Vibration Utilization Engineering Bangchun Wen,XianLi Huang,Yinong Li,Yimin Zhang,2022-06-09 This book proposes “Vibration Utilization Engineering,” using harmful vibrations in many cases for energy harvesting. Scope of the book includes, but not limited to, linear and nonlinear system of vibrations, waves (sound wave and light wave), wave motion and energy utilization, the electric-magnetic oscillation utilization in engineering, the phenomena, patterns, and utilization of the vibrations in Nature and human social society. It is all based on the theory of vibration utilization technology and equipment technological process, linear and pseudo-linear vibration, nonlinear vibration. This new subject branch is closely associated with numerous applications in industrial or agricultural production, medical apparatus and equipment and daily life, etc. It could create significant economic and social benefits and provide significant values for society and excellent service for human life.

The Ringtone Dialectic Sumanth Gopinath,2013-07-19 The rise and fall of the ringtone industry and its effect on mobile entertainment, music, television, film, and politics. A decade ago, the customizable ringtone was ubiquitous. Almost any crowd of cell phone owners could produce a carillon of tinkly, beeping, synthy, musicalized ringer signals. Ringtones quickly became a multi-billion-dollar global industry and almost as quickly faded away. In *The Ringtone Dialectic*, Sumanth Gopinath charts the rise and fall of the ringtone economy and assesses its effect on cultural production. Gopinath describes the technical and economic structure of the ringtone industry, considering the transformation of ringtones from monophonic, single-line synthesizer files to polyphonic MIDI files to digital sound files and the concomitant change in the nature of capital and rent accumulation within the industry. He discusses sociocultural practices that seemed to wane as a result of these shifts, including ringtone labor, certain forms of musical notation and representation, and the creation of musical and artistic works quoting ringtones. Gopinath examines “declines,” “reversals,” and “revivals” of cultural forms associated with the ringtone and its changes, including the Crazy Frog fad, the use of ringtones in political movements (as in the Philippine “Gloriagate” scandal), the ringtone's narrative function in film and television (including its striking use in the films of the Chinese director Jia Zhangke), and the ringtone's relation to pop music (including possible race and class aspects of ringtone consumption). Finally, Gopinath considers the attempt to rebrand ringtones as “mobile music” and the emergence of cloud computing.

Without Sanction Don Bentley,2021-02-09 After surviving a clandestine operation that went tragically wrong, Matt Drake escaped Syria with his life, but little else. Now, to save the life of another, he must return to Syria and confront his biggest failure in a stunning thriller from the New York Times bestselling author of Tom Clancy Target Acquired and Hostile Intent. Defense Intelligence Agency operative Matt Drake broke a promise. A promise that cost three people their lives and crippled his best friend. Three months later, he's paralyzed by survivor's guilt and haunted by the memories of the fallen. Matt may have left Syria, but Syria hasn't left him. In the midst of his self-imposed exile, Matt is dragged back into the world of espionage and assets that he tried to forget. A Pakistani scientist working for an ISIS splinter cell has created a terrifying weapon of mass destruction. The scientist offers to defect with the weapon, but he trusts just one man to bring him out of Syria alive—Matt Drake. It's a suicide mission—one man against an army of terrorists. Still, with stakes this high, Matt has no choice but to try. He's going in on high alert, but he's blind to his greatest vulnerability. His most dangerous enemy is closer to home—not on the battlefield, but in the Oval Office.

Drawn Away Holly Bennett,2017-01-17 In this paranormal novel for teens, Jack finds himself drawn into the world of a malevolent character from one of Hans Christian Andersen's fairy tales.

Secondhand Shadow Elizabeth Belyeu,2021-05-19 From the pen of Shelly Greene writing as Elizabeth Belyeu ... It's supposed to be a symbiotic relationship: the Shadow serves and protects the human Lumi, the Lumi feeds and cares for the Shadow. But when Damon's Lumi died young and severed the bond between them, he declined to go with her like a good little Shadow. Yes, it hurts. Yes, he's cold and hungry all the time. And yes, his own people call him an abomination. But for the first time, Damon's life is his own, and he's never going back. Or so he thinks, until he meets Naomi, a pregnant college student, and bonds to her as his new Lumi. Which has never happened to a Shadow before. Naomi has enough problems on her plate, juggling college and a crappy survival job, preparing for a baby, and getting over her cheating ex-husband. The last thing she needs is a dark, brooding fellow like Damon depending on her physically and emotionally, and hating her for it. But a vigilante among Damon's people has his sights set on Naomi -- and they both know Damon is her only chance for survival.

