**Narcoland** Anabel Hernandez, 2013-09-10 The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of

press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels.”

**Upside Down** Eduardo Galeano, 2014-05-13 From the winner of the first Lannan Prize for Cultural Freedom, a bitingly funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable Memory of Fire Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in Upside Down, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a program of study about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in The Impunity of Power to a seminar on The Sacred Car--with tips along the way on How to Resist Useless Vices and a declaration of The Right to Rave--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, Upside Down makes us see the world anew and even glimpse how it might be set right. Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope. -Los Angeles Times, front page

**Lemon Child** Nele Brönnner, 2020-05-05 The lemons on the tree are finally ripe, and there is great

excitement. Only one of the little lemons is still green. Little Toni has a mind of his own. The view from the lemon tree is enough for him. Who wants to go out into the big wild world? But soon Toni is the only lemon left hanging on the tree. Will he take a risk and jump? When Toni finally lets go, his courage is rewarded. Nele Brönnner's humorous story about maturity and growing up with her expressive style is sure to charm little listeners.

Muñoz publicó tres libros de cuentos: El feroz cabecilla y otros cuentos de la revolución en el Norte (1928), El hombre malo, Villa ataca Ciudad Juárez y La marcha nupcial (1930) y Si me han de matar mañana (1933). Esta colección incluye todos los cuentos de estos tres libros, y es el complemento indispensable para habitar con plenitud en un universo narrativo de una coherencia muy singular en la literatura de lengua española. Los treinta relatos forman con las novelas magistrales, Vámonos con Pancho Villa y Se llevaron el cañón para Bachimba, una comedia humana que constituye un mundo de regocijada autonomía.

Struggles for recognition , Over the past decades, an increasingly influential Political Philosophy approach has been seen to defend issues relating to cultural injustices. The daily struggles arising from political agendas within different societies confirm this. This perspective can be summarised using the Hegelian expression "struggle for recognition", and it is this expression that underpins the current position of minorities members and their defenders. This means that misrecognition, disrespect, and humiliation form the base of (cultural) injustices and must be avoided. Minorities are a fundamental part of democratic societies, but their rights have not always been respected. Immigrants are currently the object of xenophobic campaigns. Rome people, the European minority, face additional difficulties, which results in them being key players in cases of indirect discrimination. The distribution of territorial power and the situation of national minorities have been causes of different political problems. "Who am I? Where do I belong?" are questions asking for identity. Some people argue these should be relevant issues

**Here Be Icebergs** Katya Adaui, 2022-06-14 The weird, fetid, familiar discomfort of family is front and centre in these short stories of all the ways we remain a mystery to each other. The mysteries of kinship (families born into and families made) take disconcerting and familiar shapes in these refreshingly frank short stories. A family is haunted by a beast that splatters fruit against its walls every night, another undergoes a near-collision with a bus on the way home from the beach. Mothers are cold, fathers are absent—we know these moments in the abstract, but Adaui makes each as uncanny as our own lives: close but not yet understood.
