**The Elf Resistance - Book Six of the Magi Charter** Jordan David, 2015-10-26 Two Centuries. Two Santas. The Belgian and the Cowboy. Internal dilemmas and external strife aplenty. It is during this era that Mistletoe Green flexes his grip over the North Pole and through the manipulation of the Santas ultimately succeeds in the sealing of the Library. About the series, The Magi Charter: For over two thousand years the legend of Santa Claus has endured. His is a mission of peace as outlined in the Magi Charter, given to the first Santa by the Child. From humble beginnings following that First Christmas the Santa lineage has been passed down through the ages. This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves, to our modern times where the world's problems effect even those in the secluded complex of the North, and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable. **Naptime with Joey** Laura Izumikawa, 2022-02-22 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes Naptime with Joey, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from Stranger Things. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. Naptime with Joey is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

**Heave** Christy Ann Conlin, 2011-01-28 Bursting with wonder and delicate despair, Serrie Sullivan longs for the world, but she's trapped, just like Dorothy in Oz. Serrie's got a nasty secret. It's festering inside her, because in the gothic Annapolis Valley, hey, that's what you do — you never show and you never, ever tell. As she dashes from her wedding altar on the run of her life, ardently wanting to understand what has brought her to this moment, Serrie sweeps us up in an exhilarating and poignant journey from rural Nova Scotia to London bars, to strip clubs by the docks, through mental hospital wards and rehab centres, back to quiet verandahs and porch swings in serene Lupin Cove. Along the way we meet a delightful array of off-beat characters including Serrie's best friends, Dearie and Elizabeth: Dearie, the anglicized Acadian who wants to go to New Orleans to find her Cajun relatives, and Elizabeth, who would like nothing better than to spend the rest of her life picking strawberries. Heave explores the joys and agonies of family, of what one generation inherits from the next, and of how past and present are inexorably linked. Memories weave through the book as Serrie searches for equanimity in a life that intoxicates her with its beauty as it knocks her to her knees.

**The Mentor** Jay Quinn, 2014-04-23 Examine a moving, personal narrative about growing up gay in the south! Students, teachers, and anyone interested in gay studies and experiences will find that The Mentor: A Memoir of Friendship and Gay Identity (a 2001 Lambda Literary Foundation Gay Male Biography/Autobiography Award finalist) delivers a captivating and honest look into the challenges of growing up gay through the context of firsthand experiences, revelations, and realizations. This unique book is an intelligent and personal narrative that considers the social, religious, and emotional aspects of what it is like to grow up as a gay male in the south and examines the enormous social changes regarding homosexuality that have taken place in America during the last half of the century. Written to reveal the importance of the author's mentor in helping him form his self-identity and educating him about being gay, this book challenges the stereotypical idea that, unlike heterosexuals, gay men are not able to form nurturing, fulfilling bonds between themselves. The Mentor delivers an inspiring story about accepting and understanding your sexuality with the help and guidance of other men who have traveled the road to a successful gay identity. This unique book offers the courage, strength, and support of a mentor to help guide you through the trials that many young gay men experience, such as: recognizing the possibilities of exploitation by older gay men due to a lack of emotional and social experience creating a loyal relationship with a man that does not include sex but which satisfies emotional needs that many gay men need and long for discovering the importance of a mentor to gay youths, since there are few homosexual role models to learn from Sincere and well-written, The Mentor provides insight into everything from the author's experience with intolerance of homosexuality by certain religions to struggles with fidelity and infidelity, illustrating the difficult yet universal challenges of life relationships. The Mentor contains suggestions that will help you recognize that your feelings of desire and love and your quest for human connection as a gay man are not the distorted reflections of a heterosexual image, but a healthy gay identity. With this unique book, you will discover how to make the shift from confusion to full acceptance of your gay identity, you will understand that you are not alone, and perhaps you will be encouraged to pass on the legacy of a mentor to other young gay men.

**All Good People Here** Ashley Flowers,2023-12-26 #1 NEW YORK TIMES BESTSELLER • In the propulsive debut novel from the host of the #1 true crime podcast Crime Junkie, a journalist uncovers her hometown’s dark secrets when she becomes obsessed with the unsolved murder of her childhood neighbor—and the disappearance of another girl twenty years later. ONE OF THE BEST BOOKS OF THE YEAR: PopSugar You can’t ever know for sure what happens behind closed doors. Everyone from Wakarusa, Indiana, remembers the infamous case of January Jacobs, who was discovered in a ditch hours after her family awoke to find her gone. Margot Davies was six at the time, the same age as January—and they were next-door neighbors. In the twenty years since, Margot has grown up, moved away, and become a big-city journalist. But she’s always been haunted by the feeling that it could’ve been her. And the worst part is, January’s killer has never been brought to justice. When Margot returns home to help care for her uncle after he is diagnosed with early-onset dementia, she feels like she’s walked into a time capsule. Wakarusa is exactly how she remembers—genial, stifled, secretive. Then news breaks about five-year-old Natalie Clark from the next town over, who’s gone missing under circumstances eerily similar to January’s. With all the old feelings rushing back, Margot vows to find Natalie and to solve January’s murder once and for all. But the police, Natalie’s family, the townspeople—they all seem to be hiding something. And the deeper Margot digs into Natalie’s disappearance, the more resistance she encounters, and the colder January’s case feels. Could January’s killer still be out there? Is it the same person who took Natalie? And what will it cost to finally discover what truly happened that night twenty years ago? Twisty, chilling, and intense, All Good People Here is a searing tale that asks: What are your neighbors capable of when they think no one is watching?

In the manner of both a Dickens novel and the best young adult adventure stories (the Harry Potter series among them). . .his ending, which I wouldn’t dare reveal here, is a real firecracker.”—Jennifer Senior, The New York Times Welcome to a Victorian England unlike any other you have experienced before. Here, wicked thoughts (both harmless and hate-filled) appear in the air as telltale wisps of Smoke. Young Thomas Argyle, a son of aristocracy, has been sent to an elite boarding school. Here he will be purged of Wickedness, for the wealthy do not Smoke. When he resists a sadistic headboy's temptations to Smoke, a much larger struggle beyond the school walls is revealed. Shortly thereafter, on a trip to London, Thomas and his best friend witness events that make them begin to question everything they have been taught about Smoke. And thus the adventure begins... You will travel by coach to a grand estate where secrets lurk in attic rooms and hidden laboratories; where young love blossoms; and where a tumultuous relationship between a mother and her children is the crucible in which powerful passions are kindled, and dangerous deeds must be snuffed out in a desperate race against time.
