Popular Culture and Foreign Policy Umut Yukaruç, 2023-02-15

Popular Culture and Foreign Policy: The Case of Turkey and the Valley of the Wolves: Ambush analyzes Turkish Foreign Policy from an interdisciplinary perspective. It seeks to understand and discuss how foreign policy discourses can be reproduced by a popular television series and consequently produce consent for certain foreign policies.

Populism in Global Perspective Pierre Ostiguy, Francisco

Panizza, Benjamin Moffitt, 2020-12-30 Pathbreaking theoretically and innovative in treatment, *Populism in Global Perspective* is a seminal addition to the literature on arguably the most controversial and fervently discussed topic in political science today. The book brings together established and rising stars in the field of populism studies, in an integrated set of theoretical and empirical studies centered on a discursive-performative notion of populism. Contributors argue that populist identification is relational and sociocultural, and demonstrate the importance of studying populism phenomenologically together with anti-populism. The truly global series of case studies of populism in the US, Western and Southern Europe, Latin America, South Africa, the Philippines, and Turkey achieves a deliberate balance of left and right instances of populism, including within regions, and of populism in government and opposition. Written in a style approachable to students and specialists alike, the volume provides a substantial foundation for current knowledge on the topic. *Populism in Global Perspective* is a must read for comparativists, political theorists, sociologists, area studies specialists, and all educated readers interested in populism worldwide.

Narrative Theory and Therapy in the Post-Truth Era Y?lmaz,

Recep,Koç, Bozkurt,2022-05-20 Narrative theory goes back to Plato. It is an approach that tries to understand the abstract mechanism behind the story. This theory has evolved throughout the years and has been adopted by numerous domains and disciplines. Narrative therapy is one of many fields of narrative that emerged in the 1990s and has turned into a rich research field that feeds many disciplines today. Further study on the benefits, opportunities, and challenges of narrative therapy is vital to understand how it can be utilized to support society. Narrative Theory and Therapy in the Post-Truth Era focuses on the structure of the narrative and the possibilities it offers for therapy as well as the post-modern sources of spiritual conflict and how to benefit from the possibilities of the narrative while healing them. Covering topics such as psychotherapy, cognitive narratology, art therapy, and narrative structures, this reference work is ideal for therapists, psychologists, communications specialists, academicians, researchers, practitioners, scholars, instructors, and students.

Byzantium in the Popular Imagination Markéta

Kulhánková,Przemyslaw Marciniak,2023-08-10 What is the contemporary cultural legacy of Byzantium or The Eastern Roman Empire? This book explores the varied reception history of the Byzantine Empire across a range of cultural production. Split into four sections: the origins of 'Byzantomania' in France, modern media, literature, and politics, it provides case studies which show the numerous ways in which the empire's legacy can be felt today. Covering television, video games and contemporary political discourse, contributors also consider a wide range of national and geographical perspectives including Russian, Turkish, Polish, Greek and Hungarian. It will be essential reading for scholars and students of the reception and cultural history of the Byzantine Empire.

Gazetecilik ve Medya Çalışmaları Vefahı ENSEROV,2020-11-12

Handbook of Research on Bullying in Media and Beyond Sar?,

Gül?ah,2022-08-19 Bullying has been an issue for generations across fields and industries and can affect children as well as adults. With the rise of social media in recent years, bullying has evolved to include new forms such as cyberbullying and peer bullying. In the past, victims were able to escape their bullies in safe places, such as their homes. Nowadays, with technology keeping society constantly connected, bullies are able to exert their influence at all times. This is taking a far greater mental toll on bullied adults and children leading to burnout in the workplace, stress, anxiety, depression, and more. To understand and develop possible solutions to prevent bullying, further study is required. The Handbook of Research on Bullying in Media and Beyond considers the various forms of bullying and analyzes their representation in the media. The book also discusses the evolution of bullying throughout the years and how media and technology have played a key role in the changing landscape. Covering topics such as body image, peer bullying, social media, and violence, this major reference work is ideal for policymakers, computer scientists, psychologists, counselors, researchers, academicians, scholars, practitioners, instructors, and students.

