Opportunities and Constraints of Community Language Teaching Sjaak Kroon,1992 This book presents the results of a case study that, as part of the European Communities Comparative Evaluation Project, was conducted on the EC Pilot Project Community Languages in the Secondary Curriculum, carried out in London, Birmingham and Nottingham. The case study consists of a document analysis, interviews with some of the projects key persons, observations in community language classrooms, and a mail survey among community language teachers. The book strongly argues for giving minority languages a more stable place in the curriculum.

Difficulties of teaching English to native Bengali speakers Amin Rahman,2016-01-26 Essay from the year 2012 in the subject English Language and Literature Studies - Linguistics, grade: A, , course: LING551, language: English, abstract: Teaching English is a global phenomenon. It is a multi-billion dollar industry. People from different countries, age, culture, backgrounds and gender are taking up teaching English as their profession to teach the language to Non-Native English Speakers (NNES). Initially, Native English Speakers taught English to NNES by using methods and techniques that they had employed in teaching English in their countries or new techniques they had

developed, which they thought were more effective (Brown, 2007). At different times different teachers used different methods and approaches, which they preferred. But now all agree that no single approach suits all learners. An approach needs to be authentic for a particular group of learners and it is now acknowledged that one group of learner is different from another group in more than one way. Thus, English teaching approaches, besides taking into account only the educational background or age of a group, should consider learners' cultural background, the environment in which they will use English and above all, their first language. To make teaching of English most effective, EFL/ESL teachers should take into account how a particular language relates with English and how difficult or easy it is to teach L2 learners because of the differences or similarities of L2 with English. This essay looks at the teaching of English to Native Bengali Speakers (NBS) from Bangladesh. It does not include the Bengali speakers of West Bengal in India because the Bengali language spoken there, including phonology and cultural background of learners, is different.

Effective Teacher Collaboration for English Language Learners Bogum Yoon,2021-09-23 This volume explores the value of teacher collaboration in meeting the needs of diverse English language learners (ELLs). A range of research-based chapters demonstrate examples of effective collaboration between English language specialists and content area teachers and offer recommendations for collaborative practice. Foregrounding the ways in which teacher collaboration can better support the needs of ELLs in elementary, middle, and high school classrooms, this volume provides evidence-based insights and suggestions to underpin effective teacher collaboration across the curriculum. Through case study examples, readers can understand common challenges and pitfalls, as well as best practices and how to apply teacher collaboration in real classroom settings. Research studies in subject areas including mathematics, science, and English language arts provide a basis for practical, evidence-based recommendations to engender mutual trust, teacher agency, and the development of shared goals to enhance instruction for ELLs' achievement. This book provides educators with new insights from empirical studies, and is vital reading for researchers, scholars, teachers, and teacher educators who are aware of the importance of collaboration for student success. Those involved in ESL, bilingual, and dual language programs may be particularly interested in this volume.

Family, School and Nation Nivedita Sen,2015-07-03 This seminal work examines the concurrence of childhood rebellion and conformity in Bengali literary texts (including adult texts), a pertinent yet unexplored area, making it a first of its kind. It is a study of the voice of child protagonists across children's and adult literature in Bengali vis-à-vis the institutions of family, the education system, and the nationalist movement in the nineteenth and twentieth centuries.

Perspectives in Politics and Discourse Urszula Okulska,Piotr Cap,2010 The volume explores the vast and heterogeneous territory of Political Linguistics, structuring and developing its concepts, themes and methodologies into combined and coherent Analysis of Political Discourse (APD). Dealing with an extensive and representative variety of topics and domains - political rhetoric, mediatized communication, ideology, politics of language choice, etc. - it offers uniquely systematic, theoretically grounded insights in how language is used to perform power-enforcing/imbuig practices in social interaction, and how it is deployed for communicating

