People Helping People Edward M. Walters,2009-04-01 An in-depth look at the history of the financial institution, from its 1934 establishment to the 2008 US financial crisis. The first seventy-five years for the Texas Credit Union League have been extraordinary! From its modest inception to its solid stature enjoyed today, the membership's collective voice has guided us and served as a steadying arm. For three-quarters of a century, we've reached out to support one another in our drive toward improving the financial health of credit union members. This book illuminates the individuals who championed the credit union movement in Texas and who worked tirelessly to safeguard our cooperative nature and to enhance our ability to meet member needs. The League story is one of vision, faith, and the firm belief that each of us is enriched because of the sum of our cooperative experiences. Because we continue to support one another, our association lives its mission of protecting credit unions and promoting their growth, strength, and unity.

The Art of Schoolwide Enrichment Nora Friedman,Michele Webb,2007 Following the popularity of Opening Doors, Nora Friedman and Michele Webb provide more helpful, hands-on tips for bringing the Schoolwide Enrichment Model (SEM) to life in your school. Readers learn how to create a schedule that includes a weekly time for enrichment learning experiences, as well as ideas for injecting interest-based experiences into the regular curriculum, test-prep activities, and the entire school. Chapters cover designing a traditional Enrichment Cluster Program, using lunch and recess for enrichment, implementing curriculum-based enrichment, developing a Yellow Pages-style listing of student expertise, and more. Friedman and Webb also share how they use the principles of SEM to promote a can-do attitude and address mandates, problem areas in the curriculum, and other school issues. To save administrators and educators time, many reproducible handouts and forms are included in the appendices. Use this book to enhance your Schoolwide Enrichment Model program or simply to give your students more opportunities for enrichment learning. Includes a CD with materials.

The Fast Track Program for Children at Risk Conduct Problems Prevention Research Group,Karen L. Bierman,John D. Coie,Kenneth A. Dodge,Mark T. Greenberg,John E. Lochman,Robert J. McMahon,Ellen E. Pinderhughes,2019-09-11 This unique volume reports on the largest long-term preventive intervention study ever conducted with children at risk for serious violence and poor life outcomes. From first through 10th grade, Fast Track provided multicomponent interventions to support children, families, and schools in achieving positive social, emotional, and academic outcomes. The book explores the developmental processes associated with early aggression, describes how each component of FastTrack was developed and implemented, and summarizes outcomes up to 20 years later. Vivid case studies track the impact of comprehensive school- and family-based programming on children's pathways through the elementary and high school years. The concluding chapter offers recommendations for using Fast Track components in future violence prevention initiatives. See also the authors' Social and Emotional Skills Training for Children: The Fast Track Friendship Group Manual, a step-by-step guide to implementing one of the core components of Fast Track.