Through the Changing Seasons Sam Pettus,2022-03-21 The Autumn Spring saga continues with this second installment in the contemporary age-spanning romance series by author Sam Pettus. Fifty-two-year-old Larry Watts and twenty-six-year-old Brandy Ames have committed themselves to being a couple after a very unusual three-month courtship that started soon after Brandy became Larry's next-door neighbor. The two quickly found out that they had a lot in common despite their age difference and that both fit almost perfectly in the void left in each other's lives by previous bad relationships. They know where their growing love is taking them; however, they have decided to wait a year before seeing if their relationship is strong enough to last, with the prizes of engagement and marriage awaiting them at its end. This book, *Through the Passing Seasons*, lets you witness the major parts of that special journey Larry and Brandy take over the course of that year. Come experience Larry and Brandy's year of trial with them. Share in their Beach Party style summer vacation, their hunt for a supposed monster in the city sewers, their dealing with a flooded apartment, and more. Witness the fierceness of their first major fight, Brandy's learning to cook for the first time, the return of Brandy's ex-boyfriend, their playing servants for a day for Brandy's boss, and her being given the career chance of a lifetime, only to discover that she might have to give up Larry in order to claim it. See for yourself what also happens during this special year in the lives of those around them: their friends, coworkers, neighbors (old and new), Brandy's mother and sister, and more. Welcome back, friends. Welcome back to the wonderful world of Autumn Spring.

One Square Inch of Silence Gordon Hempton,John Grossmann,2009-03-31 In the visionary tradition of Rachel Carson's *Silent Spring*, *One Square Inch of Silence* alerts us to beauty that we take for granted and sounds an urgent environmental alarm. Natural silence is our nation's fastest-disappearing resource, warns Emmy-winning acoustic ecologist Gordon Hempton, who has made it his mission to record and preserve it in all its variety—before these soul-soothing terrestrial soundscapes vanish completely in the ever-rising din of man-made noise. Recalling the great works on nature written by John Muir, John McPhee, and Peter Matthiessen, this beautifully written narrative, co-authored with John Grossmann, is also a quintessentially American story—a road trip across the continent from west to east in a 1964 VW bus. But no one has crossed America like this. Armed with his recording equipment and a decibel-measuring sound-level meter, Hempton bends an inquisitive and loving ear to the varied natural voices of the American landscape—bugling elk, trilling thrushes, and drumming, endangered prairie chickens. He is an equally patient and perceptive listener when talking with people he meets on his journey about the importance of quiet in their lives. By the time he reaches his destination, Washington, D.C., where he meets with federal officials to press his case for natural silence preservation, Hempton has produced a historic and unforgettable sonic record of America. With the incisiveness of Jack Kerouac's observations on the road and the stirring wisdom of Robert Pirsig repairing an aging vehicle and his life, *One Square Inch of Silence* provides a moving call to action. More than simply a book, it is an actual place, too, located in one of America's last naturally quiet places, in Olympic National Park in Washington State.

The Watcher in the Wall Owen Laukkanen,2016-03-15 When a student's suicide is tied to a disturbing online suicide club of unhappy teens, Kirk Stevens and Carla Windermere discover that an anonymous psychopath is manipulating the teens into self-destructive acts.

Winterlong: A Carter Blake Thriller (Carter Blake) Mason Cross,2017-02-07 A deadly game of cat and mouse filled with high stakes tension, *Winterlong* is the must-read new thriller for fans of Jack Reacher, Alex Cross, and Jason Bourne. It's been five years since Carter Blake parted ways with top-secret government operation Winterlong. They brokered a deal at the time: he'd keep quiet about what they were doing, and in return he'd be left alone. But news that one of Blake's old allies, a man who agreed the same deal, is dead means only one thing: something has changed and *Winterlong* is coming for him. Emma Faraday, newly appointed head of the secret unit, is determined to tie up loose ends. And Blake is a very loose end. He's been evading them for years, but finally they've picked up his trace. Blake may be the best there is at tracking down people who don't want to be found, but *Winterlong* taught him everything he knows. If there's anyone who can find him—and kill him—it's them. It's time for Carter Blake to up his game.

