

El Paso

Leon Claire Metz

El Paso Wilbert H. Timmons, 2004

El Paso: A Novel Winston Groom, 2016-10-04 Three decades after the first publication of *Forrest Gump*, Winston Groom returns to fiction with this sweeping American epic. Long fascinated with the Mexican Revolution and the vicious border wars of the early twentieth century, Winston Groom brings to life a much-forgotten period of history in this sprawling saga of heroism, injustice, and love. *El Paso* pits the legendary Pancho Villa against a thrill-seeking railroad tycoon known only as the Colonel—whose fading fortune is tied up in a colossal ranch in Chihuahua, Mexico. But when Villa kidnaps the Colonel's grandchildren and absconds into the Sierra Madre, the aging New England patriarch and his son head to El Paso, hoping to find a group of cowboys brave enough to hunt down the Generalissimo. Replete with gunfights, daring escapes, and an unforgettable bullfight, *El Paso* becomes an indelible portrait of the American Southwest in the waning days of the frontier, one that is "sure to entertain" (Jackson Clarion-Ledger).

El Paso and the Mexican Revolution Patricia Haesly Worthington, 2010 The Mexican Revolution took place along the entire length of the border between the United States and Mexico. Most of the intense battles and revolutionary intrigue, however, were concentrated in the border region of El Paso, Texas, and Ciudad Juárez, Mexico. For 20 years, the U.S. and Mexico border communities dealt with revolution, beginning before the 1909 Taft-DAA-az visit and ending with the Escobar Revolution of 1929. In between were battles, assassinations, invasions, and attempts at diplomacy. El Paso was center stage for many of these events. Newspapers and media from all over the country flocked to the border and produced numerous stories, photographs, and colorful renditions of the Mexican Revolution. The facts and myths have been kept alive over the last 100 years, and the revolution remains an important topic of discussion today.

The City and County of El Paso, Texas El Paso Bureau of Information, 1886

El Paso Chronicles Leon Claire Metz, 1993

A Place in El Paso Gloria López-Stafford, 1996 This memoir of growing up in El Paso in the 1940s and 1950s creates an entire city: the way a barrio awakens in the early morning sun, the thrill of a rare desert snow, the taste of fruit-flavored raspadas on summer afternoons, the money boys who beg from commuters passing back and forth to Juárez, and the mischief of children entertaining themselves in the streets. López-Stafford shows readers El Paso through the eyes of Yoya--short for Gloria--the high-spirited narrator, who is five years old when the book begins. Yoya is a survivor. Her young mother has died, leaving her in the care of her much older father, who tries to provide for his family by selling used clothing. Her brother Carlos, Padre Luna, and a community of children and women assume responsibility for Yoya, but like the inexplicable loss of her mother, unexpected changes separate her from her beloved barrio. The search for su lugar, her place, becomes a search for identity as Gloria seeks to understand her various homes and families.

Legendary Locals of El Paso David A. Berchermann III, 2015-07-27 From a small settlement along the Rio Grande to a major metropolitan area at the crossroads of three states and two nations, El Paso has grown immensely. Known as the Sun City, the region has always attracted individuals and families from around the world who were looking to establish roots and make their mark. In the early days, pioneers such as Zach White, Anson Mills, and

Joseph Magoffin helped lay a solid foundation on which the city was built. Gunfighters like John Wesley Hardin walked the streets of El Paso, while lawmen like Dallas Stoudenmire did their best to keep them off. Lining the streets of El Paso were, and still are, beautiful edifices designed by famed architect Henry Trost. El Paso's unique location, history, and culture have helped inspire many artists, writers, and musicians, such as Jim Ward, Cormac McCarthy, and Tom Lea. Take a moment and learn about some of El Paso's legendary locals.

Desert Immigrants Mario T. García,1982-09-10 Discusses how the Mexican immigrants and their descendants have contributed to America's past, present, and future

The Beginnings of Spanish Settlement in the El Paso District Anne Eugenia Hughes,1914

Historic Photos of El Paso ,2008-05-01 El Paso is a city with an international history and culture that is tied to the Rio Grande. Native Americans followed the river and traded with other groups that lived near it. In 1598, Don Juan de Oñate traveled north with a large caravan from Zacatecas, Mexico, to what became known as El Paso del Norte. Near San Elizario, Oñate claimed the area for Spain, and it became a trade center along El Camino Real, the Royal Highway, which went north all the way to the Española Valley in New Mexico. With the Treaty of Guadalupe Hidalgo, in 1848, the Rio Grande became the international boundary between the United States and Mexico, and El Paso became a town of westernmost Texas. Historic Photos of El Paso includes hundreds of images of this great American city, including government, businesses, schools, architecture, military history, and other subjects of historical interest, all showcased in vivid black-and-white.