Frontline Turkey Ezgi Basaran,2017-09-30 Turkey is on the front line of the war which is consuming Syria and the Middle East. Its role is complicated by the long-running conflict with the Kurds on the Syrian border - a war that has killed as many as 80,000 people over the last three decades. In 2011 President Erdogan promised to make a deal with the PKK (Kurdistan Workers' Party), but the talks marked a descent into assassinations, suicide bombings and the killing of civilians on both sides. The Kurdish peace process finally collapsed in

2014 with the spillover of the Syrian civil war. With ISIS moving through northern Iraq, Turkey has declared war on Western allies such as the Kurdish YPG (People's Protection Unit) - the military who rescued the Yezidis and fought with US backing in Kobane. Frontline Turkey shows how the Kurds' relationship with Turkey is at the very heart of the Middle Eastern crisis, and documents, through front-line reporting, how Erdogan's failure to bring peace is the key to understanding current events in Middle East.

Identity Politics Inside Out Lisel Hintz, 2018-08-28 The trajectory of Turkey's Justice and Development Party (AKP) rule offers an ideal empirical window into puzzling shifts in Turkey's domestic politics and foreign policy. The policy transformations under its leader Recep Tayyip Erdogan do not align with existing explanations based on security, economics, institutions, or identity. In *Identity Politics Inside Out*, Lisel Hintz teases out the complex link between identity politics and foreign policy using an in-depth study of Turkey. Rather than treating national identity as cause or consequence of a state's foreign policy, she repositions foreign policy as an arena in which contestation among competing proposals for national identity takes place. Drawing from a broad array of sources in popular culture, social media, interviews, surveys, and archives, she identifies competing visions of Turkish identity and theorizes when and how internal identity politics becomes externalized. Hintz examines the establishment of Republican Nationalism in the wake of imperial collapse and examines failed attempts made by those challenging its Western-oriented, anti-ethnic, secularist values with alternative understandings of Turkishness. She further demonstrates how the Ottoman Islamist AKP used the European Union accession process to weaken Republican Nationalist obstacles in Turkey, thereby opening up space

for Islam in the domestic sphere and a foreign policy targeted at achieving leadership in the Middle East. By showing how the inside out spillover of national identity debates can reshape foreign policy, *Identity Politics Inside Out* fills a major gap in existing scholarship by closing the identity-foreign policy circle.

Authoritarian Neoliberalism and Resistance in Turkey İmren Borsuk, Pınar Dinç, Sinem Kavak, Pınar Sayan, 2021-09-29 This book offers new clarity on three important political concepts: authoritarianism, neoliberalism, and resistance. While debates on authoritarian resurgence have been limited to the examination of political factors (e.g., polarisation, conflict) until recently, the rising literature on ‘authoritarian neoliberalism’ highlights how the neoliberal restructuring of political economy bolsters the authoritarian tendencies of elected governments both in the Global South and the Global North. This book will be an invaluable resource not only to scholars of Turkey and the Middle East but also to researchers into authoritarianism and neoliberalism around the world. Chapters 2 and 10 are available open access under a Creative Commons Attribution 4.0 International License via link.springer.com.

Turkish-Qatari Relations Özgür Pala, Khalid Al-Jaber, 2022-04-04 This book examines Turkish-Qatari relations from the nineteenth century to the present. The authors argue that conducive structural dynamics and ambitious geopolitical goals facilitated critical foreign policy convergences between Ankara and Doha, eventually developing into a strategic partnership between the two countries.

Securitization and Authoritarianism İhsan Yılmaz, Erdoğan Şipoli, Mustafa Demir, 2023-03-17 This book focuses on securitization and authoritarianism in Turkey with research on the country’s Islamist populist ruling party’s (AKP) oppression of different socio-

political, ethnic and religious groups. In doing so, it analyzes how the AKP has securitized to oppress different socio-political groups and identities, according to the time and need for the party's political survival. Research in the book sheds light on the use of traumas, conspiracy theories, and fear as tools in the securitization and repression processes.

Turkey's Nuclear Future Sinan Ülgen, George

Perkovich, 2015-03-24 Turkey, with a robust modern economy and growing energy needs, is pursuing a switch to nuclear power. But that shift is occurring in an environment fraught with security challenges: Turkey borders Iraq, Syria, and Iran—all states with nuclear or WMD ambitions or capabilities. As a NATO member, Turkey also hosts U.S. nuclear bombs on its territory, although some question the durability of this relationship. This dynamic has naturally led to speculation that Turkish leaders might someday consider moving beyond a civilian course to develop nuclear weapons. Yet there has been remarkably little informed analysis and debate on Turkey's nuclear future, either within the country or in broader international society. This volume explores the current status and trajectory of Turkey's nuclear program, adding historical perspective, analytical rigor, and strategic insight.