FaceOff Dennis Lehane,Michael Connelly,Steve Berry,Lisa Gardner,John Sandford,Douglas Preston,Lincoln Child,Jeffery Deaver,Lee Child,Ian Rankin,James Rollins,Heather Graham,Joseph Finder,Steve Martini,R.L. Stine,Linda Fairstein,M. J. Rose,Peter James,Raymond Khoury,T. Jefferson

Parker, John Lescroart, Linwood Barclay, F. Paul Wilson, 2015-04-28 An unprecedented collective features pairings by 23 best-selling and critically acclaimed suspense writers, who in short high-action stories pit their most popular characters against one another.

Capacious Gregory J. Seigworth, Mathew Arthur, Wendy J. Truran, Bryan G. Behrenshausen, 2017-07-26 Capacious: Journal for Emerging Affect Inquiry is an open access, peer-reviewed international journal. The principal aim of Capacious is to 'make room' for a wide diversity of approaches and emerging voices to engage with ongoing conversations in and around affect studies. Capacious endeavours to promote diverse bloom-spaces for affect's study over the dulling hum of any specific orthodoxy. Introduction by Gregory J. Seigworth and afterword by Katie Stewart. Essays by Gretchen Jude, Alican Koc, Sabrina Lilleby, Michael Lechuga, Fiona Murray, and Joey Russo. Interstices (short visual and textual interventions) by Mathew Arthur, Sarah Jane Cervenak, Kay Gordon, Ben Highmore, Tom Hsu, Claire Paugam, Mercy Romero, and Agnieszka Anna Wolodzko.

The Pacific Rim Collection Don Brown, 2014-07-15 Bestselling author and former US Navy JAG Officer Don Brown's Pacific Rim series is now available in one volume! Thunder in the Morning Calm Sixty years after his grandfather disappeared in Korea, a young naval intelligence officer seeks the truth behind rumors that American POWs are still being held there. Risking his life, fortune, and freedom, he leads a daring mission into the dangerous dictatorship of North Korea—all for the love of his country and a grandfather he never knew. Fire of the Raging Dragon In Fire of the Raging Dragon—the second book in best-selling author Don Brown's Pacific Rim Series—Stephanie Surber is stationed on board a submarine tender in the South China Sea when a naval war breaks out. After a gruesome discovery escalates America's involvement, Stephanie's father, US President Douglas Surber, must choose to take a stand against evil . . . or save the life of his daughter. Storming the Black Ice When British geologists discover the world's largest oil reserves under the desolate, icy tundra of Antarctica, Britain and Chile form a top-secret alliance for control of petroleum resources that will rival the economic power of OPEC.

See Jane Run Hannah Jayne, 2014-01-01 I know who you are. When Riley first gets the postcard tucked into her bag, she thinks it's a joke. Then she finds a birth certificate for a girl named Jane Elizabeth O'Leary hidden inside her baby book. Riley's parents have always been pretty overprotective. What if it wasn't for her safety...but fear of her finding out their secret? What have they been hiding? The more Riley digs for answers, the more questions she has. The only way to know the truth? Find out what happened to Jane O'Leary. Praise for Truly, Madly, Deadly A fast-paced thriller.—Kirkus Reviews What a ride! Full of twists and turns — including an ending you won't see coming!—April Henry, New York Times bestselling author of The Girl Who Was Supposed to Die

Death Under Glass Jennifer McAndrews, 2015-07-07 In the latest novel from the author of Ill-Gotten Panes, Georgia Kelly has made a home for herself and her stained glass business in Wenwood, New York. But not everything in the sleepy Hudson River town is as transparent as it seems... While Georgia has come to love her new hometown, her stained glass windows haven't exactly been raking in the dough. So when her best friend, Carrie, offers her the opportunity to create a made-to-order window for Wenwood's latest bed and breakfast, Georgia jumps at the chance. But when Carrie's ex-husband's office suddenly burns to the ground and Carrie's own office and apartment are robbed, Georgia has to put down her glass and cutter to get to the bottom of the trouble. Carrie insists she doesn't have enemies, but Georgia is determined to do everything in her power to find out who's targeting her friend—and why—before anyone else's life is smashed to pieces...

