**Brief History of Indonesia** Tim Hannigan,2015-08-18 Sultans, Spices, and Tsunamis: The Incredible Story of the World's Largest Archipelago Indonesia is by far the largest nation in Southeast Asia and has the fourth largest population in the world after the United States. Indonesian history and culture are

especially relevant today as the Island nation is an emerging power in the region with a dynamic new leader. It is a land of incredible diversity and unending paradoxes that has a long and rich history stretching back a thousand years and more. Indonesia is the fabled Spice Islands of every school child's dreams—one of the most colorful and fascinating countries in history. These are the islands that Europeans set out on countless voyages of discovery to find and later fought bitterly over in the 15th, 16th and 17th centuries. This was the land that Christopher Columbus sought, and Magellan actually reached and explored. One tiny Indonesian island was even exchanged for the island of Manhattan in 1667! This fascinating history book tells the story of Indonesia as a narrative of kings, traders, missionaries, soldiers and revolutionaries, featuring stormy sea crossings, fiery volcanoes, and the occasional tiger. It recounts the colorful visits of foreign travelers who have passed through these shores for many centuries—from Chinese Buddhist pilgrims and Dutch adventurers to English sea captains and American movie stars. For readers who want an entertaining introduction to Asia's most fascinating country, this is delightful reading.

Translation Guide Theories, Concepts, Strategies And Application Materials For Translation Studies Djoko Susilo, Translation as a discipline has many theories, standards, strategies, varieties, methods, and other aspects in its specific manner. Someone who tries to translate, especially of books, texts and or part of them, it is better, at least understand those basic theories of translation. It is necessary also however, to translate them as often as possible. The more he or she practices it, his or her translation will be better. By doing so, it is hoped that his or her translation will be more acceptable, accurate and appropriate. This book describes both theory and practice aspects of translation especially for those who will translate at the first time, whether they are students, teachers, lecturer, and someone else who interested in translation. On the theories aspects, it analyses many basic ones, i.e. the importance, definition, process, principles, and types of translation; concepts of meaning and equivalence that usually used in it. And on the practice aspects it displays about English noun phrase, verb phrase, verbal constructions, modality and the way to translate each of them into Indonesian easily both in textual, grammatical, and contextual point of view. It also gives

the guidance of how to use a dictionary in translation appropriately and correctly. Finally, this book discusses how to translate Indonesian text into English as well. To make this book is more complete and as a materials for translation studies, it completed by summary and exercise in the last part of each section. There are many appendixs in it, consists of 4 appendixs as exercise material in translating from English into Indonesian and an appendix as exercise material in translating from Indonesian into English. These appendixs are aimed to motivate the readers in doing translation based on the materials and exercises given.

**TRANSLATION: THEORY AND PRACTICE** Sri Endah Tabiati, 2017-02-14 Learning how to translate needs patience. In addition, the learners must fulfill some requirements. They have to master the language of the original texts (SL) and the language into which the texts will be transferred or translated (TL) well. Knowledge of linguistics will also be of a great help. This textbook will equip the students of an English Department with theory and practice of translation. It starts with the quotations of the definitions of translation proposed by translation experts to make the translation learners know, understand and have deep insights of translation. It is then followed by the process, types and methods of translation to provide the translation learners with a guide of how to translate. Some problems commonly occurred in the case of the translation from English into Indonesian are also provided to make learners skillful in the translation dealing with the two languages. The exercises are provided to make the learners have a lot of practice in translation. The texts for the practice vary: taken from different sources and different registers or genres. The Book is completed with Course Outline or RPKPS (The Plan of the Semester learning Activities Program), Glossary,

and he authors' CVs The Objectives of each chapter are presented at the beginning of each chapter. The authors want to express her appreciation and thanks to: Herdianti Nurmala, Fortunita, Febrianti, Rozi and Dian Putri who have given significant contribution in providing examples for the exercises. Last but not least the authors need criticisms and inputs about the textbook to make translation learners good translators in the shortest possible time.
