**Planet Entrepreneur** Steven D. Strauss, 2013-09-13 How to develop an entrepreneurial mindset, begin a successful venture, and change the world for the better We are living in a world of incredible challenge and changes, and for both the entrepreneur and potential entrepreneur alike, this also means it is a world of ample opportunities. From the fall of the Berlin Wall to the rise of e-commerce and social media, there are now, today, more markets, tools, and opportunities for entrepreneurs than ever before. Even better: we are now also living in a world more predisposed to entrepreneurial solutions than ever, and we need those solutions—not just to create the Next Big Thing, but to solve the Next Big Problem. Every issue that individuals, communities, and nations face offers the entrepreneur the chance to make a difference. For anyone ready to embark on a mission to solve problems, create communities, build businesses, tap technology, and think entrepreneurially, this new world is teeming with opportunities for success. Uses real-life examples to explain the full extent of today's global entrepreneurial revolution and its vital importance for our future Explains where the emerging markets are and how to tap into them to achieve success Offers insights on the global entrepreneurial revolution, the future of financing, the rise of the self-employed army, the transformation of innovation, and the view from the bottom of the pyramid Learn how the world's best entrepreneurs are starting profitable businesses, innovating, or creating organizations to alleviate social needs across the globe. Planet Entrepreneur teaches how anyone can develop an entrepreneurial mindset, begin a successful venture, and change the world for the better. This is the Era of the Entrepreneur.

All of the benefits of entrepreneurship with none of the pitfalls? In the 10% Entrepreneur, Patrick McGinnis shows you how, by investing just 10% of your time and resources, you can become an entrepreneur without losing a steady paycheck.-- front flap

**Burn the Business Plan** Carl J. Schramm, 2019-01-03 A myth-busting guide packed with tools and techniques to help you get your big idea off the ground. Carl believes that entrepreneurship has been completely misrepresented by the media, business books, University programmes and MBA courses. He believes that the perception of what it takes to start a business no longer matches the reality -- which is bad news for everyone because it stops great ideas coming to life. Burn the Business Plan punctures the myth of the cool, tech-savvy 20-something entrepreneur with nothing to lose and venture capital to burn, showing that most people who start businesses are juggling careers and mortgages just like you. Burn the Business Plan doesn't rely on largely irrelevant stories of overvalued tech startups, nor does it build on the largely mistaken narrative of a linear path from cold start to great success that is the essence of business planning, as taught in universities. This is the guide to starting and running a business that will actually work for the rest of us. It shows you how to avoid the common mistakes and what you need to do to put your enterprise on track for success.

**Entrepreneur Mobility** Shamus Goss, 2020-05-22 It is quite clear that the Coronavirus Pandemic has ushered in a new era for mankind, especially for Americans. The pandemic has altered everything as we know it. And things will never be the same ever again. You will see how this global shift will be good news for the near future. Companies are making adjustments in the way they do business and engage employees. People are losing their jobs in unprecedented numbers. According to the Wall Street Journal, nearly 30 million Americans have lost their jobs since the pandemic began. That's disheartening, isn't it? But here's something you should know. Amid the chaos and uncertainties, new opportunities are opening up that many people don't know about. There are sections of the economy that are booming right now, and more opportunities continue to present themselves. Market niches such as healthcare, natural wellness, personal finance, technology, and real estate are experiencing a reshuffle right now. The good news is that entrepreneur-minded people like you can take advantage of these niches right now to build trans-generational businesses and wealth. As an entrepreneur, business coach, and innovator, I see these opportunities and am moving with the tide as well. Are you moving with the tide? If you are not sure, then you should read this book to find out how to position yourself to take part in this next great economic wave. This book is for you. It's to motivate you and get you to see the vast opportunities and low hanging fruit in front of you now. I will share the steps you need to identify these opportunities and start on this entrepreneurial journey that will change the course of your financial story for good. All of the details are the things that have worked for me. This is the mindset and philosophy that changed my life as a kid with a difficult upbringing from the South Bronx to where I am today, a successful serial entrepreneur, real estate innovator, and philanthropist. But again, it's not about me. You are my inspiration for writing this book. My aim is for you to use this book to point you in the right direction and show you that it's all possible for you and everyone out there to move fast and create something larger for yourself that you could ever imagine. If I can do it coming from the South Bronx, without the necessary guidance and support, then you too can do it regardless of your background as well. This book will be your initial support and proof of concept. So, let your personal financial shift begin!