Man of the Month Collection J. Kenner, 2023-06-22 A Year of Stories in One Volume! When a group of fiercely determined friends realize their beloved hang-out is in danger of closing, they take matters into their own hands to bring back customers lost to a competing bar. Fighting fire with a heat of their own, they double down with the broad shoulders, six-pack abs, and bare chests of dozens of hot, local guys who they cajole, prod, and coerce into auditioning for a Man of the Month calendar. But it's not just the fate of the bar that's at stake. Because as things heat up, each of the men meets his match in this sexy, flirty, and compelling binge-read romance series. With each novel featuring a favorite romance trope ... [the Man of the Month] series hits the heart and soul of romance. New York Times bestselling author Carly Phillips

The Stolen Ones Owen Laukkanen, 2015-03-17 The blistering new novel from the author of the multi-award-nominated The Professionals—"Laukkanen is one of the best young thriller writers working today" (Richmond Times-Dispatch). When you've got nothing left, you've got nothing left to lose. Cass County, Minnesota: A sheriff's deputy steps out of a diner on a rainy summer evening, and a few minutes later, he's lying dead in the mud. When BCA agent Kirk Stevens arrives on the scene, he discovers local authorities have taken into custody a single suspect: A hysterical young woman found sitting by the body, holding the deputy's own gun. She has no ID, speaks no English. A mystery woman. The mystery only deepens from there, as Stevens and Carla Windermere, his partner in the new joint BCA-FBI violent crime task force, find themselves on the trail of a massive international kidnapping and prostitution operation. Before the two agents are done, they will have traveled over half the country, from Montana to New York, and come face-to-face not only with the most vicious man either of them has ever encountered—but two of the most courageous women. They are sisters, stolen ones. But just because you're a victim doesn't mean you have to stay one.

Androids Chet Haase, 2021-08-13 In 2004, Android was two people who wanted to build camera software. But they couldn't get investors interested. Today, Android is a large team at Google, shipping an operating system (including camera software) to over three billion devices worldwide. This is the inside story, told by the people who made it happen. "What are the essential ingredients that lead a small team to build software at the sheer scale and impact of Android? We may never fully know, but this first person account is probably the closest set of clues we have." -Dave Burke, VP of Android Engineering "Androids captures a strong picture of what the early development of Android, as well as the Android team, was like." -Dianne Hackborn, Android Framework Engineer "Androids is the engaging tale of a motley group of coders with a passion to make insanely great products who banged out the operating system when that idea seemed nuts. True to his geek genes, Chet Haase tells this remarkable tale of technical and business success from the trenches, an inspiring, massive collective effort of dozens of programmers who flipped their seemingly late timing to their advantage, and presaged a generation of platform builders. Read Androids to discover what it takes to create a hot tech team that shipped a product running today on more than 3 billion devices." -Jonathan Littman, co-author of The Entrepreneurs Faces: How Makers, Visionaries and Outsiders Succeed, and author of The Fugitive Game All profits from the book will be donated to charity.

Snitch World Jim Nisbet, 2013-07-01 "The Miata jumped the curb and sheared off a light pole. The impact deployed the airbags, but Chainbang was ready. He knifed Klinger's before it was fully inflated and his own before it could crush the glass pipe in his breast pocket. The six-inch blade went through the nylon like a pit bull through a kindergarten." Snitch World takes place in a San Francisco of menacing technology, where the old cons come up short and the crimes of the gritty night have morphed into slick capers pulled off by the glow of a smartphone. Klinger hangs out at the Hawse Hole, a sordid dive even by Tenderloin standards. All he really wants is enough cash to buy a cup of coffee, some cigarettes, a bug-free hotel room. The simple act of picking a carefully targeted mark's pocket initiates a series of events that get stranger and more dangerous by the moment. Jim Nisbet, with his characteristic humor and brilliant prose, creates a world where trust, and even cash, are the avatars of a loser's game. This is Snitch World, where a nine-dollar app can be as deadly as a dirty needle. Also included is a recent interview with Jim Nisbet, in conversation with Patrick Marks, owner and publisher of San Francisco's The Green Arcade, talking about writing, books, and technology.

Electronic Musician, 2009

Billboard, 2005-04-16 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
