Emma Bland Smith

People We Meet on Vacation Emily Henry, What happens when best friends with nothing in common come together, fall apart, and fall in love? The Vacationers meets When Harry Met Sally..., from the author of Beach Read When Poppy met Alex, there was no spark, no chemistry, and no reason to think they'd ever talk again. Alex is quiet, studious, and destined for a future in academia. Poppy is a wild child who only came to U of Chicago to escape small-town life. But after sharing a ride home for the summer, the two form a surprising friendship. After all, who better to confide in than someone you could never, ever date? Over the years, Alex and Poppy's lives take them in different directions, but every summer the two find their way back to each other for a magical weeklong vacation. Until one trip goes awry, and in the fallout, they lose touch. Now, two years later, Poppy's in a rut. Her dream job, her relationships, her life--none of it is making her happy. In fact, the last time she remembers feeling truly happy was on that final, ill-fated Summer Trip. The answer to all her problems is obvious: She needs one last vacation to win back her best friend. As a hilariously disastrous week unfolds and tensions rise, Poppy and Alex are forced to confront what drove them apart--and decide what they're willing to risk for the chance to be together--

The Christmas Escape Belinda Williams, 2023-10-23 I normally hate Christmas. Until I meet a gorgeous Australian guy who tries to change my mind... Two weeks before Christmas, I lose my job and my apartment in London. Now my best friend's no-good cheating boyfriend has left her with a non-refundable plane ticket she can't afford. So I do what any good friend would do and use my redundancy payout to buy Shona's ticket and board a flight to Australia, where I plan to forget that Christmas even exists. Except I soon discover that the festive spirit is alive and well in beachside Sydney—only it looks completely different. When I receive an unexpected invitation to Christmas lunch from a gorgeous surfer guy I keep bumping into, I'm tempted. But I'd be mad to have a fling with a single father like Jaz who has enough personal baggage to make my oversized suitcase feel feather light. Then again, holiday romances aren't supposed to last...are they?

A very risky escape from the DDR Dietmar Dressel, 2021-03-23 The GDR in the seventies. Many leading politicians live in luxury. The Stasi and the police with the appropriate facilities ensure fear, terror and violence, worse than the inquisition in the middle Ages. Denunciation of people among one another flourishes in all colors, the mass of the people makes unrestrained use of the national wealth and increasingly refuses to work. Two young people fall in love and want to spend their life together in a country where they are free from political constraints. What the two have to experience and suffer on this very dangerous path is hell and horror itself.

Escape Hermes Mallea, 2014-10-14 A nostalgic celebration of the glamour of warm-weather destinations in the Caribbean and Florida, from the great estates of ambitious patrons to the most exclusive resorts of the mid-twentieth century. Through iconic photography capturing the cultural mood at the moment when social codes relaxed from the formality of the Gilded Age to the spontaneity of the jet-set era, *Escape: The Heyday of Caribbean Glamour* takes the reader inside a

world of beach parties and costume balls set in lush tropical landscapes, of rarefied resorts and fairy-tale private estates. *Escape* presents the visual history of the region's outstanding getaways, chronicling their transformations from pristine idyllic settings to personalized retreats where responsibilities could be left behind. Joseph Urban, Oliver Messel, Paul Rudolph, and other talented designers made these dreams reality, relying on regional design traditions to express the spirit of places like Antigua, Barbados, Cuba, and Jamaica, and sometimes inventing a new vernacular using fantasy imagery to emphasize the notion of escape from the pressures of urban living. Among these idealized settings blossomed the resort lifestyle of international celebrities, from Marjorie Merriweather Post to Babe Paley, Princess Margaret to David Bowie, whose escapades are spectacularly captured in these pages to make the region's bygone glamour come alive.

After a tragic childhood in Athens and a soaring career as a singer, the brutal treatment of the man she loved by a tyrannical regime forced her to give up her daughter mere days after her birth. Now she longs to be reunited with her child before it's too late. Meanwhile in London, Zoe is searching too. In the months since the disappearance of her teenage daughter, Zoe's life has crumbled apart. Her husband has left her, her son feels forgotten, and every day is a struggle. But Zoe is desperate to track her daughter down, even if she doesn't want to be found . . . And why not check out The Island Escape Collection, two books in one, consisting of Patricia Wilson's *Villa of Secrets* and *Secrets of Santorini*, for more perfect escapist reads. "I've been a professional editor for more than thirty years, and *Escape From Plauen* is better writing than the work of most professional writers I've edited. This is an amazing story, and it is incredibly well written." —Mike Slizewski, professional editor Parts of this book moved me to tears...creating powerful images of destruction...great choice of words describing the emotion, terror, and horror of war as seen first hand through the eyes of a child. What a great read...riveting...." —Carol Kreit, author of *First Wives' Tool Kit*.

It suggests that rather than concentrating on the mechanics of travel—who we fly with, where we stay, which car we rent, which tour we take—we should first consider exactly why we want to go on vacation, what our current state of mind is, who we are traveling with, how we manage expectations and interruptions, and other issues of a strategic nature. From the first rule, Vacation more, live longer to the last, Accept your fate, Vacation Rules offers advice that impacts directly on everyday vacation issues and decisions. It provides insight into the importance of autonomy and why being in control of your day to day activities, rather than being completely guided by a travel companion or a guidebook, is so important to achieving happiness.

Meanwhile, Daren has built up his own life around managing a unique holiday venue, the Holiday Home Hotel, and performing for the guests in drag as Dare. Escape from Selfhood Ilany Kogan, 2018-10-08. Escape from Selfhood is a detailed study of a very traumatised son of a Hungarian couple who managed to evade the Nazi death machinery by finding refuge in a house protected by the Swedish Embassy in Budapest. Ilany writes like a master novelist as she describes her patient's attempts to invade her, fuse with her and destroy her. Concomitantly Ilany does not flinch from relating her own pain and suffering as she engages with a person who is both a victim and victimizer. The resultant account is chilling and electrifying. This is a very elegant and timely study highly recommended for its readability and clarity of exposition.