**Hopping over the Rabbit Hole** Anthony Scaramucci, 2016-10-31 Develop the Scaramucci mindset that drives entrepreneurial success Hopping over the Rabbit Hole chronicles the rise, fall, and resurgence of SkyBridge Capital founder Anthony Scaramucci, giving you a primer on how to thrive in an unpredictable business environment. The sheer number of American success stories has created a false impression that becoming an entrepreneur is a can't-miss endeavor—but nothing could be further from the truth. In the real world, an entrepreneur batting .150 goes directly to the Hall of Fame. Things happen. You make a bad hire, a bad strategic decision, or suffer the consequences of an unforeseen market crash. You can't control what happens to your business, but you can absolutely control how you react, and how you turn bumps in the road into ramps to the sky. Anthony Scaramucci has been there and done that, again and again, and has ultimately come out on top; in this book, he shares what he wishes he knew then. Your chances of becoming an overnight billionaire are approximately the same as your chances of being signed to the NBA. Success is hard work, and anxiety, and tiny hiccups that can turn into disaster with a single misstep. This book shows you how to use adversity to your ultimate advantage, and build the skills you need to respond effectively to the unexpected. Learn how to deal with unforeseen events Map a strategic backup plan, and then a backup-backup plan Train yourself to react in the most productive way Internalize the lessons learned by a leader in entrepreneurship For every 23-year-old billionaire who just created a new way to send a picture on a phone, there are countless others who have failed, and failed miserably. Hopping over the Rabbit Hole gives you

the skills, insight, and mindset you need to be one of the winners.

**Grow to Greatness** Edward Hess, 2012-04-25 Simply put, most entrepreneurial start-ups fail. Those fortunate enough to succeed then face a second, major challenge: how to grow. This book focuses on the key questions an entrepreneur must answer in order to grow a business. Based on extensive research of more than fifty successful growth companies, *Grow to Greatness* discusses the top ten growth challenges and how to overcome them. Author Edward D. Hess dispels the myth that businesses must grow or die. Growth can create value. But, too much growth too fast outstrips effective processes, controls, or management capacity. Viewing growth as recurring change, *Grow to Greatness* lays out a framework for how to approach business development—and how to manage its risks and pace. The book then takes readers through chapters that explore whether the time is right to grow, how to do it, and how to manage the vital reality that growth requires the right leadership, culture, and people. Uniquely, this book aims to prepare readers for the day-to-day reality of growth, offering up the lived experiences of eleven entrepreneurs. Six workshops to assess where readers stand now and a suite of templates that will prove to be useful over time help bring the book's teachings to life. After reading this book, entrepreneurs will have a real understanding of their readiness to grow and place in the growth cycle, as well as a concrete action plan for where to take their businesses next. Many books address how to start a business, but this is a unique, go-to resource for readers who want to learn how to thrive beyond the start-up phase.

**Launch Your Inner Entrepreneur: 10 Mindset Shifts for Women to Take Action, Unleash Creativity, and Achieve Financial Success** Charlene Walters, 2021-02-23 Practical, specific advice and strategies to help women develop an entrepreneurial mindset Entrepreneurship has always skewed male—from availability of funding to how-to books that assume a primarily male audience. And yet, 36% of all small business or franchise owners are women, and there are 13 million female-owned businesses contributing to more than \$1.8 trillion in revenue. Now, with a fast-changing economy making traditional employment unsteady, there's never been a better time for becoming a "fempreneur." In *Launch Your Inner Entrepreneur*, Charlene Walters provides the tools you need to successfully launch and grow your side hustle, start up, or small business. As a mentor on *Entrepreneur* magazine's "Ask an Expert" forum and developer of a digital entrepreneurship MBA program, Walters knows what you're facing—and can help you avoid common mistakes, find your niche, build up your personal brand and reach your entrepreneurial goals. You'll find the practical, real-world advice necessary to create the opportunities you want by embracing ten Mindset Shifts, including: Embracing an Entrepreneurial Attitude Cultivating Financial Confidence Branding and Building Presence Leveraging Social Media Options Leading Your Startup Going into Growth Mode Rebooting, Repeating, and Avoiding Burnout Along the Way Packed with smart tips and hard-won wisdom, *Launch Your Inner Entrepreneur* concludes with a special bonus section, the Fempreneur Action Plan—which includes a business concept and planning worksheet, visual brand style guide, resilience and setback survival exercise, and more—to help you put the Mindset Shifts into action, now.

