Serbian-English, English-Serbian dictionary ,2004

Serbian Dictionary & Phrasebook Nicholas Awde,Duška Radosavljević,2004 Serbian is the language spoken in Serbia and by the Serbs who live in other parts of the former Yugoslavia. Due to Serbian's similarity to Croatian, the two languages were fused into Serbo-Croat, which was the official language of Yugoslavia until the country divided into various republics in the early 1990s. The user of this dictionary and phrasebook, however, will be clearly understood in Serbia and Montenegro as well as in most of Bosnia and Croatia. Included are a bilingual dictionary with more than 4000 entries, a concise grammar, and a comprehensive phrasebook for students, travelers and foreign aid workers. A commonsense pronunciation guide enables users to speak Serbian without learning the Cyrillic script. A brief history of the language and cultural information are also provided.

The Serbian Dictionary Nikola Dordevic,2018-08-18 If you're looking for a reliable modern Serbian-English dictionary, you're in the right place. This concise dictionary includes 1,300 modern Serbian terms. The words are ordered alphabetically first in English and then in Serbian for convenient access.

On top of that, the index in the second half of the book provides you with a basic Serbian-English as well as English-Serbian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Serbian learning resource is a combination of Serbian vocabulary book and a two-way basic Serbian dictionary: Part 1 - Topic based Serbian vocabulary book: This is the main part of the book and represents a list of chapters each containing Serbian vocabularies for a certain topic. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Serbian dictionary: The index in the second half of the book can be used as a basic Serbian dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Serbian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Serbian words and directly find the English translation How to use this Serbian vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Serbian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Serbian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Serbian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Serbian and comes in particularly handy at times when there is no internet to look up words and phrases.