The Kosovar Turks and Post-Kemalist Turkey Husrev

Tabak, 2016-11-30 Even before the collapse of the Ottoman Empire, Turkic communities, living in states newly independent from Ottoman rule, were 'protected' by the Ottomans. With the creation of the new Turkish Republic, the notion of 'Outside Turks' became embedded in a new foreign policy which aimed to unite these communities, with whom Kemalist Turkey claimed to share ethnic origin, to the homeland. After 1980, and particularly during the

Justice and Development Party rule, the country's domestic agenda, however, was transformed to imagine Outside Turks along cultural and religious lines, rather than in a purely ethnic sense. Husrev Tabak provides a foreign policy analysis to account for this vital shift, arguing that four post-Kemalist norms are responsible: Ottomania, de-ethnicized nationhood, Turkish Islam and Islamic Internationalism. By focusing on the case of the Kosovar Turks, the book reveals that the post-Kemalist move to re-imagine Outside Turkish communities was largely counterproductive. In losing Turkey as a secure point of reference for their ethnic identity, these communities began to fashion a nationalism which gained a reactionary character. The Kosovar Turks now more vehemently embrace Kemalist attitudes and discourses and their sense of Turkish ethnicity has been sharpened. In tracing the impact of norm changes within Turkey on ethnic Turks beyond Turkey, the book illustrates the way in which domestic norms can be used as a significant foreign policy analysis tool. The Kosovar Turks and Post-Kemalist Turkey will therefore be essential reading for those interested in Turkey's foreign policy and post-Kemalism, as well as those researching the ongoing impact of the Ottoman Empire's multinational, multicultural legacy.

Higher Education and the COVID-19 Pandemic ,2022-06-13

Higher Education and the COVID-19 Pandemic explores how higher education institutions and systems around the world responded to the COVID-19 pandemic, managed transition to online learning, and adjusted to the new post-COVID reality.

Communication Strategies in Turkey Taner Dogan,2020-12-10

The Turkish President Recep Tayyip Erdogan is known for his populist Islamist ideology, charismatic personality, and for ushering in new forms of communication strategies in Turkey. The key tools in

Erdogan's political communication repertoire include religious, cultural and historic symbols and imagery. From engaging Israel to the Gezi Park protests, from the Arab uprisings to the July 2016 coup attempt, every key moment in Turkey's recent history has heralded a change in Erdogan's rhetoric. *Communication Strategies in Turkey* examines the transformation of political messaging that has taken place within the Justice and Development Party (AKP) under Erdogan. Using quantitative and qualitative analysis of in-depth interviews with high profile AKP officials, observations at AKP rallies and headquarters, and analysis of Erdogan's speeches from 2002 to 2019, the book shows how his method of communication changed over time to prioritise a "New Turkey" to replace Atatürk and his legacy.

Antisemitism and Anti-Zionism in Turkey Efrat Aviv, 2017-02-17

The Jewish community in Turkey today is very diverse with extremely different views as to whether Jews are reluctant or enthusiastic about living in Turkey. Many see themselves primarily as Turks and only then as Jews, while some believe quite the opposite. Some deny there are any expressions of antisemitism in Turkey while others would call it xenophobia and would claim that the other non-Muslim communities in Turkey share the same antagonism. 'Antisemitism and Anti-Zionism in Turkey' provides a comprehensive history of the extent of antisemitism in Turkey, from the time of the Ottomans, through the establishing of the Turkish Republic, and up to recent times and the AK Party. It also provides an in-depth analysis of the effect of Israeli military operations on antisemitism, from the Second Lebanon War in 2006 to Operation Protective Edge in 2014. Much emphasis is given to the last decade, as scholars and local Jews assert that antisemitism has increased during this period. An illustrated overview of antisemitism in Turkish media,

covering newspapers, books, entertainment, and education, is provided. The book also analyses Turkish society's attitude towards Jews in contrast with other minorities, and examines how the other minorities see the Jews according to their experience with Turkish society and government. A unique poll, data collected from personal interviews and the use of both Turkish and Israeli research resources, all help to provide a fresh insight into antisemitism in Turkey. This book will therefore be a key resource for students and scholars of antisemitism and anti-zionism studies, Turkish Studies and Middle East Studies.