**The Entrepreneur's Secret to Creating Wealth** Chris Hurn, 2012 An often overlooked secret to creating wealth as a business owner has little to do with actually running the business. Marketing, customer service, quality products, and more are required to make a business successful...but when it comes to creating real and lasting wealth, decisions regarding this key secret will have the greatest impact. As both a small business lender and a small business owner himself, Chris Hurn has a bird's eye view of how businesses create wealth, as well as an in-the-trenches perspective on the tough decisions that must be made if a business is to go from good to great. In *The Entrepreneur's Secret to Creating Wealth*, Chris explains the myriad of factors and variables involved in this significant wealth-creation strategy. Plenty of books describe how entrepreneurs can create more ideas or have happier employees. But no other business book outlines in such detail -- or with such authority -- how to actually develop the wealth behind the business. **SPECIAL OFFER** When you buy two or more copies of this book (say, one for you and one you give to a friend), we'll donate the net proceeds of the sale to the National Federation of Independent Business (NFIB) Young Entrepreneur Foundation. All we need is a copy of your receipt showing the purchase, and that can be emailed (info@mercantilecc.com), faxed (407-682-1632) or mailed (60 N. Court Avenue, Suite 200, Orlando, FL 32801).

**Business Alchemy: Turning Ideas into Gold** William R. Cobb, 2012-06-21 Entrepreneurs play a vital role in economic development as key contributors to technological innovation and new job growth. We discovered that many people, just like you, have the urge to create an enterprise; to help themselves and to make a difference in this world. While successful entrepreneurs like Steve Jobs and Bill Gates are well publicized, the harsh reality is that most new businesses are prone to failure because they don't have access to accurate information about the entrepreneurial process. This book is a word map for guiding you through that process, from refining your business idea and securing capital to a successful launch into the marketplace. There are many types of business ideas to pursue and you are probably better educated than many historic entrepreneurs - both Thomas Edison and Ray Kroc being high school dropouts and both Steve Jobs and Bill Gates being college dropouts. If you hunger to be your own boss and to make a contribution to society with your ideas, then *Business Alchemy: Turning Ideas into Gold* has the information for which you have been searching.

**The Other "F" Word** John Danner, Mark Coopersmith, 2015-03-04 Leverage the power of failure in your organization Nobody wants to fail, but failure is a fact of life. Most of us treat it as a regrettable, even shameful, event best overlooked. In truth, failure can be a game-changing strategic resource that can help you and your organization achieve the greater success you crave. *The Other F Word* shows how successful leaders and teams are putting failure to work every day - to re-engage employees, spark innovation and accelerate growth. Authors Danner and Coopersmith - with their rare blend of senior-level executive experience, global advising, teaching acumen and cross-discipline perspective - share these valuable new practices, and show how they can improve results across your organization. Based on exclusive interviews with prominent leaders and insightful examples from their own in-depth work, the book features a practical seven-stage framework to liberate failure as a force to advance your leadership agenda. After all, everyone creates and confronts failure on a daily basis. Why not use it to your advantage? *The Other F Word* shows you how to: Start an open, productive conversation about failure across your organization Reduce the fear of failure that stifles initiative, creativity and engagement Anticipate, prepare for and respond to failure, so you can leverage it when it happens Harness failure as a catalyst to drive innovation, improve performance and strengthen culture Failure's like gravity - pervasive and powerful. Whether you're a leader or team member of a startup, a growing business, or an established enterprise, failure is today's lesson for tomorrow. Let *The Other F Word* show you how to apply this lesson and take your company where it needs to go.

**Life Entrepreneurs** Christopher Gergen, Gregg Vanourek, 2008-02-13 An inspirational and practical guide for anyone

who wants to incorporate the dynamic skills of entrepreneurs into their own lives and work. A new generation of life entrepreneurs is emerging: people who apply their vision, talents, creativity, and energy not only to their work but to their entire lives, changing the world for themselves and those around them. In this book, successful entrepreneurs Christopher Gergen and Gregg Vanourek draw on numerous interviews with fifty-five leading entrepreneurs worldwide as well as the wisdom of multiple thought leaders to provide vivid examples, moving vignettes, concrete frameworks, and practical strategies for revving up our work and play through entrepreneurial leadership. This book starts by providing strategies for integrating life, work, and purpose and ends by capturing the implications of the current entrepreneurial boom for our workplaces, learning institutions, communities, and families. Christopher Gergen (Washington, D.C.) is a founding partner of New Mountain Ventures, co-founder and chairman of SMARTHINKING, Adjunct Professor and Director of the Entrepreneurial Leadership Initiative at Duke University, and a life-long entrepreneur, Gregg Vanourek (Thornton, CO) is a founding partner of New Mountain Ventures, former CEO of Vanourek Consulting Solutions, and former Senior Vice President of School Development for K12 Inc.

