker Max's series of stories about his drunken debauchery and ridiculous antics. What began as a simple sentence on an obscure website, "My name is Tucker Max, and I am an asshole," and developed into two infamously genre-defining books, *I Hope They Serve Beer In Hell* and *Assholes Finish First*, ends here. But as you should expect from Tucker by now, he is going out with a bang—literally and figuratively. In this book, you'll learn: * How to live and work in Cancun, while still enrolled in Law School * Why Halloween is really awesome * How to subtly torture a highstrung roommate until he explodes with furious anger over a misplaced condiment * What really happened when a dirty pageant girl tried to sue Tucker because he told the truth * Why you should never accept a homemade treat from a hippie with a van As we've come to learn from Tucker, assholes do finish first...but everything comes with a price.