The Chicanos of El Paso Oscar Jáquez Martínez,1980

Out of the Desert Owen Payne White,1924

African Americans in El Paso Maceo Crenshaw Dailey, Jr,Kathryn Smith-McGlynn,Cecilia Gutierrez Venable,2014-09-29 El Paso's African American community can trace its origins back to the 16th century, when the black Moor known as Esteban roamed the southwest and, more significantly, those Africans in the party of conquistador Juan de Oñate crossed the Rio Grande in 1598. The modern El Paso African American community began to take shape in the 1880s, as the railroad industry, military establishment, and agricultural community all had black Americans in their ranks. Black leaders and their followers established a school and founded several significant black churches. Texas's first state branch of the National Association for the Advancement of Colored People is recorded to have been formed in El Paso; the first major court cases that challenged the all-white Democratic primary came from this city; the Texas Western College basketball team won the NCAA championship in 1966 with five starting black players; and today, the city is inhabited by black military retirees, entrepreneurs, educators, and other professionals (each with vibrant and socially conscious organizations), making it a progressive model of community development.

Ben Dowell, El Paso's First Mayor Nancy Hamilton,1976

ELPASO Benjamin Villegas,2021-08-17 In 2015, Benjamin Villegas traveled to Texas in an attempt to write the biography of a music group that could have changed the history of rock: ELPASO, a Chicano band from the U.S.-Mexico border with a punk sensibility, a long since-defunct crew, and little left to remember it by but a suitcase of fanzines and one-off recordings. This is the

story of one of the many bands that will never appear in rock n' roll history books, but is at the core of the scene; a band that earned its stripes from sweaty fans and self-taught rock aficionados in basements, garages, and small venues across the country. This is the story of two kids who came together to embrace the punk ethos of the 80's and be a part of the rock n' roll revolution sweeping the US, a world of the Ramones, Black Flag, and, of course, ELPASO.

The Secret War in El Paso Charles Houston Harris, Louis R. Sadler, 2009 The untold story of El Paso and its role as the scene of clandestine operations during the Mexican Revolution is revealed here for the first time.

Turning Points in El Paso, Texas Leon Claire Metz, 1985

Remembering El Paso , 2010-08-28 El Paso is a city with an international history and culture that is tied to the Rio Grande. Native Americans followed the river and traded with other groups that lived near it. In 1598, Don Juan de Oñate traveled north with a large caravan from Zacatecas, Mexico, to what became known as El Paso del Norte. Near San Elizario, Oñate claimed the area for Spain, and it became a trade center along El Camino Real, the Royal Highway, which went north all the way to the Española Valley in New Mexico. With the Treaty of Guadalupe Hidalgo, in 1848, the Rio Grande became the international boundary between the United States and Mexico, and El Paso became a town of westernmost Texas. With a selection of fine historic images from her best-selling book, *Historic Photos of El Paso*, Sandra Fye provides a valuable and revealing historical retrospective on the growth and development of El Paso. *Remembering El Paso* includes hundreds of images of this great American city, including government, businesses, schools, architecture, military history, and other subjects of historical interest, all showcased in vivid black-and-white.

Copper Stain Elaine Hampton, Cynthia C. Ontiveros, 2019-01-10 "The convertors would spew it out," employee Arturo Hernandez recalled, referring to molten metal. "You'd see the ground, the dirt, catch on fire. . . . If you slip, you'd be like a little pat of butter, melting away." Hernandez was describing work at ASARCO El Paso, a smelter and onetime economic powerhouse situated in the city's heart just a few yards north of the Mexican border. For more than a century the smelter produced vast quantities of copper—along with millions of tons of toxins. During six of those years, the smelter also burned highly

toxic industrial waste under the guise of processing copper, with dire consequences for worker and community health. Copper Stain is a history of environmental injustice, corporate malfeasance, political treachery, and a community fighting for its life. The book gives voice to nearly one hundred Mexican Americans directly affected by these events. Their frank and often heartrending stories, published here for the first time, evoke the grim reality of laboring under giant machines and lava-spewing furnaces while turning mountains of rock into copper ingots, all in service to an employer largely indifferent to workers' welfare. With horror and humor, anger, courage, and sorrow, the authors and their interviewees reveal how ASARCO subjected its employees and an unsuspecting public to pollution, diseases, and early death—with little in the way of compensation. Elaine Hampton and Cynthia C. Ontiveros weave this eloquent testimony into a cautionary tale of toxic exposure, community activism, and a corporate employer's dubious relationship with ethics—set against the political tug-of-war between industry's demands and government's obligation to protect the health of its people and the environment.

El Paso Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**El Paso**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
