True Stories: Elmira, New York Volume 2 James Hare,Diane Janowski,2017-10-31 James Hare and Diane Janowski are freelance history writers for the Elmira (NY) Star-Gazette. Since 2014, they each write monthly articles on the history of the city of Elmira, New York. This book is a second volume of their articles.

Caesars Palace Grand Prix Randall Cannon,2021-10-15 The path of Grand Prix racing in America wound through raceways at Sebring, Riverside, Watkins Glen, Long Beach, and finally Caesars Palace in Las Vegas. At each stop, the influence of organized crime seemed no more than a handshake away. But at Caesars the vast crime syndicate appeared deeply involved in the operations of the luxury-branded resort. The Caesars Palace Grand Prix then culminated in an unholy alliance of the world capital of gambling, the mob, and the international czar of Formula One. During its four-year run of successive Formula One and CART IndyCar events, the race hosted the biggest names in motorsport--Mario Andretti, Bernie Ecclestone, Roger Penske, Chris Pook, Alan Jones, Nelson Piquet, Niki Lauda, Danny Sullivan, Bobby Rahal and Al Unser among them. The podium celebration of the inaugural Grand Prix put the convergence of alleged organized crime influences and auto racing on public display, while the years that followed provided their own curiosities. This book traces the intertwined threads through decades of accounts, extensive interviews, and the files of the FBI.

Zebratown Greg Donaldson,2010-08-24 Eight years in the making, this edgy, in-depth account follows a black felon's attempt to find a new life for himself with a white woman in a small-town neighborhood where—as the book's title implies—such relationships are common. A remarkably intense read, Zebratown reveals a rhythm of life spiked with violence, betrayal, sex, and the emotional dangers created by passionate love. Greg Donaldson's Zebratown follows the life of Kevin Davis, an ex-con from Brownsville, Brooklyn, who, after his release from prison, moves to Elmira, New York, and takes up with Karen, a young woman with a six-year-old daughter. Kevin is seemingly the embodiment of hip-hop gangsterism—a heavily muscled, feared thug who has beaten a murder rap. And yet, as Donaldson's stunning reportage reveals, Kevin has survived on the streets and in prison with a sharp intelligence and a rigid code of practical morality and physical fitness while yearning to make a better life for himself and be a better man. Month by month and year by year, Donaldson follows Kevin and Karen's attempt to make a home together, a quest made harder by Kevin's difficulty finding legal employment. The dangerous lures of the street remain for him, both in New York City and in Zebratown, and he is not always successful at avoiding them. Meanwhile, as Kevin and Karen struggle, the reader comes to care for them, even as they act in ways that society may not condone. Theirs is a complex story with many moments of drama, suffering, desire, and revelation—a story that is frequently astonishing and unforgettable to the end. Like Adrian Nicole LeBlanc in *Random Family*, Donaldson explores a largely hidden world; such immersion journalism is difficult to achieve but uniquely powerful to read. In addition to spending long periods with Kevin and Karen, Donaldson interviews policemen, judges, family members, and others in Kevin and Karen's orbit, providing a remarkably panoramic account of their lives. Relationships between white women and black men have long been a hot issue in American culture. Even years after the 2008 presidential election, when society has in some ways seemingly moved on to a postracial perspective, people still have a lot to say about interracial relationships. Zebratown takes us into the heart of one and offers the paradoxical truth that while race is rarely not an issue in such relationships, in the end, what transpires between a couple is intensely individual. Meanwhile, the difficulty that ex-cons have successfully reentering society is an ongoing problem—for them, their families, and the communities where they live. Zebratown makes this struggle real, as Kevin Davis confronts not only his criminal record and his poor formal education but the cruelties of the postindustrial economy. Both his and Karen's stories resonate powerfully with twenty-first-century American reality, and in telling them, Greg Donaldson confirms his position as one of the most intrepid journalists at work today.

Emancipation Day Natasha L. Henry,2010-07-12 When slavery was abolished throughout the British Empire, effective August 1, 1834, people of African descent celebrated their newfound freedom and former slaves could live unfettered lives in Canada. This well-researched book provides insight into a distinct African-Canadian tradition through descriptive historical accounts and appealing images.

Mark Twain in the Company of Women Laura E. Skandera Trombley,1997-02 The field of Mark Twain biography has been dominated by men, and Samuel Clemens himself - riverboat pilot, Western correspondent, silver prospector, world traveler - has been traditionally portrayed as a man's man. The publication of Laura E. Skandera-Trombley's *Mark Twain in the Company of Women*, however, marks a significant departure from conventional scholarship. Skandera-Trombley, the first woman to write a scholarly biography of Mark Twain, contends that Clemens intentionally surrounded himself with women, and that his capacity to produce extended fictions had almost as much to do with the environment shaped by his female family as with the talent and genius of the writer himself. Women helped Clemens to define his boundaries, both personal and literary. Women shaped his life, edited his books, and provided models for his fictional characters. Clemens read and corresponded with female authors, and often actively promoted their careers. Skandera-Trombley seeks to combine a biographical study of Clemens's life with his beloved wife, Olivia (Livy) Langdon, and their three daughters, Susy, Clara, and Jean, with new readings of *Adventures of Huckleberry Finn* and *Personal Recollections of Joan of Arc*. Several crucial areas are

investigated: the nature of Clemens's family participation in his writing process, the degree to which their experiences as women during the mid- and late nineteenth century affected his writing, and the extent to which the loss of his family may have impeded and ultimately ended his ability to write lengthy narratives. Skandera-Trombley points out that in marrying Livy, Clemens not only joined a family of substantial means, but also entered one active in the suffragist, abolitionist, and other reformist movements, which had deep roots in the progressive community of Elmira, New York. Mark Twain in the Company of Women will be of interest to Twain scholars and readers as well as students in American studies, women's studies, nineteenth-century history, and political and cultural studies.