The Justice and Development Party in Turkey Toygar Sinan Baykan, 2018-12-06 A fieldwork-based account of the role of populism, personalism and organisation in the rise of Erdoğan's JDP to authoritarian predominance.

Cyprus and the Roadmap for Peace Michális S. Michael, Yücel Vural, 2018-10-26 The UN-led Cyprus peace process is in desperate need of radical transformation. This book makes a notable contribution towards changing the current discourse by empowering the main parties to better value their relationship. By altering goals and perceptions, the authors explore alternative visions for the future of Cyprus, suggesting both realistically feasible and politically challenging ideas. Using an exciting, innovative and multifocal approach, the authors discuss the practical application of specific solutions and explore the radical disagreements of the conflict at both social and political levels. Reflecting on the idea of a 'post-settlement' state of affairs and the prospect of such a reality, chapters illustrate the problems, challenges and political dynamics of Cyprus. The book explores the conceptual approaches to dialogue; reviews Greek, Turkish and Cypriot policies; probes the challenging roles of the UN

and EU; canvasses Greek Cypriot and Turkish Cypriot perspectives on the conflict; and, finally, offers dialogical reflections and debates on past and future problems. Allowing open and expressive dialogue, this book will interest those in academic and practitioner roles focused on international politics, conflict resolution and peace studies. It allows for further understanding of the complex perspectives presented in Cyprus that have great relevance in other international settings.

The Muslim Social Gizem Zencirci, 2024-02-15 Since coming to power in 2003, Turkey's governing party, the AKP, has made poverty relief a central part of their political program. In addition to neoliberal reforms, AKP's program has involved an emphasis on Islamic charity that is unprecedented in the history of the Turkish Republic. To understand the causes and consequences of this phenomenon, Zencirci introduces the concept of the Muslim Social, defined as a welfare regime that reimagined and reconfigured Islamic charitable practices to address the complex needs of a modern market society. In *The Muslim Social*, Zencirci explores the blending of religious values and neoliberal elements in dynamic, flexible, and unexpected ways. Although these governmental assemblages of Islamic neoliberalism produced new forms of generosity, distinctive notions of poverty, and novel ways of relating to others in society, Zencirci reveals how this welfare regime privileged managerial efficiency and emotional well-being at the expense of other objectives such as equality, development, or justice. The book provides a lens onto the everyday life of Islamic neoliberalism, while also mapping the kind of political concerns that animate poverty governance in our capitalist present.

One Hundred Years of Turkish Foreign Policy (1923-2023)

Binnur Özkeçeci-Taner, Sinem Akgül Açıkmeşe, 2023-10-16 This book

brings together an all-women group of scholars to provide a historically grounded and theoretically rich examination of the continuities and changes in Turkey's foreign policy since the Republic's establishment in 1923. Using different International Relations theories, clarifying the interaction between domestic politics and foreign policymaking, the book charts the evolution of Turkey's foreign policy vis-a-vis several regions and global actors and examines the major developments in Turkey's relations with these actors. Some chapters emphasize the continuities in Turkey's external relations, and others examine the significant changes and discontinuities in certain areas. Recognizing that Turkey's state interests may not always coincide with the interests of the ruling elite, the book demonstrates that the centennial birthday of Turkey represents a constitutive moment for Turkey's future and calls for a pragmatic, as opposed to a completely ideologically-based, grand strategy that should focus on progressive ideals.

Ensonhaber Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has are more evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Ensonhaber**, a literary masterpiece that delves deep into the significance of words and their affect our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book is key themes, examine its writing style, and analyze its overall effect on readers.

Ensonhaber Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents.

However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations.

Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs.

One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be

downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Another reliable platform for downloading Ensonhaber free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files.

Users simply need to create a free account to access this treasure trove of knowledge.

Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with

a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Ensonhaber free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Ensonhaber free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Ensonhaber. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the

source before downloading Ensonhaber any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Ensonhaber Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on

your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ensonhaber is one of the best book in our library for free trial. We provide copy of Ensonhaber in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ensonhaber. Where to download Ensonhaber online for free? Are you looking for Ensonhaber PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online.

Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Ensonhaber. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Ensonhaber are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the

biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Ensonhaber. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Ensonhaber To get started finding Ensonhaber, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or

niches related with Ensonhaber. So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Ensonhaber. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Ensonhaber, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Ensonhaber is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Ensonhaber is universally compatible with any devices to read.