decisions concerning language itself. The twenty chapters in the volume, written by specialists in political linguistics, (critical) discourse analysis, pragmatics, sociolinguistics, and social psychology, address the diversity of political discourse to propose novel perspectives from which common analytic procedures can be drawn and followed. The volume is thus an essential resource for anyone looking for a coherent research agenda in explorations of political discourse as a point of reference for their own academic activities, both scholarly and didactic. Politics in today's world consists of almost continuous interconnected talking and writing in a constantly expanding media universe. This comprehensive collection of papers edited by Urszula Okulska and Piotr Cap helps readers to get a hold on the flow of discourse that constitutes politics today. Indispensable for anyone seeking perspectives for understanding the language of politics and research methods for probing beyond the surface.

Pavilion of Women Pearl S. Buck, 2012-08-21 A “vivid and extremely interesting” novel of an upper-class Chinese wife’s quest for freedom, from the Nobel Prize-winning author of *The Good Earth* (The New Yorker). At forty, Madame Wu is beautiful and much respected as the wife of one of China’s oldest upper-class houses. Her birthday wish is to find a young concubine for her husband and to move to separate quarters, starting a new chapter of her life. When her wish is granted, she finds herself at leisure, no longer consumed by running a sixty-person household. Now she’s free to read books previously forbidden her, to learn English, and to discover her own mind. The family in the compound are shocked at the results, especially when she begins learning from a progressive, excommunicated Catholic priest. In its depiction of life in the compound, *Pavilion of Women* includes some of Buck’s most enchanting writing about the seasons, daily rhythms, and customs of women in China. It is a delightful parable about the sexes, and of the profound and transformative effects of free thought. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author’s estate.

Teaching English Language Learners in Secondary Subject Matter Classes Yu Ren Dong, 2019-08-01 This book is for secondary subject matter teachers and administrators who work with English language learners (ELLs) in subject matter classes. It is also for college professors who prepare pre-service teachers to work with those students. The book brings together insights from linguistic, socio-cultural, educational, cognitive, developmental perspectives of what it means for ELLs to learn both English and subject matter knowledge in English as a second language. It delineates unique challenges that ELLs experience, offers ELLs’ learning stories, and suggests concrete strategies with classroom teaching examples across academic disciplines. The 2nd edition broadens the

scope of the 1st edition in several aspects. Specifically, it includes two chapters about secondary ELLs' previous educational experiences in their home countries, a chapter on subject matter lesson planning with ELLs in mind with teacher collaborative strategies, and more principle-based and field-tested effective instructional and assessment strategies for working with ELLs.

Bengali Course. For English-Speaking Students. Second Edition Aleur Rahman,2023-05-15 Do you find yourself unable to read and speak Bengali? Constantly trying to keep up with conversations? Clueless about how to begin learning the Bengali language? If you are too busy to attend a weekly session or sit through online video courses, this book will take you through the simple learning process in bite-size steps. Easy to digest with intelligent use of phonemes and English word comparisons (referred to as partial transliterations) to complement pronunciation. The book is written primarily in the formal 'book' dialect of the language, Shuddho basha. More commonly spoken in Dhaka, Bangladesh, utilised in formal TV, media, and newspapers. There are, however, clear references to the more informal dialect, Sylhetti basha where appropriate. More commonly spoken in Sylhet, Bangladesh. This is an extra dimension to the book as there are a substantial number of expats from Sylhet dotted all over the world. Thus with this book alone, one is able to sit comfortably, whether at home, abroad, or on a plane, and master the Bengali language. The sixth most spoken language in the world. Notes for the Second Edition The second edition now adds various additional examples and exercises for better understanding. A new chapter is now also incorporated (Chapter 4) introducing different forms of 'Letter couplets'. This further expands on previous introductions of coupled letters, 'ref' [২২২], 'folo' [২২২] and 'jooktho-borno' [২২২২২২২২]. Finally, with the help of readers around the world and their courteous emails, comments, and reviews, this edition now corrects various errors which had crept into the first edition.
