**Spam 2 Scam How 2 B E-Safe** K. P. Manikantan,2008-10 This is a book about SPAM, e-SCAMs and how to be safe from them. Here is a book written in a simple style and straight forward language to suit every reader irrespective of his/her background. Plenty of information is already available on 'what' ranging from advisories to blogs to actual, published works. There are commercial products offering varying degrees of security too. However, the efficacy of those solutions depends on the 'awareness' of the user concerned, because you have to take the call ultimately on what is a real deal and what is a potentially fraudulent product or service. This book also attempts to provide the 'why' and 'how'. With over 30 illustrated examples, this book prepares readers to recognise patterns of fraud and thereby helps them not to fall victim to such schemes. Readers will also find some simple yet practical suggestions on fortifying their information environment easily too.

**Only for Me** Michelle Derrig,2016-06 Only For Me is an amazing picture book, which gently teaches young children that their body is private and that they have a right to protect their privacy. Only For Me instantly engages young children (aged 3 to 8) through its clever use of rhyme and beautiful illustrations by former Disney artist Nicole Mackenzie. It tackles an extremely difficult topic in a sensitive and age appropriate manner, guiding parents through the critical information that they need to impart.