**Self-Employed** Joel Comm, John Rampton, 2017-06-09 Two successful entrepreneurs offer a no-nonsense guide to the qualities that make people suited to starting their own businesses. In today's world of startup companies, entrepreneurs are disrupting industries and fueling the economy like never before. It's an exciting life where no day is quite like the next. But along with the adventure comes a lot of uncertainty, and not everyone is suited to the entrepreneurial life. So, what does it take? In *Self Employed*, Joel Comm and John Rampton detail 50 different qualities found in people who could do well as entrepreneurs. Having started, managed, and sold several multimillion-dollar businesses, Comm and Rampton understand what it takes to succeed in this highly competitive realm. The 50 qualities they outline provide a framework for anyone to decide if they might make it in business on their own. If you're wondering whether the entrepreneurial lifestyle is right for you, or you want to know for sure that the business you've already started is suited to your temperament, this book is for you!

*Running with My Head Down* Frank V. Fiume II, 2019-10-01 A no-holds-barred rags-to-riches story of finding your purpose and living a life of no regrets. *Running with My Head Down* is the inspirational story of one man's search for purpose and meaning, a quest without limitation that ultimately leads to unique business success and personal fulfillment. A native of Queens, New York, Frank was born into a working-class family, surrounded by the unified love of his parents. But in the mid-1970s, the nine-year-old was deeply impacted by his parents' divorce. Emotional and financial turmoil follow, fueling Frank's burning passion to discover his direction in life, and with it, certainty and security. During his difficult school years when Frank was underestimated by teachers, he discovered his love of baseball—not just playing it, but becoming a fanatical student of the game. It became an all-out obsession that he would later turn into a multi-million-dollar franchise sports business by creating his own leagues. Follow Frank's journey from his early days after college unhappily working in medical sales to the brilliant stroke of starting an adult softball league—and then to strategically expanding his dream by creating i9 Sports, which becomes the nation's largest youth sports franchise. After much inner struggle about defining his true purpose in life, Frank ultimately sell his company, having had a startling epiphany. Through it all, we see how Frank's purpose finds him again and again. A series of unique people come into his life, including peak performance coach Tony Robbins, who has a profound effect on Frank's personal development. No matter what obstacles arise, Frank remains laser-focused, always purposely running with his head down. This guide to personal and professional growth is filled with valuable strategies relevant to entrepreneurs and anyone who wants to lead a happier life. Transformative lessons and business insights include—

- The Passion Priority: How to transform the needs of your soul into reality, channeling the power of your vision.
- The Live Your Life With No Regrets Motto: Learn when to take a risk and go all in—banking on passion, not on security.
- The Entrepreneur Identity Crisis: How to overcome the self-limiting belief that your identity is your business.
- The Lonely at the Top Syndrome: How to build a solid relationship with your employees without losing your authority and the secret to overcoming CEO isolation.
- The Executive Burnout Phase: Identifying the signs of mental and physical overload and utilizing powerful techniques for restoring life balance.
- The Affluenza Affair: How to recreate the spark in your business in order to feel the same ambition and hunger as you once did.
- The Critics and Crises: How to handle internal company crises and external criticism.
- The Influence of Family and Friends: How to deal with a skeptical support network—and what to do when their advice, values, and judgments don't match yours.
- The Spiritual Awakening: How to expand your self-awareness through a passionate commitment to personal growth and self-care.
- And More! Frank graduated from St. John's University and began a career as a medical equipment sales rep, though he was determined to pursue his life's true purpose. So in 1995, he created his own adult men's softball league, ABA Sports. The start-up company quickly grew to over 900 teams in just six years, making it the largest adult sports organization on Long Island. In 2003, Frank sold ABA Sports in order to create i9 Sports, a business that catapulted him to national recognition and that *Entrepreneur* magazine ranked as the #1 children's fitness franchise. Frank has been featured on Fox Business News, HBO Real Sports, and in dozens of publications and national news media outlets, including USA Today, Sports Illustrated, and The Wall Street Journal. Frank sold i9 Sports in 2017 to a private equity firm, but remains a minority shareholder and member of the board of directors. He resides in the Tampa Bay area with his wife, Nadine, their children, Taylor-Marie and Frankie, and their Chocolate Lab, Dillon.
