Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Venice Cees Nooteboom, 2020-09-03 You might think there is little new to say about Venice, but Cees Nooteboom strolls down many under-explored alleyways in the city, his insights coloured by his knowledge of art and literature as well as his past experiences . . . Witty and meditative by turns, the overall effect is like being shown around by a wonderfully self-effacing, but impressively erudite guide The Sunday Times BOOKS OF THE YEAR Nooteboom has achieved the impossible: to say something new about the ageless city about which everything has been said ALBERTO MANGUEL The whole book is the illuminating testimony of a man who cannot look away and so sees things that others, even those with more specialist knowledge, have missed, whether it be the color and consistency of the ropes on the vaporetti, the glistening hues and squirming movements of the fish at the market, or the wondrous effects that Tintoretto could achieve with dabs of white in 'the gleam of armour, the folds in a sleeve, the windings of a turban, the halo of a man of the air who, as in the Last Judgment, is flying through space, in a wide flowing cloak . . .'

GREGORY DOWLING, Wall Street Journal VENICE: A dream of palaces and churches, of power and money, dominion and decline, a paradise of beauty. By the author of Roads to Santiago and Roads to Berlin With this treasury of his time spent in Venice over a period of fifty-five years, Nooteboom makes himself the indispensable companion for all lovers of the sailing, amphibious city, and for every new visitor. Because he is a master storyteller with an inexhaustible curiosity, and always with a suitcase of books (to which new discoveries are added), he brings vividly and poetically to life not only the tumultuous history of the Republic but along the way its doges, its villains, its heroes, its magnificent painters, its architects, its scholars, its skies, its canals and piazzas and alleyways, and on his expeditions its bronze voices of time. Those who know and love this

city and its literature will recognise Nooteboom - in Laura Watkinson's fine translation - as the dazzling heir and companion to Montaigne, Thomas Mann, Rilke, Ruskin, Proust, Brodsky, and Donna Leon. His homage to Venice is a generous introduction, learned and enchanting, and worthy of its magnificent subject. His writing is lyrical and densely textured. He is a poet of time and memory - COLIN THUBRON Translated from the Dutch by Laura Watkinson

The Colonel Alanna Nash, 2014-06-01 Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music: Elvis Presley. His real name wasn't Tom Parker - indeed, he wasn't an American at all, but a Dutch immigrant called Andreas van Kujik. And he certainly wasn't a proper military colonel: he purchased his title from a man in Louisiana. But while the Colonel has long been acknowledged as something of a charlatan, this book is the first to reveal the extraordinary extent of the secrets he concealed, and the consequences for the career, and ultimately the life, of the star he managed. As Alanna Nash's prodigious research has discovered, the Colonel left Holland most probably because, at the age of twenty, he bludgeoned a woman to death. Entering the US illegally, he then enlisted in the army as "Tom Parker". But, with supreme irony for someone later styling himself as Colonel, Parker's military career ended in desertion, and discharge after a psychiatrist had certified him as a psychopath. He then became a fairground barker, working sideshows with a zeal for small-scale huckstering and the casual scam that never left him. And by the height of Elvis's success, Parker had become a pathological gambler who, at the same time as he was taking, amazingly, a full 50% of Presley's earnings, frittered away all his wealth in the casinos of Las Vegas. As Nash shows, therefore, the often baffling trajectory of Elvis Presley's career makes perfect sense once the secret imperatives of the Colonel's life are known. Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there. Even at his most famous, Elvis was still being booked to play out-of-the-way towns in North Carolina - because the former fairground barker (who shamelessly negotiated as such even with top record company and film executives) knew them from his days on the circus circuit. And Elvis was trapped playing years of arduous seasons in Las Vegas - two shows nightly, seven days a week, until boredom and despair brought on the excessive drug use that killed him - because for Parker he was "an open chit" whose huge earnings prevented his manager's losses at the gambling tables being called in. Alanna Nash knew Parker towards the end of his life, and has now uncovered the whole story, improbable, shocking, and never less than compelling, of how this larger-than-life man made, and then unmade, popular music's first and greatest superstar.

The Rock Pool Cyril Connolly, 2013-01-03 In this engaging satire of the British upper class, a smug young literary man from Oxford joins an international group of artists and writers on the French Riviera, intending to study them as if they were aquatic organisms in a pool--with unexpected results. First published in 1936 by Jack Kahane's Obelisk Press.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century.

By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Bitter Music Harry Partch, 2000 Now in paper for the first time, Bitter Music is a generous volume of writings by one of the twentieth century's great musical iconoclasts. Rejecting the equal temperament and concert traditions that have dominated western music, Harry Partch adopted the pure intervals of just intonation and devised a 43-tone-to-the-octave scale, which in turn forced him into inventing numerous musical instruments. His compositions realize his ideal of a corporeal music that unites music, dance, and theater. Winner of the ASCAP-Deems Taylor Award, Bitter Music includes two journals kept by Partch, one while wandering the West Coast during the Depression and the other while hiking the rugged northern California coastline. It also includes essays and discussions by Partch of his own compositions, as well as librettos and scenarios for six major narrative/dramatic compositions.

Tacky Rax King, 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column “Store-Bought Is Fine” Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an

excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. Music for the Piano ,2005-06 (Schott). Gurdjieff, born in Kaukasus at the boundary between Armenia and Turkey, developed a philosophical apprenticeship that melds the esoteric knowledge of the East and the scientific thinking of the West. As he traveled many years through Asia and the East, he gathered and recorded melody and ritual dances. His friend and student Thomas de Hartmann processed these to piano pieces. The pieces have a vocal style and are expertly transcribed to convey the mystery and beauty of the originals...The integration of Eastern and Western musical elements in these pieces will appeal to many pianists and create interest in the cultural backgrounds of the melodies.-- Clavier

Egypt -- 'Image of Heaven' Willem H. Zitman,2006 The ancient Egyptians were the first geographical planners to develop a system establishing an image of heaven on earth. This book completes ten years of research into how the Pyramid Field depicts The Constellation of Horus, the deity who bore the meaning of power and invincibility and who guarded the Pharaoh. Rather than randomly pick certain pyramids, Zitman is the first scholar able to make

sense of the entire era of pyramid building. Is this depiction of Heaven on Earth an inheritance of the mythical Followers of Horus, who were said to rule Egyptian in Predynastic times? Zitman reveals how time and space were perceived by the Egyptians as sacred ingredients, and that they mixed into a divine master plan, which for the first time is unveiled in its entirety. The precision (of the Egyptians) was amazing by any standards, and there is no doubt that the Pyramids were astronomically designed. -- Patrick Moore.

The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.
