Ten Things My Toddler Taught Me Sean Strubbe,Anna Hurley,Holly Hill,2013-01-17 He was absolutely, positively certain that he never wanted children. Ever. Sean Strubbe was determined that children were not for him and so he never planned on having them. But God had other plans. One day, the inevitable happened. Sean woke up, and in an instant, his life was changed forever. This is the story of a man turned father who learned that the very thing that he so despised was, in fact, the very thing he needed. Sean never would have imagined that God would use the son that he never wanted to teach him so many valuable things about the gospel of Christ. This story will change the way you look at the world around you. Could it be that we are missing out on valuable life lessons that God is using to teach us more about Him? Could it be possible that you and I are surrounded by extraordinary moments that are being orchestrated by God to show us more about the gospel of Christ? Maybe, just maybe, if we slowed down and took a closer look at the events and circumstances around us we would be surprised by what we saw.
